# Welton Street Next Steps Project

Transportation & Infrastructure Committee

# Welton Next Steps Overview

- Deliver an **actionable framework** to guide future **investment in Welton** corridor, building on past studies and community input
- Create a welcoming streetscape with expanded **public space, green infrastructure,** and **stormwater management**
- Identifying strategies to **enhance transit, walking,** and **biking access**
- Reflect the corridor's **cultural heritage**
- Support **local business revitalization**

# Welton Next Steps Overview

## Project Area:

- Welton Street from Broadway to Downing/30<sup>th</sup> Station

## Why now:

- Need for a clear vision for the corridor
- Upcoming RTD track replacement

## What it isn't:

- Not at the stage of proposing designs or specific improvements
- Not a construction project

# Welton Next Steps Approach

1

Collaborate with the community to confirm vision and priorities for Welton.

2

Analyze options for Welton to better understand challenges and opportunities.

3

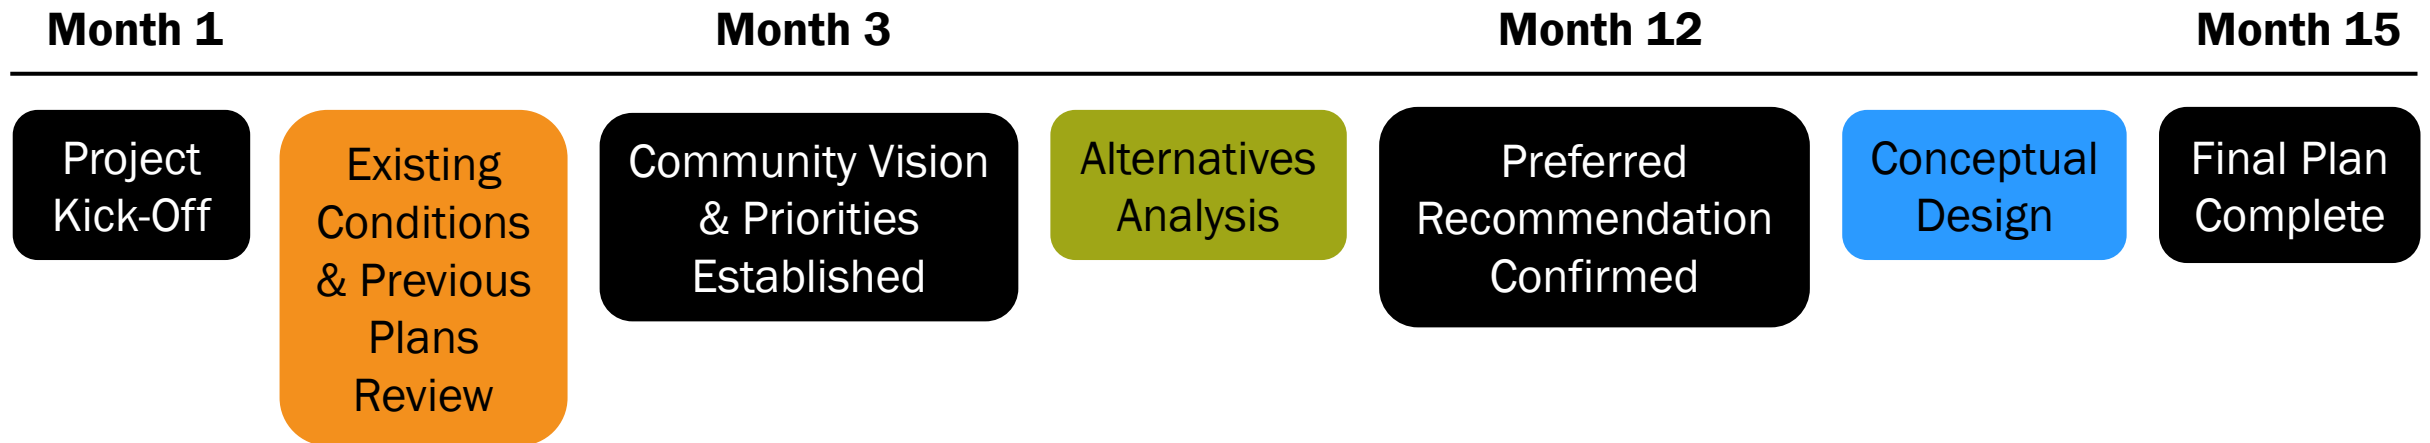

Document feasible near- and long-term recommendations to achieve the vision.

# Welton Next Steps Study Timeline

**Jan – Mar:** Contract Procurement

**Apr – May:** City Council Consideration

**June:** Anticipated Notice to Proceed

# Reach out with questions or comments.
