

AGREEMENT
PART I

THIS AGREEMENT (“Agreement”), in two parts, Part I and Part II, is made by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation organized pursuant to the Constitution of the State of Colorado (the “City”), and The Colorado Coalition for the Homeless, a Colorado nonprofit corporation (the “Contractor”), whose address is 2111 Champa Street, Denver, CO 80205.

WITNESSETH

WHEREAS, the City desires to provide funds to the tenant based rental assistance program to provide rental assistance and security deposit payments for eligible households; and

WHEREAS, the Contractor is ready, willing and able to provide such services;

NOW THEREFORE, in consideration of the premises, and the mutual covenants and obligations herein contained, and subject to the terms and conditions in Part II of this Agreement, the parties agree as follows:

1. SERVICES TO BE PROVIDED: The Contractor agrees to carry out the program services described in **Exhibit A** entitled “Scope of Services,” and **Exhibit B** entitled “Financial Administration,” and the budget contained therein, in a lawful, satisfactory and proper manner, and in accordance with written policies and procedures as may be prescribed by the U.S. Department of Housing and Urban Development (“HUD”) or the City. Exhibits A and B are attached hereto and incorporated herein by this reference as if fully set forth herein. Changes to the services described in Exhibit A may be approved in writing by the Director of the City’s Office of Economic Development (“OED”), or his or her designee, provided the changes do not (i) extend the term of this Agreement, (ii) increase the amount payable hereunder as identified in Section 3 below, or (iii) constitute a major modification of this Agreement under applicable federal law. In the event of any conflict between the terms and conditions contained in this document and those contained in Exhibits A and B, which cannot be resolved so as to give effect to both or all provisions, then the terms and conditions contained in this document shall be deemed to be controlling over those in Exhibits A and B.

2. TIME OF PERFORMANCE: This Agreement shall begin on February 1, 2019, and end on December 31, 2019, unless such time is extended by written agreement of the parties,

executed in the same manner as this Agreement. The term of this Agreement and the provisions herein shall automatically be extended to cover any additional time period which the Contractor remains in control of HOME Investment Partnerships Program (“HOME”) funds or other HOME assets, including program income.

3. COMPENSATION: The amount to be paid by the City to the Contractor shall not exceed Five Hundred and Sixty-Six Thousand Dollars (\$566,000). The obligation of the City for payments under this Agreement is limited to monies appropriated by the U.S. Congress and the City Council and paid into the City Treasury as an applicable cost under the “Home Investment Partnership Agreements” referred to below. Funds will be released to the Contractor in accordance with the budget and other requirements set forth in Exhibits A and B. The parties agree that (i) the City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years, and (ii) this Agreement is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

4. RECORDS AND REPORTS: Contractor will provide OED with records and reports as further detailed in Exhibits A and B.

5. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this Agreement, the Contractor agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability; and further agrees to insert the foregoing provision in all subcontracts hereunder.

6. EMPLOYMENT WITH FUNDS: In connection with the performance of work under this Agreement, the Contractor shall submit pertinent job availability information on each job or position created with the use of the funds provided hereunder to the City’s Office of Economic Development in the workforce job system, www.connectingcolorado.com or other system as may be required.

7. VIOLENCE AGAINST WOMEN ACT: Contractor is responsible for compliance with the Violence Against Women Reauthorization Act of 2013, including the protections for victim of domestic violence in HOME funded housing.

8. DEFENSE & INDEMNIFICATION:

A. Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

B. Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/ or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.

C. Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

9. CONTRACTOR’S INSURANCE:

A. GENERAL CONDITIONS: Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or

services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A-”VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

B. PROOF OF INSURANCE: Contractor shall provide a copy of this Agreement to its insurance agent or broker. Contractor may not commence services or work relating to the Agreement prior to placement of coverage. Contractor certifies that the certificate of insurance attached as **Exhibit C**, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City’s contract number be referenced on the Certificate. The City’s acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor’s breach of this Agreement or of any of the City’s rights or remedies

under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

C. ADDITIONAL INSURED: For Commercial General Liability and Auto Liability, Contractor and subcontractor's insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

D. WAIVER OF SUBROGATION: For all coverages, Contractor's insurer shall waive subrogation rights against the City.

E. SUBCONTRACTORS AND SUBCONSULTANTS: All subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. Contractor shall include all such subcontractors as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such subcontractors and subconsultants maintain the required coverages. Contractor agrees to provide proof of insurance for all such subcontractors and subconsultants upon request by the City.

F. WORKERS' COMPENSATION/EMPLOYER'S LIABILITY INSURANCE: Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

G. COMMERCIAL GENERAL LIABILITY: Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

H. BUSINESS AUTOMOBILE LIABILITY: Contractor shall maintain Business Automobile Liability with limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

I. ADDITIONAL PROVISIONS:

(1) For Commercial General Liability and Excess Liability, the policies must provide the following:

- (a) That this Agreement is an Insured Contract under the policy;
- (b) Defense costs are outside the limits of liability;
- (c) A severability of interests or separation of insureds provision (no insured vs. insured exclusion); and
- (d) A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City.

(2) For claims-made coverage:

- (a) The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.

