 - (A) First, to the payment of interest due and owing on the Outstanding Loan Amount;
 - (B) Second, to the payment of Scheduled Principal Amounts then due and owing on the Outstanding Loan; and
 - (C) Third, to the payment of any other amounts then due and owing to the Lender hereunder.

Second: If it is projected in the Annual Pledged Revenue Report furnished to the Lender pursuant to Section 5.01(f)(i) hereunder that the Pledged Revenues collected in the upcoming Fiscal Year, plus any amounts held in the Special Reserve Fund and the Revenue Fund (collectively, the "**Projected Available Revenues**"), will be less than 1.25X of the Debt Service Requirements coming due in such Fiscal Year (the "**Debt Service Coverage Ratio Amount**"), then the City shall calculate the difference between the Debt Service Coverage Ratio Amount and the Projected Available Revenues (the "**Special Reserve Fund Deposit Amount**") and the following deposits shall be made to the Special Reserve Fund:

<u>Calculation of Special Reserve Fund Deposit Amount:</u> 1.25X Debt Service Requirements – (projected Pledged Revenues set forth in the Annual Pledged Revenue Report + amounts held in the Special Reserve Fund + amounts held in the Revenue Fund) = Special Reserve Fund Deposit Amount

i. Special Reserve Fund Deposits Semiannually, not later than fifteen days prior to the next occurring Principal Payment Date or Interest Payment Date, commencing in the Fiscal Year following the determination that the Special Reserve Fund Deposit Amount shall be deposited (as set forth in the paragraph above), after making the deposits to the Loan Payment set forth above, the City shall disburse, or authorize an automatic debit, from the Revenue Fund to the Special Reserve Fund in an amount sufficient to accumulate the Special Reserve Fund Deposit Amount in the Special Reserve Fund. In the event that the Projected Available Revenues are less than the applicable Debt Service Coverage Ratio Amount for three (3) consecutive Fiscal Years then, semiannually, not later than fifteen days

prior to the next occurring Principal Payment Date or Interest Payment Date, commencing in the calendar year following the third consecutive determination that the Projected Available Revenues are less than the applicable Debt Service Coverage Ratio Amount, after making the deposits to the Loan Payment Fund set forth herein, the City shall disburse, or authorize an automatic debit, from the Revenue Fund to the Special Reserve Fund of all remaining revenues in the Revenue Fund.

- ii. Release of Amounts in the Special Reserve Funds All amounts held in the Special Reserve Fund shall be used only to pay the principal of, and interest on the Loan Obligations when due in the event that there are insufficient Pledged Revenues on deposit in the Loan Payment Fund to make such payments. In the event that the actual Pledged Revenues received are greater than the Debt Service Coverage Ratio Amount for two (2) consecutive Fiscal Years (as set forth in the Annual Pledged Revenue Report) following the year in which the requirement to make deposits to the Special Reserve Fund is triggered, and the projected Pledged Revenues to be collected in the upcoming Fiscal Year plus any amounts held in the Revenue Fund are greater than or equal to the Debt Service Coverage Ratio Amount (as set forth in the Annual Pledged Revenue Report), then required deposits to the Special Reserve Fund shall cease and the amounts held in the Special Reserve Fund may be disbursed to the Revenue Fund upon direction from the City at any time; provided that upon such disbursement, such funds may be used as described in this Section 3.01 under "First" through "Third."
- iii. *Mandatory Prepayment* In the event that the Projected Available Revenues are less than the applicable Debt Service Coverage Ratio Amount for three (3) consecutive Fiscal Years, then on each Principal Payment Date following such determination, in addition to the applicable Scheduled Principal Amount, the City shall disburse, or authorize an automatic debit, of all amounts on deposit in the Special Reserve Fund (each a "Mandatory Prepayment Amount") to the Note holder to pay any accrued but unpaid interest, and to prepay the Outstanding Loan Amount until the Outstanding Loan Amount is paid in full. Each Mandatory Prepayment Amount shall be applied first to accrued but unpaid interest that is due and payable on such Principal Payment Date, and to the Outstanding Loan Amount. Neither the occurrence nor the continuance of the requirement for the City to pay the Mandatory Prepayment Amount shall constitute an Event of Default hereunder and such event shall not trigger imposition of the Default Rate.

Third: After making the semiannual deposits to the Loan Payment Fund set forth herein and any required deposits to the Special Reserve Fund, as set forth above, the remaining balance, if any, on deposit in the Revenue Fund shall remain in the Revenue Fund and be available to the City to use for any lawful purpose.

