THIS AGREEMENT is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **THE COLORADO COALITION FOR THE HOMELESS**, a Colorado nonprofit, whose address is 2111 Champa Street, Denver, CO 80205 (the “Contractor”), jointly “the Parties” and individually a “Party.”

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and the Contractor agree as follows:

1. **COORDINATION AND LIAISON**: The Contractor shall fully coordinate all services under the Agreement with the Executive Director (“Director”) of the Department of Housing Stability (“Agency” or “HOST”), or the Director’s Designee.
2. **SERVICES TO BE PERFORMED**: As the Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth in **Exhibit A, Scope of Work**, to the City’s satisfaction. The Contractor is ready, willing, and able to provide the services required by this Agreement. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement.
3. **TERM**: The Agreement will commence on January 1, 2021, and will expire, unless sooner terminated, on December 31, 2021 (the “Term”).
4. **COMPENSATION AND PAYMENT**
 - 4.1. **Budget**: The City shall pay and the Contractor shall accept as the sole compensation for services rendered and costs incurred and paid under the Agreement payment not to exceed the line budget amounts set forth in **Exhibit A**.
 - 4.2. **Reimbursable Expenses**: There are no reimbursable expenses allowed under the Agreement. All of the Contractor’s expenses are contained in **Exhibit A**.
 - 4.3. **Invoicing**: The Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. The City’s Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement.

4.4. Maximum Contract Amount

4.4.1. Notwithstanding any other provision of the Agreement, the City’s maximum payment obligation will not exceed One Million One Hundred Ninety-Four Thousand Six Hundred Sixty-Three Dollars (\$1,194,663.00) (the “Maximum Contract Amount”). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at the Contractor’s risk and without authorization under the Agreement.

4.4.2. The City’s payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

5. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

6. TERMINATION

6.1. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon thirty (30) days prior written notice to the Contractor. However, nothing gives the Contractor the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Director.

6.2. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor’s business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

6.3. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

6.4. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE."

7. EXAMINATION OF RECORDS AND AUDITS: Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

8. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or

remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

9. INSURANCE

9.1. General Conditions: The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A-”VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

9.2. Proof of Insurance: The Contractor shall provide a copy of this Agreement to its insurance agent or broker. The Contractor may not commence services or work relating to the Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit B**, preferably an

ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

- 9.3. Additional Insureds:** For Commercial General Liability, Auto Liability Professional Liability (if required), and Excess Liability/Umbrella (if required) the Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.
- 9.4. Waiver of Subrogation:** For all coverages required under this Agreement, with exception of Professional Liability (if required), the Contractor's insurer shall waive subrogation rights against the City.
- 9.5. Subcontractors and Subconsultants:** All subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. The Contractor shall include all such subcontractors as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such subcontractors and subconsultants maintain the required coverages. The Contractor agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.
- 9.6. Workers' Compensation/Employer's Liability Insurance:** The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. The Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such

rejections previously effected, have been revoked as of the date the Contractor executes this Agreement.

9.7. Commercial General Liability: The Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

9.8. Business Automobile Liability: The Contractor shall maintain Business Automobile Liability with limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

9.9. Cyber Liability: The Contractor shall maintain Cyber Liability coverage with limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security.

9.10. Additional Provisions

9.10.1. For Commercial General Liability, the policy must provide the following:

9.10.1.1. That this Agreement is an Insured Contract under the policy;

9.10.1.2. Defense costs are outside the limits of liability;

9.10.1.3. A severability of interests, separation of insureds provision (no insured vs. insured exclusion); and

9.10.1.4. A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City.

9.10.1.5. No exclusion for sexual abuse or molestation.

9.10.2. For claims-made coverage:

9.10.2.1. The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.

9.10.3. The Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per

occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

10. DEFENSE AND INDEMNIFICATION

- 10.1.** The Contractor agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.
- 10.2.** The Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. The Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.
- 10.3.** The Contractor shall defend any and all Claims which may be brought or threatened against City and shall pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City will be in addition to any other legal remedies available to City and will not be the City’s exclusive remedy.
- 10.4.** Insurance coverage requirements specified in this Agreement in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor is responsible to obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.
- 10.5.** This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

- 11. COLORADO GOVERNMENTAL IMMUNITY ACT:** In relation to the Agreement, the City is relying upon and has not waived the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, C.R.S. § 24-10-101, *et seq.*
- 12. TAXES, CHARGES AND PENALTIES:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.
- 13. ASSIGNMENT; SUBCONTRACTING:** The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and will be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.
- 14. INUREMENT:** The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.
- 15. NO THIRD-PARTY BENEFICIARY:** Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.
- 16. NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that

purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

17. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

18. CONFLICT OF INTEREST

18.1. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. § 2-51, *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

18.2. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

19. However, these substitutions will not become effective until actual receipt of written notification.

20. NO EMPLOYMENT OF ILLEGAL ALIENS TO PERFORM WORK UNDER THE AGREEMENT

20.1. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the “Certification Ordinance”).

20.2. The Contractor certifies that:

20.2.1. At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.

20.2.2. It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

20.3. The Contractor also agrees and represents that:

20.3.1. It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

20.3.2. It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

20.3.3. It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

20.3.4. It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

20.3.5. If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal

alien, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

20.3.6. It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

20.4. The Contractor is liable for any violations as provided in the Certification Ordinance. If the Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying the Contractor from submitting bids or proposals for future contracts with the City.

