Further, in addition to all requirements established by law, the Contractor will report without delay to the City and to any and all appropriate authorities, any incidents of suspected or known child abuse or neglect of a child enrolled in Head Start or otherwise receiving Head Start services.

H. Establish policies and procedures to secure and protect all property purchased with funds provided under this Agreement, against theft, loss, damage, misuse or misappropriation. Contractor will further establish policies and procedures to safeguard electronic and computer information against theft, loss, damage, misuse, or misappropriation. In the event of an emergency (an unforeseen event that endangers the health or safety of children enrolled in Contractor's Head Start programs), the Contractor may cease program operations for a limited period of time; provided, however, that Contractor will immediately take all necessary and appropriate measures to ensure that services are immediately reinstated for any and all children enrolled in Contractor's Head Start programs that may be displaced as a result of an emergency. In the event that Contractor ceases program operations as a result of an emergency, the Contractor will notify the Director of the cessation in program operations, the site or facility where program operations ceased, the actions taken by Contractor in response to the emergency, and Contractor's estimate as to when services will be reestablished at the site where the emergency occurred, by telephone on the same day of cessation and in writing within five (5) business days of the day of cessation.

J. Maintain program operations for the length of the Program Year as set forth in **Exhibit C**. If the Contractor changes the length of the Program Year or deviates in any manner from **Exhibit C**, Contractor will obtain the written approval of the City at least thirty (30) calendar days prior to the date the requested change is to be effective. Failure to request the advance written approval of the City will be deemed to be a default under this Agreement and may result in the City invoking any or all remedies stated in this Agreement.

K. Pursuant to applicable provisions of the Head Start Performance Standards, the Contractor will include in all Head Start meals those foods that conform to the "minimum standards" for meal patterns in accordance with any and all guidance issued by the ACF. In particular, but not by way of limitation, Contractor will comply with all requirements stated in 45 C.F.R. 1302.42, 1302.44, 1302.31, 1302.46, 1302.90, 1302.46, as may be amended from time-to-time and will ensure that any and all Subcontractors will comply with said provisions.

L. Comply with all directives of the City issued in the form of a City- issued monitoring report within all timeframes designated in said City monitoring report. The Contractor will deliver to the City written confirmation of compliance with said directives on or before a date reasonably designated by the Director. If the Contractor cannot in good faith comply with any directive contained in a City monitoring report by the deadline established by the Director, the Contractor will notify the Director, on or before the deadline for written confirmation of compliance, in writing of the reasons why Contractor is unable to comply with a required directive and will propose a new date upon which the Contractor expects to comply with said directive. The Director will approve or disapprove of this new timeframe in writing, which approval will not be unreasonably withheld.

M. Obtain, for each child enrolled in the Delegate Agency's Head Start program, a student identification number from the Local Education Agency (LEA) for the City and County of Denver and maintain this information in a comprehensive up-to-date report consistent with any format reasonably designated by the City.

N. Maintain at all times its funded enrollment level as designated by the City. If any vacancy occurs in any of Contractor's Head Start programs, the Contractor will fill such vacancy within thirty (30) calendar days. The Contractor will determine eligibility for enrollment in Head Start programs based on family income in strict accordance with Section 645 (a)(1)(B) of the Head Start Act. The Contractor will determine eligibility for recruitment, selection, enrollment, and attendance in Head Start programs based on the requirements of Section 645 of the Head Start Act and 45 C.F.R. 1302, Subpart A (Sections 1302.10 – 1302.18).

O. Comply with the City's policy directives and required procedures for branding and marking of the Services and other activities concerning Denver's Head Start Program. Branding includes, without limitation, how the Services and other activities concerning Denver's Head Start Program will be named and presented to the public and the roles of the City, ACF or HHS, and the Contractor in connection with the Services. Marking includes, without limitation, the development and use of graphic identities, trademarks, service marks, tradenames, logos, and signage to provide the Services to visibly acknowledge and identify the roles of the City, the ACF or HHS, and the Contractor in connection with the Services and other activities concerning Denver's Head Start Program.

7. COMPENSATION:

A. Budget: The City shall pay and the Contractor shall accept as the sole compensation for services rendered and costs incurred under the Agreement in accordance with the budget contained in **Exhibit B**.

B. Reimbursable Expenses: Except as set forth on **Exhibit B**, there are no reimbursable expenses allowed under the Agreement.