Section 3.02 Compliance with Depository Laws In performing the services required of the Lender under this Agreement, the Lender in possession of City funds shall comply with all

applicable laws, rules, and regulations, including, but not limited to, the Colorado Workers' Compensation Act, the "Public Deposit Protection Act" (C.R.S. Sections 11-10.5-101, et seq., as amended) and all federal and state banking and tax laws, to the extent they are binding on the Lender in its performance of the services under the Agreement ("Relevant Laws"). All certifications made in the Recitals to this Agreement are incorporated herein. In addition, the Lender shall, upon request by the City, within a reasonable time provide written verification of the Lender's compliance with Relevant Laws, except to the extent otherwise disclosed in the Lender's 10-K, 10-Q, or 8-K filings with the U.S. Securities Exchange Commission. Because the Lender will be acting as an independent contractor, other than actions taken by the Lender upon the explicit direction of the City, the City assumes no responsibility for the Lender's acts or failure to act.

Section 3.03 Investment of Funds The Revenue Fund, the Loan Payment Fund, and the Special Reserve Fund held by the Lender hereunder shall be invested in Permitted Investments at the direction of the City. If the Lender does not receive direction from the City, such funds will be held uninvested. All investment income earned on Revenue Fund shall be deposited into the Revenue Fund and used for the purposes set forth in Section 3.01. All investment income earned on Loan Fund shall be deposited into the Loan Fund and used for the purposes set forth in Section 3.01. All investment income earned on the Special Reserve Fund shall be deposited into the Special Reserve Fund if the Special Reserve Fund Deposit Amount is required to be accumulated, otherwise such income shall be transferred to the Revenue Fund and used for the purposes set forth in Section 3.01.

- (c) <u>Covenant to Perfect and Defend Security Interest</u> The City covenants to file such financing statements and other documents and to take all such other actions necessary or required to ensure that to the maximum extent possible the pledge, assignment and delivery of the Collateral hereunder will create a valid, perfected, security interest in all right, title or interest of the City in or to such Collateral, and the proceeds thereof, subject to no prior pledge, lien, mortgage, hypothecation, security interest, charge, option or encumbrance or to any agreement purporting to grant to any third party a security interest in the Collateral. The City covenants and

agrees that it will defend such right, title and security interest of the Lender in all right, title or interest of such Lender in and to the Collateral and the proceeds thereof against the claims and demands of all Persons whomsoever.

- (d) <u>Laws, Permits and Obligations</u> The City shall comply with all applicable laws, rules, regulations, orders and directions of any Governmental Authority and all agreements and obligations binding on the City, noncompliance with which would have a material adverse effect on the Collateral or its ability to perform its obligations under this Agreement or the other Financing Documents to which it is a party or which could affect the enforceability hereof or thereof, provided that the City may in good faith contest such laws, rules, regulations, orders and directions and the applicability thereof to the City.

The Lender acknowledges that the DDDA is a separate political subdivision of the State from the City, and the City shall cooperate with the Lender to greatest extent possible to accommodate the Lender's visitation and examination of the DDDA's books and financial records in accordance with this Section 5.01(h).

- (i) <u>Litigation Notice</u> The City shall, promptly after the City's obtaining knowledge thereof, notify the Lender in writing of any action, suit or proceeding at law or in equity by or before any governmental instrumentality or other agency which (i) has remained unresolved for a period of 30 days from the commencement thereof and involves claims for damages or relief in an amount which would be likely to have a material adverse effect on the Collateral, the existence of the DDDA, or the City's ability to perform its obligations under this Agreement or the other Financing Documents to which it is a party, or (ii) has resulted in a final judgment or judgments which would be likely to have such a material adverse effect.

- (k) <u>Further Assurances</u> The City shall execute and deliver to the Lender all such documents, consents and instruments and do all such other acts and things as may be reasonably necessary or required by the Lender in order to enable the Lender to determine whether the covenants, terms and provisions of this Agreement and the other Financing Documents have been complied with by the City and to enable the Lender to exercise and enforce its rights hereunder and under the other Financing Documents and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the Lender to validate, preserve and protect its position hereunder and under the other Financing Documents.
- (l) <u>Proper Books and Records</u> The City shall keep or cause to be kept adequate and proper records and books of accounts with respect to the Special Fund and the Pledged Revenue and any of the funds or accounts established in any of the Financing Documents and in its possession in which complete and correct entries shall be made. The City shall deposit or cause to be deposited all Pledged Revenue in the Special Fund and shall not commingle such Special Fund with any other funds and accounts of the City.
- (m) <u>Notice of Adverse Change</u> The City shall notify the Lender as soon as possible after the City acquires knowledge of the occurrence of (i) the filing of any action which leads to an initiative or referendum which would lead to the material diminution or reallocation of the Pledged Revenue or any portion thereof, (ii) the occurrence of any of the events described in Section 6.01(g) or (k) hereof, or (iii) any other event which, in the reasonable judgment of the City, is likely to have a material adverse effect on the City's ability to meet the Debt Service Coverage Ratio Amount or the existence of the DDDA or the City's ability to perform its obligations under this Agreement or the other Financing Documents to which it is a party.

