Statement of Support: ??

Describe a previous experience that demonstrates how you would approach your role:

My experience in management and supervision, good at conceptualizing, researching, planning, organizing and evaluating, along with excellent people skills.

I have been Board Secretary and served on the following committees:

Transition Planning

Manager Search

General Counsel

Finance

Ethics

Goals:

To continue to provide an efficient Metropolitan consolidated sewage treatment system in compliance with Federal and State guidelines. Looking at new ways and programs for water quality, reuse energy, treatment quality, compost, and industrial waste, the cost of treatment along with future funding.
