14 (e) Permittee shall comply with all requirements of affected utility companies and pay for  
15 all costs of removal, relocation, replacement or rearrangement of utility company facilities. Existing  
16 telephone facilities shall not be utilized, obstructed or disturbed.

17 (f) All construction in, under, on or over the Encroachment Area shall be accomplished in  
18 accordance with the Building Code of the City. Plans and specifications governing the construction

26 be constructed so that it can be removed and replaced without affecting structures within the  
27 Encroachment Area.

28 (h) Permittee shall pay all costs of construction and maintenance of the Encroachments.

32 (i) Permittee shall remove and replace any and all street/alley paving, sidewalks, and curb  
33 and gutter, both inside the Encroachment Area and in the rights-of-way adjacent thereto, that

1 become broken, damaged or unsightly during the course of construction. In the future, Permittee  
2 shall also remove, replace or repair any street/alley paving, sidewalks, and curb and gutter that  
3 become broken or damaged when, in the opinion of the City Engineer, the damage has been caused  
4 by the activity of the Permittee within the Encroachment Area. All repair work shall be accomplished  
5 without cost to the City and under the supervision of the City Engineer.

6 (j) The City reserves the right to make an inspection of the Encroachments contained  
7 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

8 (k) This revocable Permit shall not operate or be construed to abridge, limit or restrict the  
9 City in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as  
10 public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to  
11 construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent  
12 rights-of-way.

13 (l) During the existence of the Encroachments and this Permit, Permittee, its successors  
14 and assigns, at its expense, and without cost to the City, shall procure and maintain a single limit  
15 comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All  
16 coverages are to be arranged on an occurrence basis and include coverage for those hazards  
17 normally identified as X.C.U. during construction. The insurance coverage required herein  
18 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or  
19 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All  
20 insurance coverage required herein shall be written in a form and by a company or companies  
21 approved by the Risk Manager of the City and authorized to do business in the State of Colorado.  
22 A certified copy of all such insurance policies shall be filed with the Executive Director, and each  
23 such policy shall contain a statement therein or endorsement thereon that it will not be canceled or  
24 materially changed without written notice, by registered mail, to the Executive Director at least thirty  
25 (30) days prior to the effective date of the cancellation or material change. All such insurance policies  
26 shall be specifically endorsed to include all liability assumed by the Permittee hereunder and shall  
27 name the City as an additional insured.

28 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in  
29 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions  
30 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of  
31 the City and County of Denver. The failure to comply with any such provision shall be a proper basis  
32 for revocation of this Permit.

33 (n) The right to revoke this Permit is expressly reserved to the City.

1 (o) Permittee shall agree to indemnify and always save the City harmless from all costs,  
2 claims or damages arising, either directly or indirectly, out of the rights and privileges granted by this  
3 Permit.

4 (p) NewPath Networks, LLC is an affiliate of Crown Castle Fiber LLC.

5 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council  
6 of the City and County of Denver shall determine that the public convenience and necessity or the  
7 public health, safety or general welfare require such revocation, and the right to revoke the same is  
8 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council  
9 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its  
10 successors and assigns, to be present at a hearing to be conducted by the City Council upon such  
11 matters and thereat to present its views and opinions thereof and to present for consideration action  
12 or actions alternative to the revocation of such Permit.