- (n) <u>Restructuring</u> In the event the Pledged Revenue is insufficient or is anticipated to be insufficient to pay the principal of and interest on the Loan when due, the City shall, at the request of the Lender use its best efforts to refinance, refund, or otherwise restructure the Loan so as to avoid such a default and the Lender shall act in good faith in connection with such restructuring.
- (o) <u>Operation and Management</u> The City shall continue to operate in accordance with all applicable laws, rules, regulations, and intergovernmental agreements, and keep and maintain separate accounts of the receipts and expenses thereof in such manner that the Pledged Revenue may at all times be readily and accurately determined.

In addition, the City shall take no action under any of the Financing Documents inconsistent with the rights of the Lender under this Agreement.
- (b) No Adverse Amendment of the Amended and Restated Plan or the Plan Area The City shall not, without the prior written consent of the Lender amend, modify or terminate any provisions of the Amended and Restated Plan that could have the effect of excluding property from the Plan Area that would have a materially adverse effect on the Collateral. The Lender agrees and acknowledges that neither the inclusion of property into the Plan Area in accordance with the DDA Act and the Amended and Restated Plan nor the acquisition or disposition of property within the Plan Area by the DDDA or the City shall be considered to be a breach of this Section 5.02(b).

(c) <u>Investment Practices</u> The City shall not deviate from the investment policies of the City, its Charter, as in effect on the Closing Date and to the extent more restrictive than that in effect on the Closing Date, as it is in effect from time to time, with respect to the Special Fund or any other fund or account in its possession or control containing any of the Pledged Revenue.

- (b) In the case of additional Parity Lien Obligations issued for the purpose of refunding less than all of the Note or any Parity Lien Obligations then Outstanding, compliance with Section 5.03(ii) shall not be required so long as the Debt Service Requirements payable on the Note and all Parity Lien Obligations Outstanding after the issuance of such additional Parity Lien Obligations during each Fiscal Year does not exceed the Debt Service Requirements payable on the Note and all other Parity Lien Obligations Outstanding prior to the issuance of such additional Parity Lien Obligations in each Fiscal Year.
- (c) Nothing herein prevents the City from issuing additional securities payable from the Pledged Revenues and having a lien thereon, but only if such lien is subordinate, inferior and junior to the lien thereon of the Note.

ARTICLE VI EVENTS OF DEFAULT AND REMEDIES

- **Section 6.01 Events of Default** The occurrence of any one or more of the following events or the existence of any one or more of the following conditions shall constitute an Event of Default under this Agreement (whatever the reason for such event or condition and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, rule, regulation, or order of any court or any administrative or governmental body).
- (a) The City fails to pay the Scheduled Principal Amount or interest on the Loan when due:

- (b) The City fails to pay any other amount due and payable to the Lender hereunder;
- (c) Any financial information, statement, certificate, representation or warranty given to the Lender by or on behalf of the City in connection with entering into this Agreement, or the other Financing Documents or any borrowing thereunder, or required to be furnished under the terms thereof, shall prove untrue or misleading in any material respect (as determined by the Lender in the exercise of its reasonable judgment) as of the time when given or deemed to be given;
- (i) The City shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it or seeking to adjudicate it insolvent or a bankrupt or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other similar official for itself or for any substantial part of its property, or the City shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the City any case, proceeding or other action of a nature referred to in clause (i) and the same shall remain undismissed; or (iii) there shall be commenced against the City any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its property which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal, within 60 days from the entry thereof; or (iv) the City shall take action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) the City shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;
- (e) this Agreement or any other Financing Document to which the City is a party, or any material provision hereof or thereof, ceases to be valid and binding on the City, or is declared null and void, or the validity or enforceability thereof is contested by any such entity party to such agreement or any Governmental Authority having jurisdiction over any such entity (unless being contested by such entity in good faith), or the City denies it has any or further liability under such Financing Documents to which it is a party or any pledge or security interest created hereunder to secure any portion of the City's obligations hereunder fails to be fully enforceable with the priority required hereunder;
- (f) Any funds or investments on deposit in, or otherwise to the credit of, the funds and accounts established hereunder, shall become subject to any writ, judgment, warrant or attachment, execution or similar process;
- (g) The City shall take any action without the Lender's prior written consent which could have a material adverse effect on the existence of the DDDA or the City's ability to perform its respective obligations under this Agreement or the other Financing Documents to which it is a party;

