

## AGREEMENT

**THIS AGREEMENT** is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **BROTHERS REDEVELOPMENT, INC.**, a Colorado Nonprofit corporation, whose address 2250 Eaton St., Suite B, Edgewater, CO 80214 (the “Contractor”), individually a “Party” and jointly the “Parties.”

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements hereinafter set forth and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

**1. COORDINATION AND LIAISON:** The Contractor shall fully coordinate all services under this Agreement with the Executive Director (“Director”) of the Department of Housing Stability (“Agency” or “HOST”) or the Director’s designee.

**2. SERVICES TO BE PERFORMED:** As the Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth in **Exhibit A**, Scope of Work, to the City’s satisfaction. The Contractor is ready, willing, and able to provide the services required by this Agreement. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in this Agreement and in accordance with the terms of this Agreement.

**3. TERM:** This Agreement will commence on May 1, 2025, and will expire, unless sooner terminated, on December 31, 2025 (the “Term”).

**4. COMPENSATION AND PAYMENT**

**4.1. Budget:** The City shall pay, and the Contractor shall accept as the sole compensation for services rendered and costs incurred and paid under this Agreement payment not to exceed the line budget amounts set forth in **Exhibit A**. Amounts billed may not exceed the budget amounts set forth in **Exhibit A**.

**4.2. Reimbursable Expenses:** There are no reimbursable expenses allowed under this Agreement. All the Contractor’s expenses are contained in the budget in **Exhibit A**. The City will not be obligated to pay the Contractor for any other fees, costs, expenses, or charges of any nature that may be incurred and paid by the Contractor in performing services under this Agreement including but not limited to personnel, benefits, contract labor, overhead, administrative costs, operating costs, supplies, equipment, and out-of-pocket expenses.

**4.3. Invoicing:** The Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement.

**4.4. Maximum Contract Amount**

**4.4.1.** Notwithstanding any other provision of this Agreement, the City's maximum payment obligation will not exceed **ONE MILLION TWO HUNDRED THOUSAND DOLLARS AND NO CENTS (\$1,200,000.00)** (the "Maximum Contract Amount"). The City is not obligated to execute an agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** or performed outside the Term are performed at the Contractor's risk and without authorization under this Agreement.

**4.4.2.** The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. This Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

**5. PERFORMANCE MONITORING/INSPECTION:** The Contractor shall permit the Director to monitor and review the Contractor's performance under this Agreement. The Contractor shall make available to the City for inspection all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hard copy or electronic format, used in the performance of any of the services required hereunder or relating to any matter covered by this Agreement to coordinate the performance of services by the Contractor in accordance with the terms of this Agreement. All such monitoring and inspection shall be performed in a manner that will not unduly interfere with the services to be provided under this Agreement.

**6. STATUS OF CONTRACTOR:** The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

**7. TERMINATION**

**7.1.** The City has the right to terminate this Agreement with cause upon written notice effective immediately, and without cause upon ten (10) days prior written notice to the Contractor.

However, nothing gives the Contractor the right to perform services under this Agreement beyond the time when its services become unsatisfactory to the Director.

**7.2.** Notwithstanding the preceding paragraph, the City may terminate this Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

**7.3.** Upon termination of this Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in this Agreement.

**7.4.** If this Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools, and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under this Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE."

**8. EXAMINATION OF RECORDS AND AUDITS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

**9. WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of this Agreement constitutes a waiver of any other breach.

**10. INSURANCE**

**10.1. General Conditions:** The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of this Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices Section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices Section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

**10.2. Proof of Insurance:** The Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit B**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act

as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

**10.3. Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), the Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees, and volunteers as additional insured.

**10.4. Waiver of Subrogation:** For all coverages required under this Agreement, with the exception of Professional Liability – if required, the Contractor's insurer shall waive subrogation rights against the City.

**10.5. Subcontractors and Subconsultants:** The Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.

**10.6. Workers' Compensation and Employer's Liability Insurance:** The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

**10.7. Commercial General Liability:** The Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate. Policy shall not contain an exclusion for sexual abuse, molestation, or misconduct.