(3) Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At their own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

10. REQUIRED BACKGROUND CHECKS: The Contractor shall cooperate and comply with the City's Office of Economic Development's "Background Checks Concerning Placement of Youth Participants Policy" for programs or services provided to youth under age 18.

11. AUDIT REQUIREMENTS: Non-profit organizations that expend \$750,000 or more in a year in federal awards shall have a single or program-specific audit conducted for that year in accordance with the provisions of 2 CFR Part 200, "Uniform Administrative

Requirements, Cost Principles, and Audit Requirements for Federal Awards” (the “OMB Omni Circular”) and applicable federal regulations.

12. EXAMINATION OF RECORDS: Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access and the right to examine any pertinent books, documents, papers and records of the Contractor, involving transactions related to the Agreement until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations.

13. COUNTERPARTS OF THE AGREEMENT: This Agreement may be executed in counterparts, each of which shall be deemed to be an original of this Agreement, and all of which taken together shall constitute one and the same instrument.

14. ASSIGNMENT AND SUBCONTRACTING: The City shall not be obligated or liable under this Agreement to any party other than the Contractor named herein. The Contractor understands and agrees that it shall not assign or subcontract with respect to any of its rights, benefits, obligations or duties under this Agreement except upon prior written consent and approval of the City to such assignment or subcontracting; and, in the event any such assignment or subcontracting shall occur, such action shall not be construed to create any contractual relationship between the City and such assignee or subcontractor, and the Contractor herein named shall in any and all events be and remain responsible to the City according to the terms of this Agreement.

15. NO THIRD PARTY BENEFICIARY: It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the City and the Contractor, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other or third person on such Agreements. It is the express intention of the City and the Contractor that any person other than the City or the Contractor receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

16. CONFLICT OF INTEREST: The parties agree that no employee of the City shall have any personal or beneficial interest whatsoever in the services or property described herein and the Contractor further agrees not to hire or contract for services any employee or officer of the City which would be in violation of the Revised Municipal Code Chapter 2, Article

IV, Code of Ethics, or Denver City Charter provisions 1.2.9 and 1.2.12. This Agreement is further subject to the federal conflict of interest requirements set forth in Part II.

17. STATUS OF CONTRACTOR: It is understood and agreed that the status of the Contractor shall be that of an independent contractor and of a person retained on a contractual basis to perform professional or technical services for limited periods of time as described in Section 9.1.1(E) of the Charter of the City and it is not intended, nor shall it be construed, that the Contractor or its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code or for any purpose whatsoever.

18. CONDITIONS:

A. This Agreement is subject to and incorporates herein the provisions attached hereto as Part II, General Conditions and all other attachments.

B. This Agreement is also subject to the Home Investment Partnerships Act, 42 U.S.C. 12701 *et seq.*, as amended, and regulations issued by HUD at 24 C.F.R. Part 92, as amended, and the Home Investment Partnerships Agreements entered into by and between the City and HUD. Additionally, this Agreement is subject to the City's Charter and all applicable City ordinances, as the same may be amended from time to time.

19. LEGAL AUTHORITY:

A. Contractor assures and guarantees that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement.

B. The person or persons signing and executing this Agreement on behalf of Contractor, do hereby warrant and guarantee that he/she or they have been fully authorized by Contractor to execute this Agreement on behalf of Contractor and to validly and legally bind Contractor to all the terms, performances and provisions herein set forth.

C. The City shall have the right, at its option to either temporarily suspend or permanently terminate this Agreement, if there is a dispute as to the legal authority of either Contractor or the person signing the Agreement to enter into this Agreement. The City shall not be obligated to Contractor for any performance of the provisions of this Agreement in the event that the City has suspended or terminated this Agreement as provided in this Section.

20. TERMINATION: This Agreement may be terminated as provided in Part II.

21. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION:

A. The Contractor represents and warrants that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency.

B. The Contractor will not enter into any lower tier transaction with a person who is debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in a covered transaction unless authorized by the federal agency from which the transaction originated.

C. The Contractor shall include the certification contained in subparagraph A of this Section in any and all subcontracts hereunder and shall require any subcontractors or sub-consultants to comply with any and all applicable federal laws, rules and regulations, policies and procedures or guidance concerning the federal debarment, suspension, and exclusion program.

D. The Contractor will immediately notify OED in writing if at any time it learns that it failed to disclose that it or any of its principals were excluded at the time the parties executed this Agreement, or if due to changed circumstances the Contractor or any of its principals have subsequently been excluded by a federal agency.

E. The representation made in subparagraph A of this section is a material representation of fact upon which reliance was placed when this transaction was entered into.

22. PUBLICATIONS/ANNOUNCEMENTS: Contractors using radio or television announcements, newspaper advertisements, press releases, pamphlets, mail campaigns, or any other marketing methods funded by OED or publicizing activities funded by OED shall first receive approval from OED. In any event, all such publicizing activities must include the following statement: “The funding source for this activity is the City and County of Denver, Office of Economic Development.”