- (h) Failure by the City to deposit the Pledged Revenue in the Special Fund or to transfer the Pledged Revenue to the Lender at the time and in the manner provided in this Agreement and the other Financing Documents;
- (i) The City shall, while the Loan Obligations are Outstanding, initiate, acquiesce or consent to any proceedings to dissolve DDDA or to consolidate it with other similar entities into a single entity, without the prior written consent of the Lender;
- (j) The City defaults in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Financing Documents on its part to be performed, and such default continues for sixty (60) days after written notice from the Lender specifying such default and requiring the same to be remedied is given to the City specifying the failure and requiring that it be remedied.

Section 6.02 Remedies on Occurrence of Event of Default.

- (a) Application of Pledged Revenue and Funds and Accounts If any Event of Default described in Section 6.01 hereof shall occur and be continuing, the Lender may (at its sole discretion), subject to the last sentence of this paragraph, apply all amounts on deposit in the funds and accounts hereunder to pay the principal of and interest on the Outstanding Loan Amount and any other amounts due hereunder, all without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by the City. The Lender shall promptly advise the City of such application, but failure to do so shall not impair the effect of such application. The Lender agrees not exercise its rights described in the first sentence of this paragraph for a period of 180 days from the date of the occurrence of an Event of Default under Section 6.01(c), (e), (f), (g), (h), (i) or (j) as long as no other Event of Default has occurred and is continuing hereunder.
- (b) <u>Default Rate</u> The Outstanding Loan Amount and all amounts due hereunder will accrue interest at a rate per annum equal to the Default Rate commencing from the date of the Default or as of any later date determined by the Lender in the notice provided by the Lender to the City until such time as the applicable Event of Default is resolved or cured to the satisfaction of the Lender or waived by the Lender.
- (c) Other Remedies In addition, the Lender may proceed against the City to protect and to enforce its rights hereunder by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as the Lender may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of the Lender, or to require the City to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of the Lender and any other Outstanding Parity Lien Obligations.

- (d) <u>Additional Rights</u> Upon the occurrence of an Event of Default, the Lender may take such steps as they deem necessary to protect or preserve the Lender's interests in the Pledged Revenue and the Collateral.
- **Section 6.03 Notices of Default** Notwithstanding any cure period described above, the City and the Lender will immediately notify the other party in writing when the City or the Lender obtains knowledge of the occurrence of any event or condition constituting a Default or an Event of Default.
- **Section 6.04 Delay or Omission No Waiver** No delay or omission of the Lender to exercise any right or power accruing upon any default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein; and every power and remedy given by this Agreement may be exercised from time to time and as often as may be deemed expedient.
- **Section 6.05** Waivers of Events of Default The effect as an Event of Default of any event described in Section 6.01 may only be waived by the written concurrence of the Lender. - **Section 6.06** All Remedies Cumulative All rights and remedies of the Lender provided herein shall be cumulative and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

ARTICLE VII [RESERVED]

ARTICLE VIII ASSIGNMENTS, PARTICIPATIONS

Section 8.01 Assignments

assignee is referred to herein as an "Assignee") all or any portion of the Loan Amount, together with the Lender's rights and obligations under this Agreement, without consent, but with notice to the City; provided that the Assignee shall be required to deliver to the City a letter substantially in the form of Exhibit E hereto (the "Lender Letter"). City shall be entitled to continue to deal solely and directly with the Lender as its primary contact in connection with the interests so assigned to an Assignee. To effectuate an assignment, the Lender shall have received and accepted an effective assignment agreement (the "Assignment Agreement") executed, delivered and fully completed by the applicable parties thereto and the Lender Letter. Any attempted assignment not made in accordance with this Section 8.01 shall be treated as the sale of a participation under Section 8.02. The Lender agrees to, solely as an agent for the City, keep copies of each Assignment Agreement and to maintain a register to reflect the transfer and ownership of any assignment,

including the name and address of each Assignee and the amount of such Assignee's ownership, such interest shall only be transferable upon recordation in the register, such register shall be available for inspection by the City at any reasonable time upon notice by the City. The entries in such register shall be conclusive, and the City and the Lender may treat each Person whose name is recorded therein pursuant to the terms hereof as the Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

- (b) From and after the date on which the conditions described above have been met such Assignee shall be deemed automatically to have become a party hereto and, to the extent that rights and obligations hereunder have been assigned to such Assignee, shall have the rights and obligations of the Lender hereunder. Any Assignee agrees by acceptance of such assignment to be bound by all the terms and provisions of this Agreement.
- (c) Notwithstanding the foregoing provisions of this Section 8.01 or any other provision of this Agreement, the Lender may at any time assign all or any portion of the Note as collateral security to a Federal Reserve Bank, Federal Home Loan Bank or, as applicable, to such Lender's trustee for the benefit of its investors (but no such assignment shall release the Lender from any of its obligations hereunder).
- (d) Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the Note shall be conclusive and binding on any subsequent holder or Assignee of the Note.

