	Current Contract Term Date of execution – 3/31/26	6 Months	New Ending Date 10/31/2026								
			300000000								
Funds will be distributed to 3 educational institutions including Red Rocks Community College, Pickens Technical College, and Ohr on the Range allowing them to enhance and expand automotive training classes' focus on electric vehicles. Over the next 2 school years, 282 students will participate in these education and training programs. For high school students, the grant will focus on providing pathways to post-secondary education and for those already in post-secondary education, the grant will focus on connecting graduates to quality jobs in the electric vehicle maintenance sector.