23. CONTRACT MONITORING: The Contractor shall be subject to various monitoring and evaluation requirements to assure compliance with applicable federal requirements and that performance goals are being achieved. The Contractor’s performance may be reviewed monthly, or more often, by the appropriate operational unit at OED which has

program management responsibility. All records required to perform such monitoring shall be made available to the authorized OED staff by the Contractor. All reports submitted by the Contractor shall be utilized as part of the evaluation of Contractor's performance hereunder. All reviews shall be conducted in accordance with internal OED procedures. Procedures will be available to the Contractor prior to any review. The Contractor is further subject to a final program audit. The City Auditor reserves the right to select the audit firm. The Contractor shall provide all requested records to the auditing personnel. The Audit Guide will be the basis of the performance of the audit. The Contractor agrees to abide by the administrative procedures of OED regarding the resolution of audit exceptions.

24. ENFORCEMENT: If the Contractor materially fails to comply with the terms of this Agreement, or the terms any other agreement between the City and Contractor, the City may take one or more of the following actions:

A. Temporarily withhold cash payments pending correction of the deficiency by the Contractor or more severe enforcement action.

B. Disallow (that is deny use of funds) all or part of the cost of the activity or actions not in compliance.

C. Wholly or partially suspend or terminate the current award for the Contractor's program.

D. Pursue any other remedies that may be legally available.

E. The City may also suspend or terminate this Contract, in whole or in part, if Contractor materially fails to comply with any term of this Contract, including if Contractor becomes delinquent to the City on any loan, contractual, or tax obligation as due, or with any rule, regulations, or provisions referred to herein; and the City may declare the Contractor ineligible for any further participation in City funding, in addition to other remedies as provided by law. In the event there is probable cause to believe the Contractor is non-compliant with any applicable rules, laws, regulations, or Contract terms or City loan obligation, and only after the City provides a 30 day notice to cure that remains uncured by Contractor, the City may withhold up to one hundred (100) percent of said Contract funds until such time as the Contractor is found to be in compliance by the City or is otherwise adjudicated to be in compliance, or to exercise the City's rights under any security interest arising hereunder.

25. NO EMPLOYMENT OF ILLEGAL ALIENS TO PERFORM WORK

UNDER THE AGREEMENT:

A. This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the “Certification Ordinance”).

B. The Contractor certifies that:

(1) At the time of its execution of this Agreement, it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement.

(2) It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

C. The Contractor also agrees and represents that:

(1) It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(2) It shall not enter into a contract with a subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(3) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

(4) It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and that otherwise requires the Contractor to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subcontractor and the City within three (3) days. The Contractor will also then terminate such subcontractor if within three (3) days after such notice the subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the

subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

(6) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S, or the City Auditor, under authority of D.R.M.C. 20-90.3.

D. The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

26. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS: The Contractor shall cooperate and comply with the provisions of Executive Order 94 concerning the use, possession or sale of alcohol or drugs. Violation of this provision can result in the City terminating the Agreement or barring the Contractor from City facilities or from participating in City operations. The Contractor shall cooperate and comply with the provisions of 2 CFR Part 182 regarding a Drug-Free Workplace.

27. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS: Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

28. NOTICES: All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or

mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

Executive Director of the Office of Economic Development or Designee
City and County of Denver
201 West Colfax Avenue, Dept. 204
Denver, Colorado 80202

With a copy of any such notice to:

Denver City Attorney's Office
1437 Bannock St., Room 353
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

29. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

30. INUREMENT: The rights and obligations of the parties to the Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

31. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

32. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or

unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

33. DISPUTES: All disputes between the City and Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director as defined in this Agreement.

34. GOVERNING LAW; VENUE: The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

35. NO CONSTRUCTION AGAINST DRAFTING PARTY: The parties have had the opportunity to review the Agreement, and the Agreement will not be construed against any party merely because any provisions of the Agreement were prepared by a particular party.

36. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Foundation's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

37. CITY EXECUTION OF AGREEMENT: The Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

38. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS: The Agreement is the complete integration of all understandings between the parties as to the subject

matter of the Agreement. No prior, contemporaneous or subsequent addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City.

Program Requirements and Responsibilities

Colorado Coalition for the Homeless (CCH) will provide rental assistance in the form of rent payments and security deposits to program beneficiaries (individuals and families) who are selected from a list of eligible applicants screened and managed by CCH case managers. CCH will:

- A. Ensure its HOME TBRA program remains compliant with the requirements outlined in 24 CFR 92.209 - Tenant-Based Rental Assistance: Eligible Costs and Requirements.
 - i. Eligible costs are the rental assistance and security deposit payments made to provide tenant-based rental assistance for a family pursuant to this section.
 - ii. The contractor must select low-income participants in accordance with written tenant selection policies and criteria that are based on local housing needs and priorities established in the OED's consolidated plan.
 - iii. Ensure participant households are income qualified at or below 60% AMI prior to providing TBRA assistance, and at least annually thereafter, per procedures outlined in 24 CFR 92.203, based on the current HOME income limits available at:
<https://www.hudexchange.info/manage-a-program/home-income-limits/>
 - iv. Housing units occupied by households receiving TBRA (TBRA units) must be within the city and county of Denver's jurisdiction.
 - v. TBRA unit rents (including utility allowances) must be reasonable, based on rents charged for comparable unassisted units, and within the applicable OED Rent Standard. OED uses the Colorado Housing and Finance Authority's Utility Allowances and Payment Standards for its Section 8 Housing Choice Voucher Program which are available at:
https://www.chfainfo.com/arh/asset/Documents/Utility_Allowance_Policy.pdf#sear ch=utility%20limits
 - a. The amount of the monthly TBRA payment may not exceed the difference between the rent standard for the unit size and 30 % of the household's monthly adjusted income.
 - b. TBRA participants must pay \$25.00 in minimum monthly contribution toward rent.
 - c. The amount of TBRA funds paid for security deposits may not exceed the equivalent of two month's rent for the unit.
 - vi. TBRA units must meet the housing quality standards and requirements set forth in 24 CFR 982.401; the contractor must inspect all TBRA units initially and annually.
 - vii. The term of the TBRA contract providing assistance with HOME funds may not exceed 24 months, but may be renewed, subject to the availability of HOME funds. The term of the rental assistance contract must begin on the first day of the term of the lease. The term of the rental assistance contract between the Contractor and a TBRA unit owner, must terminate on termination of the lease. No payments may be made after termination of a TBRA unit lease until the TBRA assisted household and owner enter into a new lease.
 - viii. There must be a written lease between the TBRA participant and the owner of TBRA unit that is for a period of not less than one year, unless a shorter period is specified by mutual agreement between the TBRA participant and the TBRA unit owner. The TBRA lease may not contain any of the following prohibited provisions:
 - a. Agreement to be sued. Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;
 - b. Treatment of property. Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may dispose of this personal property in accordance with State law;
 - c. Excusing owner from responsibility. Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;
 - d. Waiver of notice. Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;
 - e. Waiver of legal proceedings. Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;
 - f. Waiver of a jury trial. Agreement by the tenant to waive any right to a trial by jury;

EXHIBIT A

- g. Waiver of right to appeal court decision. Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease;
- h. Tenant chargeable with cost of legal actions regardless of outcome. Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses; and
- i. Mandatory supportive services. Agreement by the tenant (other than a tenant in transitional housing) to accept supportive services that are offered
- ix. The Contract may require the TBRA household to participate in a self-sufficiency program as a condition of selection for assistance. The household's failure to continue participation in the self-sufficiency program is not a basis for terminating the assistance; however, renewal of the assistance may be conditioned on participation in the program.
- B. Provide outreach and affirmative marketing to households that are experiencing homelessness or are at imminent risk thereof and chronically homeless families and individuals, through intensive outreach to area shelters serving families.
- C. Assess referrals, determine eligibility and enroll program participants
- D. Assist participants locate and lease-up affordable housing

Other Direct Expenses:

Description	Computation	Cost
Rental Assistance	~\$10,068/household x 54 households	\$543,672

CCH TBRA-HOME rental assistance will continue to be provided for up to 24 months for homeless and at-risk families and individuals, including chronically homeless people with disabilities. Security deposit assistance will continue to be provided at move-in. Families and individuals targeted for TBRA-HOME assistance are living: on the streets, in vehicles or in other places not meant for human habitation; or living in emergency shelters with little option of moving other than CCH TBRA-HOME assistance.

Households are assisted in locating suitable rentals, as well as negotiating leases and Housing Assistance Payments contracts with landlords. Participants pay 'tenant rent' directly to landlords. At least 70% of participating households will have secured permanent housing at exit from CCH TBRA-HOME. - 1.1.2 The method of payment to the Contractor by OED shall be in accordance with established FMU procedures for line-item reimbursements. The Contractor must submit expenses and accruals to OED on or before the last day of each month for the previous month's activity. Voucher requests for reimbursement of costs should be submitted on a regular and timely basis in accordance with OED policies. Vouchers should be submitted within thirty (30) days of the actual service, expenditure or payment of expense, except for the final voucher for reimbursement.
- 1.1.3 The Contractor shall submit the final voucher for reimbursement no later than **forty-five (45) days after the end of the contract period.**
- 1.1.4 The Contractor shall be reimbursed for services provided under this Agreement according to the approved line-item reimbursement budget attached to and made a part of this Agreement (Exhibit A).

1.2 Vouchering Requirements

- 1.2.1 In order to meet Federal Government requirements for current, auditable books at all times, it is required that all vouchers be submitted monthly to OED in order to be paid.
 - a. The first exception will be that expenses cannot be reimbursed until the funds under this contract have been encumbered.
 - b. The second exception will be that costs cannot be reimbursed until they total a minimum of \$35 unless it is a final payment voucher, or the final voucher for the fiscal year (ending December 31).
- 1.2.2 No more than six (6) vouchers may be submitted per contract per month, without prior approval from OED.
- 1.2.3 All vouchers for all Agreements must be correctly submitted within forty-five (45) days of the Agreement end date to allow for correct and prompt closeout.
- 1.2.4 City and County of Denver Forms shall be used in back-up documents whenever required in the Voucher Processing Policy.