Section 8.02 Participations The Lender may at any time, without the consent of the City, sell to one or more Persons participating interests in the Loan Amount or other interests hereunder (any such Person, a "Participant"). In the event of a sale by the Lender of a participating interest to a Participant, (a) the Lender's obligations hereunder shall remain unchanged for all purposes, (b) the City shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations hereunder, (c) all amounts payable by the City shall be determined as if the Lender had not sold such participation and shall be paid directly to the Lender and (d) the participation of one or more Participants shall not reduce or alter the Lender's obligations under this Agreement or affect in any way the rights or obligations of the City hereunder or under the Note. The Lender agrees to, solely as an agent for the City, maintain a register to reflect the transfer and ownership of any participation, including the name and address of each Participant and the amount of such Participant's participation, such participation shall only be transferable upon recordation in the register, such register shall be available for inspection by the City at any reasonable time upon notice by the City.

Section 8.03 Dissemination of Information The City authorizes the Lender to disclose to any participant or Assignee or any other Person acquiring an interest in the Loan and this Agreement by operation of law (each a "**Transferee**") and any prospective Transferee any and all information in such Lender's possession concerning the City, the DDDA, and the Collateral.

ARTICLE IX MISCELLANEOUS

Section 9.01 Waiver; Amendments No delay on the part of the Lender in the exercise of any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by any of them of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy. No amendment, modification or waiver (except for a waiver of a Default or an Event of Default) of, or consent with respect to, any provision of this Agreement, the Note or any of the other Financing Documents shall in any event be effective unless the same shall be in writing and approved by the Lender and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 9.02 Loan Agreement and Relationship to Other Documents The representations, covenants and other obligations of the City (and the rights and remedies of the Lender) that are outlined in this Agreement and the other Financing Documents are intended to supplement each other. Further, the terms of this Agreement shall supersede the terms of any term sheet or commitment between the parties which predates this Agreement.

Section 9.03 Actions Relating to the Financing Documents

- (a) <u>Related Actions</u> Any action taken or omitted by the Lender under or in connection with this Agreement or the Financing Documents, if taken or omitted in good faith and without willful misconduct or negligence, shall be binding upon the City and shall not put the Lender under any resulting liability to the City.
- No Liability The relationship between the City and the Lender shall be (b) solely that of borrower and lender. The Lender shall not have any fiduciary responsibilities to the City. The Lender shall not have any liability to the City, and the City assume all risk and responsibility for (i) the form, sufficiency, correctness, validity, genuineness, falsification and legal effect of any demands and other documents, instruments and other papers relating to this Agreement or any Financing Document even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged (unless such is the result of willful misconduct by the Lender), (ii) the general and particular conditions stipulated therein, (iii) the good faith acts of any Person whosoever in connection therewith, (iv) failure of any Person (other than the Lender, subject to the terms and conditions hereof) to comply with the terms of this Agreement or any Financing Document, (v) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telex, telegraph, wireless or otherwise, whether or not they be in code, (vi) errors in translation or errors in interpretation of technical terms, or (vii) for any other consequences arising from causes beyond the Lender' control. The Lender shall not have any liability with respect to, and the City hereby waives, releases and agrees not to sue for, any special, indirect, consequential or punitive damages suffered by the City in connection with, arising out of, or in any way related to the Financing Documents or the transactions contemplated thereby.
- (c) <u>Waivers, Etc.</u> To the full extent permitted by law: (i) the City hereby waives (A) presentment, demand, notice of demand, protest, notice of protest, notice of dishonor and notice of non-payment; (B) to the extent the Lender is not in default hereunder, the right, if any, to

the benefit of, or to direct application of, any security hypothecated to the Lender until all obligations of the City to the Lender hereunder, howsoever arising, shall have been paid; (C) the right to require the Lender to proceed against the City hereunder, or against any Person under any guaranty or similar arrangement, or under any agreement between the Lender and any Person or to pursue any other remedy in the Lender's power; and (D) any defense arising out of the election by the Lender to foreclose on any security by one or more nonjudicial or judicial sales; (ii) the Lender may exercise any other right or remedy, even though any such election operates to impair or extinguish the City's right to repayment from, or any other right or remedy it may have against, any Person, or any security; and (iii) the City agrees that the Lender may proceed against the City or any Person directly and independently of any other, and that any forbearance, change of rate of interest, or acceptance, release or substitution of any security, guaranty, or loan or change of any term or condition thereunder or hereunder or any Financing Document (other than by mutual agreement between the City and the Lender) shall not in any way affect the liability of the City hereunder.

