Business Improvement Districts (BID's) are organized for the benefit of commercial properties to assist with infrastructure improvements and their maintenance, as well as having the ability to perform marketing and economic development activities. This is the operating plan and budget for **Federal Blvd BID** (the "District") and it is submitted annually.

General Description of District and Location: The District is located on Federal Blvd and its area is bounded by West 22nd to West 27th Avenues, and east along Eliot Street between West 24th and West 26th Avenues.

BID's are organized for the benefit of commercial properties to assist with infrastructure improvements and their maintenance, as well as having the ability to perform marketing and economic development activities. The District is a commercial property owner-funded management district that provides the following services and improvements: economic development services, physical improvements, and advocacy on behalf of corridor property and businesses. Services include: new and existing business support, business attraction and retention, consumer marketing, special events, maintenance and trash receptacles.

District Structure: The District has no debt and anticipates a mill levy of 10.000 mills for 2021. The amended 2020 budget includes total expenditures of \$77,935 vs. original 2020 budgeted expenditures of \$69,099. The proposed 2021 budget contemplates expenditures of **\$101,924**. The current Board of Directors is composed of 5 electors.

For all BIDs that have mill levies: City Council will pass a resolution in December to levy all special district mill levies for the 2021 budget year.
