After Borrower's receipt of the written notice, Borrower or a person on behalf of Borrower shall have ten (10) calendar days to cure any monetary default and thirty (30) calendar days to cure any nonmonetary default (collectively, the "Cure Period"). If a nonmonetary default is not a type which can be cured within the Cure Period, the Executive Director of HOST, at their reasonable discretion, may extend the cure period if the Borrower provides the City with a reasonably detailed written plan of how the Borrower will cure the nonmonetary default and the Borrower, at all times within such additional time period, actively and diligently pursues such plan. For purposes of this Agreement, the term "monetary default" means a failure by Borrower to make any payment required of it pursuant to the applicable Promissory Note or any other Loan document, and the term "nonmonetary default" means a failure by Borrower or any other person to perform any obligation contained in the Agreement, Covenant, Deed of Trust, or Promissory Note, other than the obligation to make payments provided for in the Promissory note or Loan documents.

C. Acceleration; Interest Upon Default; and Withholding Disbursements. Upon the existence of a default and the failure to cure within the Cure Period, and without necessity of further notice, presentment, demand, protest, or notice of protest of any kind, all of which are expressly waived by the Borrower, the City shall have the right to accelerate any outstanding obligations of the Borrower, which shall be immediately due and payable, including payments under the Promissory Note, to foreclose upon the Property, and to enforce or assign its rights under the Deed of Trust. Borrower agrees to pay a late charge of five percent (5%) of any installment not received on or before the day the installment is due. Upon default and if the default remains after the Cure Period, the principal shall draw interest at the rate of fifteen percent (15%) per annum. If any

of the Loan funds have not been disbursed to Borrower, the City may suspend or terminate the Agreement, in whole or in part, and withhold one hundred percent (100%) of any undisbursed funds.

D. Effect of Default on Eligibility for Further Funding. If Borrower is in default, the City may declare the Borrower ineligible for any further participation in City funding, in addition to other remedies as provided by law.

38. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this Agreement, the Borrower may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. EXHIBIT C
(Affirmative Marketing)

City and County of Denver
Affirmative Marketing Program

The City and County of Denver is committed to the goal of adequate housing for all its citizens and to affirmatively furthering fair housing opportunities. The City has developed written material explaining the City's Housing Programs for dissemination and will inform the public, owners, and potential tenants about Federal fair housing laws. These materials will display the "equal housing opportunity" slogan and logo. The City will also publicize its Housing programs through press releases, solicitations to property owners and written communications to fair housing groups and local lenders. The City will display the "equal housing opportunity" slogan on all such communications.

All contracts, grant agreements and/or loan agreements between the City or its agents and property owners executed in connection with the Housing Programs will:

- (1) prohibit discrimination in the rental of housing rehabilitated through the City's Housing programs on the basis of race, color, religion, sex, national origin, age, handicap, or household composition;
- (2) require compliance with all applicable fair housing and equal opportunity laws, and
- (3) include a copy of our Affirmative Marketing Program and require compliance with all procedures contained herein for the period of affordability of the term of the loan, whichever is greater.

In the City's Housing Loan Program, the objective of the Affirmative Marketing Program and a project's Affirmative Marketing Plan will be to increase the racial/ethnic diversity of the project's tenant population so that the tenant population is not made up exclusively of persons of one race/ethnicity.

In order to accomplish this, owners will be required to adopt a plan that will inform and solicit applications from persons in the housing market who are least likely to apply for the housing without special outreach. In general, persons who are not of the race/ethnicity of the majority of the residents of the neighborhood in which the property is located will be considered as persons least likely to apply.

The City will work with the project owner to identify which racial/ethnic groups in the population are least likely to apply for housing in each project without special outreach. The City will assist the owner in developing a project specific Affirmative Marketing Plan which includes special outreach efforts and the City will approve the Plan. The property manager or rental agent will be required to maintain records enabling the City to assess the results of the owner's actions to affirmatively market units. These records will include rental applications, all vacancy notices, and rental receipts. The City or its agent will review the owner's records and these records must be made available to

the City. Additionally, the City will require the owner to submit annual tenant reports that will include tenant characteristics including race/ethnicity. The project's Plan will identify specific actions the owner must take when becoming aware of an impending vacancy. In some cases the owner will also be required to advertise the vacancy in a general circulation newspaper.

Owners who rent exclusively to one segment of the population to the exclusion of applicants from other segments will be notified of potential noncompliance. The City will provide technical assistance to the owners in expanding outreach efforts. If necessary, specific corrective actions will be required.

Owners who discriminate or who fail to comply with the requirements of this Affirmative Marketing Program may be found in breach of contract or in default on their grant or loan agreement, and the City may take action to recover all funds made available to the owner by the City plus applicable penalties.

The City has adopted a policy to aggressively encourage landlords to rehabilitate units that are accessible to persons with physical disabilities.