Section 9.04 Notice of Claims Against Lender In order to allow the Lender to mitigate any damages to the City from the Lender' alleged breach of their duties under this Agreement or any other duty, if any, to the City, the City agrees to give the Lender written notice no later than 20 days after the City knows of any claim or defense it has against the Lender, whether in tort or contract, relating to any action or inaction by the Lender under this Agreement, or the transactions related thereto, or of any defense to payment of the Loan Obligations for any reason. The requirement of providing timely notice to the Lender represents the parties' agreed-to standard of performance regarding the duty of the Lender to mitigate damages related to claims against the Lender. Failure by the City to give notice to the Lender shall not waive any claims of the City but such failure shall relieve the Lender of any duty to mitigate damages prior to receiving notice.

Section 9.05 Notices All notices hereunder shall be in writing (including facsimile transmission and electronic mail transmission) and shall be sent to the applicable party at its address shown on **Exhibit D** or at such other address as such party may, by written notice received by the other parties, have designated as its address for such purpose. Notices sent by facsimile transmission or electronic mail transmission shall be deemed to have been given when sent; notices sent by mail shall be deemed to have been given three (3) Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service shall be deemed to have been given when received.

Section 9.06 Applicable Law and Jurisdiction; Interpretation; Severability This Agreement will be governed by and interpreted in accordance with the internal laws of the State of Colorado, except to the extent superseded by Federal law. Invalidity of any provisions of this Agreement will not affect any other provision. THE PARTIES HEREBY CONSENT TO THE EXCLUSIVE JURISDICTION OF ANY STATE COURT SITUATED IN DENVER, COLORADO, OR FEDERAL COURT SITUATED IN DENVER, COLORADO, AND WAIVE ANY OBJECTIONS BASED ON FORUM NON CONVENIENS, WITH REGARD TO ANY ACTIONS, CLAIMS, DISPUTES OR PROCEEDINGS RELATING TO THIS AGREEMENT, NOTE, THE PLEDGED REVENUE, OR ANY TRANSACTIONS ARISING THEREFROM, OR ENFORCEMENT AND/OR INTERPRETATION OF ANY OF THE FOREGOING. Nothing in this Agreement will affect the parties' rights to serve process in any manner permitted by law.

Section 9.07 Copies; Entire Agreement; Modification The City hereby acknowledges the receipt of a copy of this Agreement and all other Financing Documents.

IMPORTANT: READ BEFORE SIGNING. THE TERMS OF THIS AGREEMENT SHOULD BE READ CAREFULLY BECAUSE ONLY THOSE TERMS IN WRITING, EXPRESSING CONSIDERATION AND SIGNED BY THE PARTIES ARE ENFORCEABLE. NO OTHER TERMS OR PROMISES NOT CONTAINED IN THIS WRITTEN CONTRACT MAY BE LEGALLY ENFORCED. THE TERMS OF THIS AGREEMENT MAY ONLY BE CHANGED BY ANOTHER WRITTEN AGREEMENT. THIS NOTICE SHALL ALSO BE EFFECTIVE WITH RESPECT TO ALL OTHER CREDIT AGREEMENTS NOW IN EFFECT BETWEEN THE CITY AND THE LENDER. A MODIFICATION OF ANY OTHER CREDIT AGREEMENT NOW IN EFFECT BETWEEN THE CITY AND THE LENDER, WHICH OCCURS AFTER RECEIPT BY THE CITY OF THIS NOTICE, MAY BE MADE ONLY BY ANOTHER WRITTEN INSTRUMENT. ORAL OR IMPLIED MODIFICATIONS TO ANY SUCH CREDIT AGREEMENT ARE NOT ENFORCEABLE AND SHOULD NOT BE RELIED UPON.

Section 9.08 Attachments All documents attached hereto, including any appendices, schedules, riders, and exhibits to this Agreement, are hereby expressly incorporated by reference.

Section 9.09 No Recourse Against Officers and Agents Pursuant to Section 11-57-209 of the Supplemental Public Securities Act, if a member of the City Council, or any officer or agent of the City Council, acts in good faith in the performance of his duties as a member, officer, or agent of the City Council and in no other capacity, no civil recourse shall be available against such member, officer or agent for payment of the principal of and interest due under the Loan and the Note. Such recourse shall not be available either directly or indirectly through the City Council, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of the delivery of the Note evidencing obligations of the City hereunder and as a part of the consideration for such transfers, the Lender, and any person purchasing or accepting the transfer of the obligations hereunder and obligations representing the Note specifically waives any such recourse.