C. Invoices: Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation

required by the City. Contractor will submit invoices monthly no later than the twenty-first day of the following month for which Contractor seeks reimbursement. The Contractor will use its allotted funds up to Maximum Contract Amount in accordance with the approved program narrative, budget documents and detailed budget categories. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement. The amounts invoiced by Contractor will be payable upon receipt and acceptance of designated work product as set forth herein and as fully documented by Contractor's periodic invoice. Funds payable by the City hereunder shall be distributed to the Contractor on a reimbursement basis only, for work performed during the prior month. Invoices submitted for services rendered that are submitted after such deadline are considered to be untimely, and must be submitted separately to be considered for payment. Payment for such late-submitted invoices shall be made only upon a showing of good cause for the late submission. Payments to the Contractor are subject to the submission of approved Contractor invoices to the City.

D. Maximum Contract Amount:

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed **One-Million Eight-Hundred Forty-Four Thousand One-Hundred Thirty-One Dollars and Zero Cents (\$1,844,131.00)** (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to federal funds received for the Head Start program, appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. This Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

E. Recovery of incorrect payments. The City has the right to recover from the Contractor any and all incorrect payments issued to the Contractor due to any omission, error, fraud, and/or defalcation including, but not limited to, applying a deduction from subsequent payments under this Agreement or other means of recovery by the City as a debt due to the City or otherwise as provided by law.

F. Non-Federal Share Match. The Contractor will contribute a match of at least twenty percent (20%) of the Maximum Contract Amount from non-federal funds through cash or in-kind contributions of services or property. Values for non-federal in-kind contributions of services and property will be established in accordance with applicable federal law, regulations, cost principles, or as otherwise determined by an appropriate federal agency. Contractor's total non-federal match contribution (cash and in-kind services or property) under this Agreement will be at least **Four-Hundred Sixty-One Thousand Thirty-Two Dollars and Seventy-Five Cents (\$461,032.75)** as set forth in more detail in **Exhibit B**. The Contractor will report in writing to the

City, within thirty (30) calendar days from the date of receipt thereof, any cash or other funds to be applied toward the non-federal match that Contractor receives. Contractor will be responsible for documenting and maintaining accurate records to the reasonable satisfaction of the City of both Contractors' non-federal share contributions and the contributions of Subdelegates and any Vendor designated by the Director. Such contributions will be recorded on each expenditure variance report and in written reports forwarded to the City on a monthly basis. Each monthly report will list all contributions provided by Contractor and/or its Subdelegates and/or any Vendor for each respective quarter and will list the total amount of contributions made as of the date of the monthly report.

G. Expenditure Variance Reports. The Contractor will prepare and submit to the City, according to the schedule in **Exhibit D** or a date agreed upon in writing by the parties, an Expenditure Variance Report setting out in detail the following information: 1) a description by category of the amount and nature of all monies expended by Contractor during the budget period designated in the Contractor's Expenditure Variance Report; and 2) all non-federal share contributions made by Contractor during the budget period designated in Contractor's expenditure variances.

Every one of Contractor's Expenditure Variance Reports will be certified to be correct by an authorized representative of Contractor and will reference the Contract Control Number of this Agreement as designated below on the City's signature page. Every one of Contractor's Expenditure Variance Reports will be submitted with supporting documentation evidencing, in detail, the nature and propriety of the charges including general ledgers, transaction listings, journals and invoices paid by the Contractor that equal or exceed One Thousand Dollars (\$1,000.00) for any transaction, time sheets, payrolls, receipts and any other document which may be pertinent in light of the nature of services to be performed under this Agreement and showing that services were performed within the period for which the payment is requested. Contractor will make available to the City and provide the City with a copy of any and all such documentation upon request.

H. Federal Funds Contingency/Appropriations. The Contractor understands that as of the date of the execution of this Agreement, the City has only received a notice of intent to award federal funds from the HHS for Head Start programs. In the event that the City is awarded funds in an amount less than the amount reflected in said notice of intent, then the total amount of compensation to be paid to the Contractor will be reduced and Contractor's **Exhibit B** will be revised accordingly. Moreover, it is acknowledged by the parties that if and when HHS issues the first official notice of financial award to the City to fund Head Start operations for Program Year 2019-2020, HHS may issue only a partial financial award for program costs for Program Year 2019-2020. If, during the term of this Agreement, HHS later issues official notice of financial award to further fund Head Start programs beyond the amount stated in the initial notice of intent, then such funds may only be disbursed to the Contractor through a written amendatory agreement executed by the parties in the same manner as this Agreement.