**10.8. Automobile Liability:** The Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired, and non-owned vehicles used in performing services under this Agreement.

**10.9. Cyber Liability:** Contractor shall maintain Cyber Liability coverage with minimum limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or

unintentional release of private information, alteration of electronic information, extortion and network security. If Claims Made, the policy shall be kept in force, or a Tail policy placed, for three (3) years.

## **11. DEFENSE AND INDEMNIFICATION**

**11.1.** The Contractor agrees to defend, indemnify, reimburse and hold harmless the City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property, including injuries or death of any person rightfully on the Premises for any purpose whatsoever, arising out of, resulting from, or relating to the services performed and the occupancy and use of the Premises under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify the City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including the City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

**11.2.** The Contractor’s duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether Claimant has filed suit on the Claim. The Contractor’s duty to defend and indemnify the City shall arise even if the City is the only party sued by claimant and/or claimant alleges that the City’s negligence or willful misconduct was the sole cause of claimant’s damages.

**11.3.** The Contractor shall defend any and all Claims which may be brought or threatened against the City and shall pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City will be in addition to any other legal remedies available to the City and will not be the City’s exclusive remedy.

**11.4.** Insurance coverage requirements specified in this Agreement in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor is responsible to obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

**11.5.** This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

**12. COLORADO GOVERNMENTAL IMMUNITY ACT:** In relation to this Agreement, the City is relying upon and has not waived the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, C.R.S. § 24-10-101, *et seq.*

**13. TAXES, CHARGES AND PENALTIES:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts, and obligations it incurs performing the services under this Agreement and shall not allow any lien, mortgage, judgment, or execution to be filed against City property.

**14. ASSIGNMENT; SUBCONTRACTING:** The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void and will be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate this Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any subconsultant, subcontractor, or assign.

**15. INUREMENT:** The rights and obligations of the Parties to this Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of this Agreement.

**16. NO THIRD-PARTY BENEFICIARY:** Enforcement of the terms of this Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in this Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to this Agreement is an incidental beneficiary only.

**17. NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

**18. SEVERABILITY:** Except for the provisions of this Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of this Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

**19. CONFLICT OF INTEREST**

**19.1.** No employee of the City shall have any personal or beneficial interest in the services or property described in this Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. § 2-51, *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

**19.2.** The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under this Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate this Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

**20. **21. DISPUTES:** All disputes between the City and the Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by § 56-

106(b)-(f), D.R.M.C. For the purposes of that administrative procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.

**22. GOVERNING LAW; VENUE:** This Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into this Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to this Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

**23. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under this Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

**24. NO DISCRIMINATION IN PROGRAM ASSISTANCE:** In connection with the performance of work under this Agreement, the Contractor may not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of race, color, religion, national origin, ancestry, gender, age, military status, sexual orientation, gender identity or gender expression, marital or domestic partner status, political beliefs or affiliation, familial or parental status—including pregnancy, medical condition, military service, protective hairstyle, genetic information, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.

**25. FAITH BASED ORGANIZATIONS AND SECTARIAN ACTIVITIES:** The Contractor shall not engage in inherently religious activities, such as worship, religious instruction, or proselytizing as part of the programs or services funded under this Agreement.

**26. COMPLIANCE WITH ALL LAWS:** The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

**27. LEGAL AUTHORITY:** The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate, and official motion, resolution or action passed or taken, to

enter into this Agreement. Each person signing and executing this Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the Contractor to execute this Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of this Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate this Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing this Agreement to enter into this Agreement.

**28. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties and their respective counsel have had the opportunity to review this Agreement, and this Agreement will not be construed against any Party merely because any provisions of this Agreement were prepared by a particular Party.

**29. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of this Agreement and the exhibits, the language of this Agreement controls.

**30. INTELLECTUAL PROPERTY RIGHTS:** The City and the Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity. The Parties agree that all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information of the Contractor made available, directly or indirectly, by the Contractor to the City as part of the Scope of Services (collectively, “Contractor Materials”), are the exclusive property of the Contractor or the third parties from whom the Contractor has secured the rights to use such product. Contractor Materials, processes, methods, and services shall at all times remain the property of the Contractor; however, the Contractor hereby grants to

the City a nonexclusive, royalty free, perpetual, and irrevocable license to use Contractor Materials. The Contractor shall mark or identify all such Contractor Materials to the City.

