5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

This contract is for On-Call Technical Professional Services. Task/work orders for each contractor will be assigned with rate information and work or project description and associated duration. DIA reserves the right to review staff members and their resumes for each specific need and make recommendations for filling staffing requirements. The on-call work includes, but is not limited to, the stated systems and/or job descriptions in the following general categories: I. Analytic Services; II. Project Management Services; III. Operations Systems Design and Implementation; IV. Infrastructure Services; and V. Voice and Data Network Services. This first amendment to the current agreement is needed so DIA can continue to use Reality Technologies' consultants for ongoing technical projects. This first amendment is to increase the contract liability by \$400,000 and extend the contract term to March 22, 2016.