21. DISPUTES: All disputes between the City and the Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.

22. - 23. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.
- 24. NO DISCRIMINATION IN PROGRAM ASSISTANCE:** In connection with the performance of work under the Agreement, the Contractor may not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.
- 25. FAITH BASED ORGANIZATIONS AND SECTARIAN ACTIVITIES:** The Contractor shall not engage in inherently religious activities, such as worship, religious instruction, or proselytizing as part of the programs or services funded under this Agreement.
- 26. COMPLIANCE WITH ALL LAWS:** The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.
- 27. LEGAL AUTHORITY:** The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the Contractor to execute the Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing the Agreement to enter into the Agreement.
- 28. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be

construed against any Party merely because any provisions of the Agreement were prepared by a particular Party.

29. ORDER OF PRECEDENCE: In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement controls.

30. INTELLECTUAL PROPERTY RIGHTS: The City and the Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity. The City and Contractor agree that all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information of Contractor made available, directly or indirectly, by Contractor to City as part of the Scope of Services, are the exclusive property of Contractor or the third parties from whom Contractor has secured the rights to use such product. The Contractor Materials, processes, methods and services shall at all times remain the property of the Contractor; however, the Contractor hereby grants to the City a nonexclusive, royalty free, perpetual and irrevocable license to use the Contractor Materials. The Contractor shall mark or identify all such Contractor Materials to the City.

31. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and

will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

32. ADVERTISING AND PUBLIC DISCLOSURE: The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

33. CONFIDENTIAL INFORMATION

33.1. The Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to the Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. The Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent contractor would to protect its own proprietary or confidential data. "Proprietary Data" shall mean any materials or information which may be designated or marked "Proprietary" or "Confidential," or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance, and provided or made available to the Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

33.2. Use and Protection of Proprietary Data or Confidential Information

interactive rights to, or otherwise make available any data, including Proprietary Data or confidential information or any part thereof to any other person, party or entity in any form of media for any purpose other than performing its obligations under this Agreement. The Contractor further acknowledges that by providing data, Proprietary Data or confidential information, the City is not granting to the Contractor any right or license to use such data except as provided in this Agreement. The Contractor further agrees not to disclose or distribute to any other party, in whole or in part, the data, Proprietary Data or confidential information without written authorization from the Executive Director and will immediately notify the City if any information of the City is requested from the Contractor from a third party.

33.2.2. The Contractor agrees, with respect to the Proprietary Data and confidential information, that: (1) the Contractor shall not copy, recreate, reverse engineer or decompile such data, in whole or in part, unless authorized in writing by the Executive Director; (2) the Contractor shall retain no copies, recreations, compilations, or decompilations, in whole or in part, of such data; and (3) the Contractor shall, upon the expiration or earlier termination of the Agreement, destroy (and, in writing, certify destruction) or return all such data or work products incorporating such data or information to the City.

33.2.3. It is the responsibility of the Contractor to ensure that all possible measures have been taken to secure the computers or any other storage devices used for City data. This includes industry accepted firewalls, up-to-date anti-virus software, controlled access to the physical location of the hardware itself.

33.3. Employees and Subcontractor: The Contractor will inform its employees and officers of the obligations under this Agreement, and all requirements and obligations of the Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement. The Contractor shall not disclose Proprietary Data or confidential

information to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement.

33.4. Disclaimer: Notwithstanding any other provision of this Agreement, the City is furnishing Proprietary Data and confidential information on an “as is” basis, without any support whatsoever, and without representation, warranty or guarantee, including but not in any manner limited to, fitness, merchantability or the accuracy and completeness of the Proprietary Data or confidential information. The Contractor is hereby advised to verify its work. The City assumes no liability for any errors or omissions herein. Specifically, the City is not responsible for any costs including, but not limited to, those incurred as a result of lost revenues, loss of use of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third parties, or for similar costs. If discrepancies are found, the Contractor agrees to contact the City immediately.

33.5. Contractor’s Confidential Information; Open Records: If the City is furnished with proprietary data or confidential information that may be owned or controlled by Contractor (“Contractor’s Confidential Information”), the City will endeavor, to the extent provided by law, to comply with the requirements provided by the Contractor concerning the Contractor’s Confidential Information. However, the Contractor understands that all the material provided or produced by the Contractor under this Agreement may be subject to the Colorado Open Records Act., § 24-72-201, *et seq.*, C.R.S. In the event of a request to the City for disclosure of such information, the City will advise the Contractor of such request in order to give the Contractor the opportunity to object to the disclosure of any of it’s the Contractor Confidential Information and take necessary legal recourse. - C. The Bridge to Home Program will primarily serve households referred through OneHome and outreach to encampments but may also serve individuals and families staying at an emergency shelter or safe haven, or fleeing, or attempting to flee domestic violence, dating violence, sexual assault, stalking, and/or other dangerous or life threatening conditions related to violence, who have no identified subsequent residence; and lack the resources and support networks needed to obtain other permanent housing.

The Bridge Housing Program may serve individuals exiting homelessness from an institution such as a Colorado State institution, a hospital, jail or prison, a halfway house, child welfare or another institution, at risk of institutionalization, at risk of becoming homeless or for formally homeless individuals who have been asked to leave their current housing environment and need a temporary safe place to stay while awaiting a new unit.
- E. Once in Bridge Housing, each participant not currently matched to a permanent housing resource or not in OneHome will be enrolled in OneHome by project staff to provide an efficient pathway to Permanent Supportive Housing (PSH) or other permanent housing options.

- H. Once bridge housing participants transition into their permanent supportive housing, clientele will be provided ongoing case management, clinical counseling and other supports to help them maintain housing stability. These services will be provided by CCH's Housing First, Residential Services, Family Support Services, or other service providers in the continuum with other funding.