**31. SURVIVAL OF CERTAIN PROVISIONS:** The terms of this Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of this Agreement survive this Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

**32. ADVERTISING AND PUBLIC DISCLOSURE:** The Contractor shall not include any reference to this Agreement or to services performed pursuant to this Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Director. Any oral presentation or written materials related to services performed under this Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

**33. CONFIDENTIAL INFORMATION**

**33.1.** "Confidential Information" means all information or data disclosed in written or machine recognizable form and is marked or identified at the time of disclosure as being confidential, proprietary, or its equivalent. Each of the Parties may disclose (a "Disclosing Party") or permit the other Party (the "Receiving Party") access to the Disclosing Party's Confidential Information in accordance with the following terms. Except as specifically permitted in this Agreement or with the prior express written permission of the Disclosing Party, the Receiving Party shall not: (i) disclose, allow access to, transmit, transfer or otherwise make available any Confidential Information of the Disclosing Party to any third party other than its employees, subcontractors, agents and consultants that need to know such information to fulfil the purposes of this Agreement, and in the case of non-employees, with whom it has executed a non-disclosure or other agreement which limits the use, reproduction and disclosure of the Confidential Information on terms that afford at least as much protection to the Confidential Information as the provisions of this Agreement; or (ii) use or reproduce the Confidential Information of the Disclosing Party for any reason other than as reasonably necessary to fulfil the purposes of this Agreement. This Agreement does not transfer ownership of Confidential Information or grant a license thereto. The City will retain all right, title, and interest in its Confidential Information.

**33.2.** The Contractor shall provide for the security of Confidential Information and information which may not be marked, but constitutes personally identifiable information, HIPAA, CJIS, or other federally or state regulated information (“Regulated Data”) in accordance with all applicable laws, rules, policies, publications, and guidelines. If the Contractor receives Regulated Data outside the scope of this Agreement, it shall promptly notify the City.

**33.3.** Confidential Information that the Receiving Party can establish: (i) was lawfully in the Receiving Party’s possession before receipt from the Disclosing Party; or (ii) is or becomes a matter of public knowledge through no fault of the Receiving Party; or (iii) was independently developed or discovered by the Receiving Party; or (iv) was received from a third party that was not under an obligation of confidentiality, shall not be considered Confidential Information under this Agreement. The Receiving Party will inform necessary employees, officials, subcontractors, agents, and officers of the confidentiality obligations under this Agreement, and all requirements and obligations of the Receiving Party under this Agreement shall survive the expiration or earlier termination of this Agreement.

**33.4.** Nothing in this Agreement shall in any way limit the ability of the City to comply with any laws or legal process concerning disclosures by public entities. The Parties understand that all materials exchanged under this Agreement, including Confidential Information, may be subject to the Colorado Open Records Act., § 24-72-201, *et seq.*, C.R.S., (the “Act”). In the event of a request to the City for disclosure of confidential materials, the City shall advise the Contractor of such request in order to give the Contractor the opportunity to object to the disclosure of any of its materials which it marked as, or otherwise asserts is, proprietary or confidential. If the Contractor objects to disclosure of any of its material, the Contractor shall identify to the City the legal basis under the Act for any right to withhold. In the event of any action or the filing of a lawsuit to compel disclosure, the Contractor agrees to intervene in such action or lawsuit to protect and assert its claims of privilege against disclosure of such material or waive the same. If the matter is not resolved, the City will tender all material to the court for judicial determination of the issue of disclosure. The Contractor further agrees to defend, indemnify and save and hold harmless the City, its officers, agents and employees, from any claim, damages, expense, loss or costs arising out of the Contractor’s intervention to protect and assert its claim of privilege against disclosure under this Article, including but not limited to, prompt reimbursement to the City of all reasonable attorney fees, costs, and damages that the City may incur directly or may be ordered to pay.