- 1.2.5 Only allowable costs determined in accordance with 2 CFR Chapter I, Chapter II, Parts 200, 215, 220, 225 and 230, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards” (the “OMB Omni Circular”) applicable to the organization incurring the cost will be reimbursed.
- 1.2.6 The reimbursement request, or draw request, for personnel and non-personnel expenses should be submitted to the City on a monthly basis, no later than the last day of the following month for expenses incurred in the prior month. The request for reimbursement should include:
- a. Amount of the request in total and by line item;
 - b. Period of services for current reimbursement;
 - c. Budget balance in total and by line item;
 - d. Authorization for reimbursement by the contract signatory (i.e., executive director or assistant director).
- 1.2.7 If another person has been authorized by the Contractor to request reimbursement for services provided by this contract, then the authorization should be forwarded in writing to OED prior to the draw request.
- 1.2.8 The standardized OED “Expense Certification Form” should be included with each payment request to provide the summary and authorization required for reimbursement.

1.3 Payroll

- 1.3.1 A summary sheet should be included to detail the gross salary of the employee, amount of the salary to be reimbursed, the name of the employee, and the position of the employee. If the employee is reimbursed only partially by this contract, the amount of salary billed under other contracts with the City or other organizations should be shown on the timesheet as described below. Two items are needed for verification of payroll: (1) the amount of time worked by the employee for this pay period; and (2) the amount of salary paid to the employee, including information on payroll deductions.
- 1.3.2 The amount of time worked will be verified with timesheets. The timesheets must include the actual hours worked under the terms of this contract, and the actual amount of time worked under other programs. The total hours worked during the period must reflect all actual hours worked under all programs including leave time. The employee’s name, position, and signature, as well as a signature by an appropriate supervisor, or executive director, must be included on the timesheets. If the timesheet submitted indicates that the employee provided services payable under this contract for a portion of the total time worked, then the amount of reimbursement requested must be calculated and documented in the monthly reimbursement request.

- 1.3.3 A payroll register or payroll ledger from the accounting system will verify the amount of salary. Copies of paychecks are acceptable if they include the gross pay and deductions.

1.4 Fringe Benefits

- 1.4.1 Fringe benefits paid by the employer can be requested by applying the FICA match of 7.65 percent to the gross salary paid under this contract. Fringe benefits may also include medical plans, retirement plans, worker's compensation, and unemployment insurance. Fringe benefits that exceed the FICA match may be documented by 1) a breakdown of how the fringe benefit percentage was determined prior to first draw request; or, 2) by submitting actual invoices for the fringe benefits. If medical insurance premiums are part of the estimates in item #1, one-time documentation of these costs will be required with the breakdown. Payroll taxes may be questioned if they appear to be higher than usual.

1.5 General Reimbursement Requirements

- 1.5.1 Invoices: All non-personnel expenses need dated and readable invoices. The invoices must be from a vendor separate from the Contractor, and must state what goods or services were provided and the delivery address. Verification that the goods or services were received should also be submitted, this may take the form of a receiving document or packing slips, signed and dated by the individual receiving the good or service. Copies of checks written by the Contractor, or documentation of payment such as an accounts payable ledger which includes the check number shall be submitted to verify that the goods or services are on a reimbursement basis.
- 1.5.2 Mileage: A detailed mileage log with destinations and starting and ending mileage must accompany mileage reimbursement. The total miles reimbursed and per mile rate must be stated. Documentation of mileage reimbursement to the respective employee must be included with the voucher request.
- 1.5.3 Pager/Cell Phone: Written statement from executive director will be required certifying that cell phone is necessary and reasonable to run the program. And, if the monthly usage charge is exceeded in any month, a detailed phone log will be required for the amount of the overage.
- 1.5.4 Administration and Overhead Cost: Other non-personnel line items, such as administration, or overhead need invoices, and an allocation to this program documented in the draw request. An indirect cost rate can be applied if the Contractor has an approved indirect cost allocation plan. The approved indirect cost rate must be submitted to and approved by OED.
- 1.5.5 Service Period and Closeout: All reimbursed expenses must be incurred during the time period within the contract. The final payment request must be received

by OED within forty-five (45) days after the end of the service period stated in the contract.

2.1 Program Income

- 2.1.1 Program income includes, without limitation, income from fees for services performed, from the use or rental of real or personal property acquired with contract funds, from the sale of commodities or items fabricated under a contract agreement, and from payments of principal and interest on loans made with contract funds.
- 2.1.2 Program income may be deducted from total allowable costs to determine net allowable costs and may be used for current reimbursable costs under the terms of this contract. Program income which was not anticipated at the time of the award may be used to reduce the award contribution rather than to increase the funds committed to the project. ALL PROGRAM INCOME GENERATED DURING ANY GIVEN PERIOD SUBMITTED FOR PAYMENT SHALL BE DOCUMENTED ON THE VOUCHER REQUEST.
- 2.1.3 The Contractor, at the end of the program, may be required to remit to the City all or a part of any program income balances (including investments thereof) held by the Contractor (except AS APPROVED IN WRITING BY OED, INCLUDING those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump sum drawdown, or cash or investments held for section 108 security needs), unless otherwise directed in writing by OED.

