

Amendment to Council Bill 25-1556 concerning collective bargaining for city employees

Councilmember Lewis

December 11, 2025

Councilmembers,

I move to amend **CB25-1556** as follows:

1. On page 1, line 13, insert the following:

Section 1. That Sec. 2-271 of the Revised Municipal Code shall be amended by adding the language underlined, to read as follows:

Sec. 2-271. - Confidentiality of home addresses and home telephone numbers of city officers, officials and employees—Policy.

(a) It is the policy of the city to protect the home addresses and home telephone numbers of city officers, officials and employees so that they may perform their duties without fear of reprisal, retribution or intimidation. To this end, it is hereby declared that it would do substantial injury to the public interest to disclose the home addresses and home telephone numbers of any city officer, official or employee without their prior written consent.

(b) Notwithstanding the above, employee information shall be provided to an employee organization or bargaining agent as provided in Sec. 18-854(d), unless an employee directs the City to not release all or some of the information.

2. Renumber subsequent sections accordingly.

3. On page 5, line 23, strike "may be provided if the employee provides written consent to the release of that information" and replace with "shall be provided unless an employee requests the information not be released pursuant to Sec. 2-271(b)."

PURPOSE OF THE AMENDMENT

The amendment requires personal city employee information be released to an employee organization or bargaining agent unless the employee asks it be withheld.

If the amendment passes it will not require a delay in publication
