Contract Description

● DENVER

- Provide Fire Alarm parts and services for the Fire Alarm Replacement project and for long term maintenance once warranties have expired.
- Benefit:
 - Provides GSA pricing structure for Fire Alarm parts and services for the maintenance period when warranties have expired.
 - Provides DIA with fair, stable and predictable pricing.
 - Ensures availability of Fire Alarm parts and services through the maintenance period.
- SIMPLEXGRINNELL LP – Fire Alarm Vendor Selected

2

Selection Process

● DENVER

- An RFP selection process was used and 4 proposals were received. SimplexGrinnell was selected as best value.
- The selection panel consisted of DIA Staff, a Consultant from Hughes Associates and Denver Fire Department's Senior Engineer.
- The following Scoring System was used for selection
 - Experience/past performance 400pts
 - Key Personnel 100pts
 - Quality Control Plans 200pts
 - Schedule of markups & rates 400pts

Contract Terms and Amount

DENVER

- The term of this contract is three years, with two extensions of an additional two years each.
- The maximum contract liability is \$7,000,000
- We are requesting City Council approve the subject contract so DIA will have access to parts and technical service support for operations and maintenance of the Fire Alarm system.
