## Low Residential

- Predominantly single- and two-unit uses

## Future Street Type

- Pearl Street: Local or Undesignated

# Blueprint Denver 2019

Land Use and Built Form- Housing Policy 4: Diversity housing choice through the expansion of accessory dwelling units throughout all residential areas.

Strategy E: A citywide approach to enable ADUs is preferred. Until a holistic approach is in place, individual rezoning to enable ADUs in all residential areas, especially where proximate to transit, are appropriate. Unless there is a neighborhood plan supporting ADUs, rezonings should be small in area in order to minimize impact to the surrounding residential area.