3.1 Financial Management Systems

The Contractor must maintain financial systems that meet the following standards:

- 3.1.1 Financial reporting must be accurate, current, and provide a complete disclosure of the financial results of financially assisted activities and be made in accordance with federal financial reporting requirements.
- 3.1.2 Accounting records must be maintained which adequately identify the source and application of the funds provided for financially assisted activities. The records must contain information pertaining to contracts and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income. Accounting records shall provide accurate, separate, and complete disclosure of fund status.
- 3.1.3 Effective internal controls and accountability must be maintained for all contract cash, real and personal property, and other assets. Adequate safeguards must be provided on all property and it must be assured that it is used solely for authorized purposes.

- 3.1.4 Actual expenditures or outlays must be compared with budgeted amounts and financial information must be related to performance or productivity data, including the development of cost information whenever appropriate or specifically required.
- 3.1.5 Applicable OMB Omni Circular cost principles, agency program regulations, and the terms of the agreement will be followed in determining the reasonableness, allowability and allocability of costs.
- 3.1.6 Source documents such as cancelled checks, paid bills, payrolls, time and attendance records, contract documents, etc., shall be provided for all disbursements. The Contractor will maintain auditable records, i.e., records must be current and traceable to the source documentation of transactions.
- 3.1.7 The Contractor shall maintain separate accountability for OED funds as referenced in 24 C.F.R. 85.20 and the OMB Omni Circular.
- 3.1.8 The Contractor must properly report to Federal, State, and local taxing authorities for the collection, payment, and depositing of taxes withheld. At a minimum, this includes Federal and State withholding, State Unemployment, Worker's Compensation (staff only), City Occupational Privilege Tax, and FICA.
- 3.1.9 A proper filing of unemployment and worker's compensation (for staff only) insurance shall be made to appropriate organizational units.
- 3.1.10 The Contractor shall participate, when applicable, in OED provided staff training sessions in the following financial areas including, but not limited to (1) Budgeting and Cost Allocation Plans; (2) Vouchering Process.

4.1 Audit Requirements

- 4.1.1 If the Contractor expends seven hundred and fifty thousand dollars (\$750,000) or more of federal awards in the Contractor's fiscal year, the Contractor shall ensure that it, and its sub recipients(s), if any, comply with all provisions of the OMB Omni Circular.
- 4.1.2 A copy of the final audit report must be submitted to the OED Financial Manager within the earliest of thirty (30) calendar days after receipt of the auditor's report; or nine (9) months after the end of the period audited.
- 4.1.3 A management letter, if issued, shall be submitted to OED along with the reporting package prepared in accordance with the Single Audit Act Amendments and the OMB Omni Circular. If the management letter is not received by the subrecipient at the same time as the Reporting Package, the Management Letter is also due to OED within thirty (30) days after receipt of the Management Letter, or nine (9) months after the end of the audit period, whichever is earlier. If the Management Letter has matters related to OED

funding, the Contactor shall prepare and submit a Corrective Action Plan to OED in accordance with the Single Audit Act Amendments and the OMB Omni Circular, as set forth in 24 C.F.R. Part 45 for each applicable management letter matter.

- 4.1.4 All audit related material and information, including reports, packages, management letters, correspondence, etc., shall be submitted to **OED Financial Management Unit**.
- 4.1.5 The Contractor will be responsible for all Questioned and Disallowed Costs.
- 4.1.6 The Contractor may be required to engage an audit committee to determine the services to be performed, review the progress of the audit and the final audit findings, and intervene in any disputes between management and the independent auditors. The Contractor shall also institute policy and procedures for its sub recipients that comply with these audit provisions, if applicable.

5.1 Budget Modification Requests

- 5.1.1 Minor modifications to the services provided by the Contractor or changes to each line item budget equal to or less than a ten percent (10%) threshold, which do not increase the total funding to the Contractor, will require only notification to OED with the next monthly draw. Minor modifications to the services provided by Contractor, or changes to each line item budget in excess of the ten percent (10%) threshold, which do not increase the total funding to Contractor, may be made only with prior written approval by OED. Such budget and service modifications will require submittal by Contractor of written justification and new budget documents. All other contract modifications will require an amendment to this Agreement executed in the same manner as the original Agreement.
- 5.1.2 The Contractor understands that any budget modification requests under this Agreement must be submitted to OED prior to the last Quarter of the Contract Period, unless waived in writing by the OED Director.

6.1 Procurement

- 6.1.1 The Contractor shall follow the City Procurement Policy to the extent that it requires that at least three (3) documented quotations be secured for all purchases or services (including insurance) supplies, or other property that costs more than five thousand dollars (\$5,000) in the aggregate.
- 6.1.2 The Contractor will maintain records sufficient to detail the significant history of procurement. These records will include, but are not limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

- 6.1.3 If there is a residual inventory of unused supplies exceeding five thousand dollars (\$5,000) in total aggregate upon termination or completion of award, and if the supplies are not needed for any other federally sponsored programs or projects the Contractor will compensate the awarding agency for its share.

7.1 Bonding

- 7.1.1 OED may require adequate fidelity bond coverage, in accordance with 24 C.F.R. 84.21, where the subrecipient lacks sufficient coverage to protect the Federal Government's interest.

