User Denver Integration
Action Created.

My love for hotels started 25 years ago and I quickly found my calling in the hospitality industry. I started my Hyatt journey at the Hyatt Regency Milwaukee working overnight in the Security Department. After learning the love I had for the industry, I served in many leadership roles, and in true hotel fashion took the show on the road heading to the Hyatt Regency Chicago, Hyatt Regency Long Beach, and Huntington Beach Resort and Spa.

I then packed up again and headed to the Hyatt Regency Denver Tech Center as Director of Rooms, after which spending the next 6 years in the Caribbean at the Hyatt Regency Trinidad West Indies, Hyatt Regency Aruba Resort, Spa and Casino, before heading back to the states as the Director of Rooms/AGM at the Hyatt Regency Coconut Point Resort and Spa in Bonita Springs FL. I was honored and excited to be the GM at the famed Andaz West Hollywood (a.k.a the Riot House) where I have served for the past 2 ½ years.

My Leadership POV can be summed up in a few phrases, don't be afraid to experiment and be creative, lead with care at the center of it all, and the age ole saying "treat people like you would want to be treated". When I am not working I love being involved in my community, it keeps me selfless, my wife Zena and I enjoy traveling, spending time in our vacation home in Trinidad, West Indies with friends, and blowing off some steam with a good workout and last but not least, cheering for the Green bay Packers!
