Councilwoman Sawyer and Councilwoman Ortega,

Attached is the Denver Board of Education's proclamation in support of the restriction of flavored tobacco ordinance. Thank you for making President Carrie Olson and me aware of your efforts on this important subject that impacts the learning environment in our schools. It was our pleasure to support the ordinance.

I am hopeful this is just the beginning of our discussion in protecting our kids from the dangers of tobacco addiction.

You can also watch the nine-minute discussion at our November 18th Board meeting beginning at minute twenty-one.