8.1 Records Retention

- 8.1.1 The Contractor must retain for five (5) years financial records pertaining to the contract award. The retention period for the records of each fund will start on the day the single or last expenditure report for the period, except as otherwise noted, was submitted to the awarding agency.
- 8.1.2 The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access, upon reasonable notice, to any pertinent books, documents, papers, or other records which are pertinent to the contract, in order to make audits, examinations, excerpts, and transcripts.

9.1 Contract Close-Out

- 9.1.1 All Contractors are responsible for completing required OED contract close-out forms and submitting these forms to their appropriate OED Contract Specialist within sixty (60) days after the Agreement end date, or sooner if required by OED in writing.
- 9.1.2 Contract close out forms will be provided to the Contractor by OED within thirty (30) days prior to end of contract.
- 9.1.3 OED will close out the award when it determines that all applicable administrative actions and all required work of the contract have been completed. If Contractor fails to perform in accordance with this Agreement, OED reserves the right to unilaterally close out a contract, "unilaterally close" means that no additional money may be expended against the contract.

10.1 Collection of amounts due

- 10.1.1 Any funds paid to a Contractor in excess of the amount to which the Contractor is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government and the City. If not paid within a reasonable period after demand, OED may 1) Make an administrative offset against other requests for reimbursements, 2) Withhold advance payments otherwise due to the Contractor, or 3) other action permitted by law.

Any contractor, subcontractor and/or grantee receiving federal appropriated funds certifies by signing this Agreement, in two parts Part I, and Part II and signing and/or entering into any other agreement in connection with this Agreement, to the best of his or her knowledge and belief, that:

A. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall

complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31 U.S. Code. Sec. 115. Copyrights. If this Agreement results in a book or other copyright material, the author is free to copyright the work but HUD and the City reserve a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, all copyrighted material and all material which can be copyrighted, as stated in 24 C.F.R. 84.36.

Sec. 116. Patents. Any discovery or invention arising out of or developed in the course of work under this Agreement shall be promptly and fully reported to HUD for determination as to whether patent protection on such invention or discovery should be sought, and how the rights under any patent shall be allocated and administered in order to protect the public interest.

Sec. 117. Program Income. Unless otherwise specified in Part I of this Agreement, all program income as defined by HUD at 24 C.F.R. 570.500(a) shall be returned to the City. Any program income on hand when this Agreement expires, or received after this Agreement expires shall be paid to the City.

ARTICLE II

DISBURSEMENTS AND ACCOUNTING

Sec. 201. Eligible and Ineligible Costs. Costs under this Agreement are governed by the OMB Omni Circular as applicable. All costs incurred by the Contractor using monies under this Agreement must be reasonable and relate clearly to the specific purposes and end product of the Agreement. To be eligible for reimbursement, expenditures must: (A) Be necessary and reasonable for proper and efficient performance of the contractual requirements and in accordance with the approved budget; (B) Be allocable to Federal awards under the provisions of the OMB Omni Circular; (C) Be authorized or not prohibited under State or local laws or regulations; (D) Conform to any limitations or exclusions set forth in these principles, Federal laws, terms and conditions of the Federal award, or other governing regulations as to types of amounts of cost items; (E) Be consistent with policies, procedures and practices applied uniformly to activities of the City, both Federally assisted and non-Federally assisted; (F) Be accorded consistent treatment—a cost may not be assigned to a Federal award as a direct cost if any other cost incurred for the same purpose

in like circumstances has been allocated to the Federal award as an indirect cost; (G) Be determined in accordance with generally accepted accounting principles; (H) Not be allocable to or included as a cost of any other Federally financed program; (I) Be net of all applicable credits, such as purchase discounts, rebates or allowances, sales of publications or materials, or other income or refunds; and (J) Be fully documented.

The following costs or expenditures by the Contractor are specifically ineligible for reimbursement: bad debts, contingency reserves, contributions and donations, entertainment and fines and penalties.

Sec. 202. Documentation of Costs. All costs must be supported by properly executed payrolls, time records, invoices, contracts or vouchers, or other documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be clearly identified and readily accessible.

Sec. 203. Charges Against Project Account.

A. Payments under the Agreement shall be made on an actual basis for services that are performed and fully documented as having been performed. The City shall not reimburse or pay any expenditures, costs or payments that are inconsistent with the last approved budget. The budget for this Agreement may be revised upon written request of the Contractor, and written approval from the Community Development Administration.

B. At any time prior to final payment, the City may have the invoices and statements of costs audited. Each payment shall be subject to reduction for amounts which are found by the City not to constitute allowable costs. Any payment may be reduced for overpayments, or increased for underpayments, on preceding invoices or vouchers.

C. In the absence of error or manifest mistake, all payments when approved shall be evidence of the services performed, except that all payments made by the City to the Contractor are subject to correction in accordance with the audit findings of the City or HUD. The Contractor shall promptly repay the City the amounts determined to be due on the basis of such audit.

D. Prior to final payment, the Contractor shall first furnish the City evidence in affidavit form that all claims, liens, or other obligations incurred by it and all of its subcontractors or agents in connection with the performance of their services have been properly paid and settled.

E. Contract funds remaining unspent by the Contractor at the termination of the Agreement for any cause shall be returned to the City within the time specified by the City. Interest shall accrue in the favor of the City at the rate of eight percent (8%) per annum on such funds thereafter.

