6. General description/background of proposed ordinance including contract scope of work if applicable:

This contract with Colorado Department of Transportation (CDOT) allows the City to receive and expend federal fund in the amount of \$160,000 with \$40,000 match, as part of the Denver ITS FY 16 CTC VISIBILITY study. Project will study the feasibility of connecting traffic signal central systems from one agency to another. These connections would allow an agency to view and monitor traffic signals from another jurisdiction. Additionally, this could also allow implementation of pre-approved timing plans agreed upon amongst agencies.
