

Denver City Council,

The West Washington Park Neighborhood Association would like to express support for Councilwoman Jennie Robb's Zoning Text Amendment CB 12-0676 # 13 that retains limitations on residential growing of medical marijuana. This was voted on and approved by our Board on Oct. 5th. We believe that this is in the best interest of the neighborhoods in Denver.

Sincerely,

Tim O'Byrne  
President, WWPNA