F. Unless otherwise specified in this Contract or the exhibits hereto, the effective indirect cost rate shall be at a rate of zero percent (0.00%) per annum.

Sec. 204. Method of Payment and Disbursements. The Contractor must submit properly executed invoices and requests for payment to OED. The City agrees to establish a payment procedure that will provide funds in a timely and regular manner. When disbursing funds for construction, the City may withhold the final ten percent (10%) of the money made available under the Agreement pending final payment. The Contractor agrees to disburse funds within seventy-two (72) hours of receiving payment from the City.

Sec. 205. Travel Expenses. Reimbursement for travel and related subsistence, local mileage and parking, is limited to those costs and amounts for which the City reimburses City employees for official travel. First class air-fare is not allowable. Any travel outside of the Denver metropolitan area must be specifically authorized in advance by the City.

Sec. 206. Designation of Depository. The Contractor shall designate a commercial bank which is a member of the Federal Deposit Insurance Corporation (“FDIC”) for deposit of funds under this Agreement. Any balance deposited in excess of FDIC insurance coverage must be collaterally secured. The Contractor is encouraged to use minority or female-owned banks.

Sec. 207. Refunds. The Contractor agrees to refund to the City any payment or portions of payments which HUD and/or the City determine were not properly due to the Contractor.

ARTICLE III **CONSTRUCTION CONTRACTS AND LABOR STANDARDS**

Sec. 301. Lead-Based Paint Hazards. The construction or rehabilitation of residential structures with assistance provided under this Agreement is subject to the HUD Lead-Based Paint Regulations, 24 C.F.R. 92.355. The Contractor is responsible for the inspections and certifications required.

Sec. 302. Davis-Bacon Act. Except for the construction or rehabilitation of residential property that contains less than twelve (12) HOME units, the Contractor and all subcontractors hired under contracts for more than \$2,000.00 for the construction or repair of any building or work financed in whole or in part with assistance provided under this Agreement, shall comply with the Davis-Bacon Act, 40 U.S.C. 276a to 276a-5, and applicable regulations of the Department of Labor under 29 C.F.R. Part 5, requiring the payment of wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor. The current Davis-Bacon wage rate schedule must be included in all bid and contract documents, as well as the “Federal Labor Standards Provisions,” Form HUD-4010.

Sec. 303. Contract Work Hours and Safety Standards Act. All federally assisted construction contracts of more than \$2,000.00 and all other contracts employing mechanics or laborers of more than \$2,500.00 must comply with the Contract Work Hours and Safety Standards Act of 1962 (40 U.S.C. 327, *et seq.*) and Department of Labor regulations (29 C.F.R. 5), requiring that wages be paid at not less than one and one-half times the basic wage rates for all hours worked

in excess of forty in a work week. No mechanic or laborer shall be required to work under conditions which are unsanitary, hazardous or dangerous to health and safety.

Sec. 304. Anti-Kickback Act. If this Agreement involves construction or repair, then it is subject to the Copeland “Anti-Kickback” Act of 1934 (40 U.S.C. 276c) and Department of Labor regulations (29 C.F.R. Part 5), prohibiting and prescribing penalties for “kickbacks” of wages. Wages must be paid at least once a week in accordance with the requirements of 29 C.F.R. 5.5.

Sec. 305. Equal Employment Opportunity Under Executive Order No. 11246, as Amended. If this Agreement involves a federally assisted construction project in excess of \$10,000.00 then it is subject to Executive Order No. 11246, as amended by Executive Orders 11375 and 12086, HUD regulations at 24 C.F.R. Part 130, and the Department of Labor Regulations at 41 C.F.R. Chapter 60.

The Contractor agrees that it will be bound by the equal opportunity clause set forth below and other provisions of 41 C.F.R. Chapter 60, with respect to its own employment practices when it participates in federally assisted construction work, provided that if the Contractor so participating is a State or local government, the equal opportunity clause set forth below is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Agreement.

The Contractor agrees that it will incorporate into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained pursuant to this Agreement, the following equal opportunity clause:

“During the performance of this Agreement, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all employment is without regard to race, color, religion, sex or national origin.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement, or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising the said labor union or workers' representatives of the Contractor's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and the rules, regulations and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contract procedures authorized in Executive Order No. 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions or paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The subcontract or purchase orders shall include such terms and conditions as the Department may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

The Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work; provided, that if the Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government, which does not participate in work on or under the Agreement.

The Contractor agrees that it will assist and cooperate actively with the Department and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor; that it will furnish the Department and the Secretary of Labor such information as they may require for the supervision of such compliance; and that it will otherwise assist the Department in and the discharge of its primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order No. 11246 of September 24, 1965, with a contractor debarred from or who has not demonstrated eligibility for Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontracts by the Department or the Secretary of Labor pursuant to Part II, Subpart D, of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with the requirements contained herein, the City may take any or all of the following actions: Cancel, terminate or suspend, in whole or in part this grant, contract, agreement or loan; refrain from extending any further assistance to the Contractor under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from such Contractor; and refer the case to the Department of Justice for appropriate legal proceedings.”
