## Summary

Relentlessly pursuing my dreams through determination and collaboration.

## Experience

### Managing Director

The Numbers Holding Company, LLC

Aug 2014 - Present (9 years 8 months)

- Co-founder of The Numbers Holding Company, a bar and entertainment holding company with locations in Colorado and Kentucky.
- Structure and lead all real estate acquisitions and developments.
- Source all financial vehicles, with expertise in preferred equity, conventional debt, PACE financing, sales tax credits, and historical tax credits.
- Oversee marketing arm of all operating locations and assist in operational optimization.

### Business Development

SwimLabs Swim School

Sep 2014 - Jun 2017 (2 years 10 months)

- Director of Franchise Sales and Development for SwimLabs, a swim school concept based out of Highlands Ranch, Colorado
- Grew the business from four to seventeen locations in my two-and-a-half years by establishing processes in the financing, legal, site selection, architectural and construction realms.
- Found financing opportunities through SBA 7A Loans and self directed 401-K's, structured equity partnerships, term sheets, private placement memorandums and operating agreements with national attorneys, oversaw demographic analysis and lease negotiations with a licensed brokerage arm, designed architectural layouts for new locations, and managed general contractor work on a daily basis.

### Senior Interviewer

Denison University

May 2013 - May 2014 (1 year 1 month)

- Selected from the student-body to work as a professional member of Denison's admissions office
- Conducted over 80 interviews for prospective students and guided parents through the college process

### Intern

Innovest Portfolio Solutions

May 2012 - Aug 2012 (4 months)

Innovest is an investment consultant and wealth management adviser that builds custom portfolios through diversification and active management.

- Analyzed equity fundamentals for a thesis on forward looking forecasts about medium and long-run equity performance
- Restructured the company's investment analytical database, PARis, utilizing invmetrics, in order to increase accessibility for employees
- Produced historical timelines of value additions for quarterly client reports
