9 **For an ordinance adopting a new Article XIII in Chapter 20, Denver Revised  
10 Municipal Code to authorize the creation of tourism improvement districts**

11  
12  
13 **BE IT ENACTED BY THE CITY COUNCIL OF THE CITY AND COUNTY OF DENVER:**

14  
15  
16 **Section 1.** That a new Article XIII shall be added to Chapter 20, D.R.M.C., to read as  
17 follows:

18  
19  
20 **Article XIII. TOURISM IMPROVEMENT DISTRICTS**

21  
22 **Sec. 20-401 Council findings.**

23 It is the policy of the City that districts be organized under this Article XIII to provide improved,  
24 enhanced, additional, or otherwise unavailable tourism-related facilities and services that are over-  
25 and-above the facilities and services that are regularly provided by the City. The City declares that the  
26 organization of tourism improvement districts within the City and County of Denver having the  
27 purposes and powers provided in this Article XIII will serve a public purpose, including but not limited  
28 to the City's interest in promoting economic development; will promote the health, safety, prosperity,  
29 security, and general welfare of the inhabitants and patrons thereof, the property owners therein, and  
30 all the people of the City; and will be of special benefit to the Lodging Businesses within the  
31 boundaries of any district created pursuant hereto. The Council has determined that the city is  
32 empowered to create tourism improvement districts under its plenary home rule authority over matters  
33 of local and municipal concern, as authorized by Article XX, Section 6 of the Colorado Constitution.  
34

35 **Sec. 20-402 General power to create tourism improvement districts.**

36 The City authorizes the organization of tourism improvement districts conferring special benefits  
37 upon Lodging Businesses within such districts and general benefits to the City and County at large  
38 under the provisions of this Article XIII in order to fund Tourism Improvements and Services.  
39

40 **Sec. 20-403 Legal status of tourism improvement districts.**

41 Any tourism improvement districts created under this Article XIII shall be deemed a body  
42 corporate and politic, and a "district" within the meaning of Art. X, Sec. 20(2)(b) of the Colorado

1 Constitution, a unit of local government distinct and separate from the city itself. As a legal entity  
2 created entirely through an exercise of the city's home rule authority, tourism improvement districts  
3 shall not be considered political subdivisions of the state. Although legally distinct from the city and  
4 not a department or agency of the city, tourism improvement districts may be considered a component  
5 unit of the city for purposes of budgeting, accounting, auditing, and financial reporting. However,  
6 multiple-fiscal year financial obligations of a tourism improvement district shall not be considered  
7 obligations of the City, notwithstanding reporting as a component unit. As more fully provided in this

9 administrative, financial, or legal services on behalf of the district.