#### **34. PROTECTED INFORMATION AND DATA PROTECTION**

**34.1. Compliance with Data Protection Laws:** The Contractor shall comply with all applicable laws, rules, regulations, directives, and policies relating to data protection, use, collection,

disclosures, processing, and privacy as they apply to the Contractor under this Agreement, including, without limitation, applicable industry standards or guidelines based on the data's classification relevant to the Contractor's performance hereunder and, when applicable, the most recent iterations of § 24-73-101, et seq., C.R.S.; § 24-85-103 (2.5), C.R.S.; IRS Publication 1075; the Health Information Portability and Accountability Act (HIPAA); the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all Criminal Justice Information; the Colorado Consumer Protection Act; and the Payment Card Industry Data Security Standard (PCI-DSS), (collectively, "Data Protection Laws"). If the Contractor becomes aware that it cannot reasonably comply with the terms or conditions contained herein due to a conflicting law or policy, the Contractor shall promptly notify the City.

**34.2. Personal Information:** "PII" means personally identifiable information including, without limitation, any information maintained by the City about an individual that can be used to distinguish or trace an individual's identity, such as name, social security number, date and place of birth, mother's maiden name, or biometric records. PII includes, but is not limited to, all information defined as personally identifiable information in §§ 24-73-101, C.R.S. "PII" shall also mean "personal information" as set forth at § 24-73-103(1)(g), C.R.S. If receiving PII under this Agreement, the Contractor shall provide for the security of such PII, in a manner and form acceptable to the City, including, without limitation, City non-disclosure requirements, use of appropriate technology, security practices, computer access security, data access security, data storage encryption, data transmission encryption, and security audits. In addition, as set forth in § 28-251, D.R.M.C., the Contractor, including, but not limited to, the Contractor's employees, agents, and subcontractors, shall not collect or disseminate individually identifiable information about the national origin, immigration, or citizenship status of any person, over and above the extent to which the City is required, under this Agreement, to collect or disseminate such information in accordance with any federal, state, or local law.

**34.3. Safeguarding Protected Information:** "Protected Information" means data, regardless of form, that has been designated as private, proprietary, protected, or confidential by law, policy, or the City. Protected Information includes, but is not limited to, employment records, protected health information, student records, education records, criminal justice information, personal financial records, research data, trade secrets, classified government information, other regulated data, and PII. Protected Information shall not include public records that by law must be made available to the public pursuant to the Colorado Open Records Act § 24-72-201, et seq., C.R.S. To the extent there is any uncertainty as to whether data constitutes Protected Information, the data in question shall be treated as

Protected Information until a determination is made by the City or an appropriate legal authority. Unless the City provides security protection for the information it discloses to the Contractor, the Contractor shall implement and maintain reasonable security procedures and practices that are both appropriate to the nature of the Protected Information disclosed and that are reasonably designed to help safeguard Protected Information from unauthorized access, use, modification, disclosure, or destruction. Disclosure of Protected Information does not include disclosure to a third party under circumstances where the City retains primary responsibility for implementing and maintaining reasonable security procedures and practices appropriate to the nature of the Protected Information, and the City implements and maintains technical controls reasonably designed to safeguard Protected Information from unauthorized access, modification, disclosure, or destruction or effectively eliminate the third party's ability to access Protected Information, notwithstanding the third party's physical possession of Protected Information. If the Contractor has been contracted to maintain, store, or process personal information on the City's behalf, the Contractor is a "Third-Party Service Provider" as defined by § 24-73-103(1)(i), C.R.S., and shall maintain security procedures and practices consistent with §§24-73-101, et seq., C.R.S.

**34.4. Data Access and Integrity:** The Contractor shall implement and maintain all appropriate administrative, physical, technical, and procedural safeguards necessary and appropriate to ensure compliance with the standards, guidelines, and Data Protection Laws applicable to the Contractor's performance hereunder to ensure the security and confidentiality of all data. The Contractor shall protect against threats or hazards to the security or integrity of data; protect against unauthorized disclosure, access to, or use of any data; restrict access to data as necessary; and ensure the proper use of data. The Contractor shall not engage in "data mining" except as specifically and expressly required by law or authorized in writing by the City. All data and Protected Information shall be maintained and securely transferred in accordance with industry standards.
