

**Amendment to CB22-0424 concerning amendments to the Denver Zoning Code to implement expanded housing affordability.**

**Committee Members,**

I move that Council Bill 22-0424 be amended in the following particulars:

1. On page 1, line 30, strike “Clerk File No. 20220052 as filed with the Denver City Clerk on April 27, 2022,” and replace with “Clerk File No. 20220052A.”.

**Purpose of the Amendment**

This amendment would make the following changes in the Denver Zoning Code:

In Section 10.4.5.1(E)(3) of the Denver Zoning Code:

- 1) strike “E. Vehicle Parking Exemptions for Enhanced Affordable Housing near Multi-Modal Transportation,” and replace with “E. Vehicle Parking Reductions for Enhanced Affordable Housing near Multi-Modal Transportation”
- 2) strike “3. Exemption” and replace with “3. Reduction”
- 3) strike “exempt from the minimum amount of vehicle parking otherwise required by this Code” and replace with “subject to an alternative minimum vehicle parking ratio of 0.1 vehicle parking spaces per unit.”