Section 9.10 Conclusive Recital Pursuant to Section 11-57-210 of the Supplemental Act, this Agreement is entered into and the Note is issued pursuant to certain provisions of the Supplemental Act. Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Note and this Agreement.

Section 9.11 Limitation of Actions Pursuant to Section 11-57-212 of the Supplemental Act, no legal or equitable action brought with respect to any legislative acts or proceedings in connection with the authorization or issuance of the Note or this Agreement shall be commenced more than 30 days after the authorization of the Note and this Agreement.

Section 9.12 No Third Party Beneficiaries There are no third party beneficiaries under this Agreement.

Section 9.13 PATRIOT Act The Lender is subject to the PATRIOT Act and hereby notifies the City that pursuant to the requirements of the PATRIOT Act, it is required to obtain,

verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow the Lender to identify the City in accordance with the PATRIOT Act. The City hereby agrees that it shall promptly provide such information upon request by the Lender.

Section 9.14 Termination This Agreement shall terminate at such time as no amounts are due and owing to the Lender under this Agreement or the Note or under any of the other Financing Documents.

Section 9.15 Waiver of Suretyship Rights The City and the Lender intend that the obligations of the City under this Agreement and the Note constitute direct obligations of the City, payable solely from the Pledged Revenues and the Collateral, and not obligations in the nature of a guaranty or a surety. Nevertheless, should it ever be deemed that the City's obligations hereunder or under the Note are in the nature of a guarantor or surety, then the City expressly waives any and all benefits under applicable suretyship or similar laws now or hereafter in effect.

Section 9.16 No Advisory or Fiduciary Relationship In connection with any aspect of the transactions contemplated by this Agreement (including in connection with any amendment, waiver or other modification hereof or of any Financing Document), the City acknowledges and agrees that (i) the transactions contemplated hereby are arm's-length commercial transactions among the City and the Lender, (ii) the Lender is and has been acting solely as a principal and has not been, is not, and will not be acting as an advisor, agent or a fiduciary for the City or any other Person, (iii) the Lender has not assumed a fiduciary responsibility in favor of the City or any other Person with respect to the Loan, the Note or the process leading to the parties' entering into this Agreement and that the Lender does not have any other obligation to the City except the obligations expressly set forth in this Agreement, (iv) the Lender has not provided advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, and other similar matters concerning such financial products or issues; or undertaken a solicitation of a municipal entity, within the meaning of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and (v) the City has consulted with its own legal and financial advisors to the extent it deemed appropriate in connection with the transactions contemplated herein.

Securities Rulemaking Board (the "MSRB") or filed electronically via its EMMA system, the Lender shall provide to the City versions of this Agreement and the other Financing Documents that have been redacted for delivery to the MSRB or filed on EMMA. The City shall only provide such redacted versions from the Lender to any broker-dealer that requests such documents for purposes of delivery to the MSRB. If the City provides such documents directly to the MSRB for dissemination rule, the City shall only provide such redacted copies from the Lender to the MSRB.

Section 9.18 Document Imaging The Lender shall be entitled, in its sole discretion, to image all or any selection of this Agreement or the Financing Documents, other instruments, documents, items and records governing, arising from or relating to the transactions contemplated hereby, and may destroy or archive the paper originals. The City hereby waives any right to insist that the Lender produce paper originals; agrees that such images shall be accorded the same force and effect as the paper originals; and further agrees that the Lender is entitled to use such images

in lieu of destroyed or archived originals for any purpose, including as admissible evidence in any demand, presentment or proceedings.

Section 9.19 Binding Effect This Agreement shall be binding upon, and inure to the benefit of, the City, the Lender and their respective successors and assigns; provided, however, that the City may not assign its rights or obligations hereunder without the prior written consent of the Lender.

Section 9.20 Confidentiality The Lender acknowledges and accepts that, in performance of all work under the terms of this Agreement, the Lender may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. The Lender agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to Lender shall be held in confidence and used only in the performance of its obligations under this Agreement. The Lender shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent consultant would to protect its own proprietary or confidential data. "Proprietary Data" shall mean any materials or information which may be designated or marked "Proprietary" or "Confidential", or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act, (C.R.S. Sections 24-72-201, et seq., as amended) or City ordinance and provided or made available to the Lender by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

FORM OF LENDER LETTER

CITY AND COUNTY OF DENVER

(Acting by and on Behalf of its Denver Downtown Development Authority)

Taxable Tax Increment Revenue Note, Series 2025

PNC BANK, NATIONAL ASSOCIATION (the "Lender") has agreed to make the above-referenced loan (the "Loan") pursuant to the Loan Agreement dated [CLOSING DATE], 2025 (the "Loan Agreement"), between the City and County of Denver (Acting by and on Behalf of its Denver Downtown Development Authority) (the "City") and the Lender, as it may be amended or supplemented from time to time, as evidenced by the above-referenced Note (the "Note") in the principal amount of \$160,000,000 (the "Loan Amount"), payable by the City pursuant to the terms of the Loan Agreement (the City's repayment obligations under the Note and the Loan Agreement are, collectively, the "Obligations"). All capitalized terms used herein, but not defined herein, shall have the respective meanings set forth in the Loan Agreement. The undersigned, an authorized representative of the Lender, hereby represents to you that:

- 1. The Lender has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal obligations, to be able to evaluate the risks and merits represented by the Obligations.
- 2. The Lender has authority to make the Loan in the amount of the Loan Amount and to execute this letter and any other instruments and documents required to be executed by the Lender in connection with the Obligations.
- 3. The Lender understands that no official statement, prospectus, offering circular, or other comprehensive offering statement has been provided with respect to the Obligations. The Lender has made its own inquiries and analysis with respect to the Obligations and the security therefor, and other material factors affecting the security for and payment of the Obligations.
- 4. The Lender acknowledges that it has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Obligations and the security therefor, so that it has been able to make an informed decision to make the Loan in the amount of the Loan Amount; provided, however, that this letter shall not constitute a waiver of any rights or remedies the Lender may have with respect to any untrue information it may have received or any material information which was withheld from its review.
- 5. The Lender understands that the Obligations: (i) are not registered under the 1933 Act and are not registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state; (ii) are not listed on any stock or other securities exchange; and (iii) have not been rated by any credit rating agency.
- 6. The Obligations are being acquired by the Lender for its own account and not with a present view toward resale or distribution; provided, however, that the Lender reserves the right

EXHIBIT F

YIELD MAINTENANCE FEE

Yield Maintenance Fee Calculation The City shall pay to the Lender on written demand therefor, together with the written evidence of the justification therefor, all direct costs incurred, losses suffered or payments made by Lender by reason of any Change in Law or regulation or its interpretation imposing any reserve, deposit, allocation of capital, or similar requirement (including without limitation, Regulation D of the Board of Governors of the Federal Reserve System) on the Lender, its holding company or any of their respective assets. Notwithstanding anything contained herein to the contrary, upon any prepayment by or on behalf of the City (whether voluntary, on default or otherwise), the Lender may require, if it so elects, the City to pay the Lender as compensation for the cost of being prepared to advance fixed rate funds hereunder an amount equal to the Cost of Prepayment. "Change in Law" means the adoption of or change in, after the Closing Date, (i) any law, governmental or quasi-governmental rule, regulation, policy, guideline, interpretation, or directive (whether or not having the force of law) or in the interpretation, promulgation, implementation or administration thereof by any Governmental or quasi-Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, including all requests, rules, guidelines or directives (x) in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd Frank Act") or (y) promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States financial regulatory authorities, in each case of clauses (x) and (y), (it being understood by the parties that the Dodd Frank Act itself was enacted prior to the Closing Date but that will not invalidate any claim made by the Lender as a result of anything promulgated with respect thereto after the Closing Date), or (ii) compliance by the Lender with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency. "Cost of Prepayment" means an amount equal to the present value, if positive, of the product of (a) the difference between (i) the yield, on the beginning date of the applicable interest period, of a U.S. Treasury obligation with a maturity similar to the applicable interest period minus (ii) the yield on the prepayment date, of a U.S. Treasury obligation with a maturity similar to the remaining maturity of the applicable interest period, and (b) the principal amount to be prepaid, and (c) the number of years, including fractional years, from the prepayment date to the end of the applicable interest period. The yield on any U.S. Treasury obligation shall be determined by reference to Federal Reserve Statistical Release H.15(519) "Selected Interest Rates". For purposes of making present value calculations, the yield to maturity of a similar maturity U.S. Treasury obligation on the prepayment date shall be deemed the discount rate. The Cost of Prepayment shall also apply to any payments made as Mandatory Prepayment Amounts on the Note while a Fixed Rate is in effect.

Maximum Cost of Prepayment Notwithstanding anything herein to the contrary, the maximum Cost of Prepayment that the City is authorized to pay with respect to the Loan Obligations is the 3% of the Principal Amount so redeemed (the "Maximum Cost of Prepayment"). If the Cost of Prepayment due upon Optional Prepayment would exceed the Maximum Cost of Prepayment, then the City is not authorized to make such Optional Prepayment.