All payments under this Agreement, whether in whole or in part, are subject to and

contingent upon the continuing availability of federal funds for the purposes of Head Start. In the event that federal funds, or any part thereof, are not awarded to the City or are reduced or eliminated by the federal government, the City may reduce the total amount of compensation to be paid to the Contractor by revising **Exhibit B** or it may terminate this Agreement. The City reserves the right to withhold, adjust and/or reallocate subsequent Grant funds whenever it determines that Contractor's current spending is inconsistent with amounts and categories listed on **Exhibit B**, the purposes identified in **Exhibit A**, or if reports of nonfederal share contributions, in whole or in part, are not provided by Contractor on a timely basis.

I. Updated Program Conditions: If additional conditions are lawfully imposed on the Head Start Program and the City by federal, state, or local law, executive order, rules and regulations, or other written policy instrument, the Contractor will comply with all such additional conditions. If the Contractor is unable or unwilling to accept any such additional conditions concerning the administration of the Head Start Program, the City may withhold payment to the Contractor of any unearned funds or terminate this Agreement in accordance with Section 19.A.2, below. If the City withholds payment for this reason, the City shall advise the Contractor and specify the actions that must be taken as a condition precedent to the resumption of payments.

J. Modifications to Exhibits: The parties may modify an exhibit attached to this Agreement; provided, however, that no modification to an exhibit shall result in or be binding on the City if any proposed modification(s), individually or collectively, requires an upward adjustment to the Maximum Contract Amount. The parties shall, in each instance, memorialize in writing any and all modifications to an exhibit by revising and restating that exhibit and referencing this City Contract Control number stated on the signature page below. A proposed modification to an exhibit will be effective only when it has been approved in writing by the parties, approved as to form by the City Attorney's office, and uploaded into the City's automated contract system (Alfresco) by an employee of the Head Start Office or other City office designated by the Director. All such modifications shall contain the date upon which the modified exhibit or exhibits shall take effect. Any modification to an exhibit agreed to by the parties that requires an increase in the Maximum Contract Amount shall be evidenced by a written Amendatory Agreement prepared and executed by both parties in the same manner as this Agreement.

8. REPORTS:

A. The Contractor will establish and maintain reporting systems in accordance with any and all policies, procedures and directives of the City concerning reporting requirements of delegate agencies and will require any and all Subdelegates and any Vendor to establish and maintain said reporting systems. In addition to any other reports required or requested under this Agreement or any exhibit, the Contractor will prepare and submit the following reports and will require any and all Subdelegates and, as directed by the Director, any Vendor to prepare and submit the following reports:

(1) Enrollment Report. The Enrollment Report will include the number of children actually enrolled by Contractor in Head Start programs by site and program

option in the following categories: age, ethnicity, language, and gender. Contractor will monitor at all times the number of students it has enrolled for Head Start services and will promptly identify any and all vacancies.

In the event that the Contractor determines that it has not maintained the designated number of enrolled students, the Contractor will include in the Enrollment Report a detailed explanation as to why such levels were not maintained and a detailed description of how Contractor will return said levels to the designated number. The Enrollment Report will be consistent with any format designated by the City;

(2) **Attendance Report.** The Attendance Report will include attendance for all approved program options on a monthly basis. Contractor will monitor at all times and report the monthly average daily attendance rate of students that it has enrolled for Head Start services in all program options. When the monthly average daily attendance rate in a center-based program falls below eighty-five percent (85%), the Contractor will, in accordance with 45 C.F.R. 1302.16, include in the Attendance Report a detailed explanation as to why such attendance rate was not maintained and a detailed description of how the Contractor will return the attendance rate to the designated level, and the number of absences that occur on consecutive days. The Attendance Report will be consistent with any format designated by the City;

(3) **Personnel Report.** The Personnel Report will include quarterly and year-to-date employment status for all staff and contract employees performing Head Start duties, including the position held by such persons and a listing of which positions, if any, are unfilled. The Personnel Report will be consistent with any format designated by the City;

(4) **Expenditure Variance Report.** The Expenditure Variance Report will include the information designated in Section 7.G of this Agreement concerning monthly expenditures, invoices, and non-federal share match requirements. The Expenditure Variance Report will be consistent with any format designated by the City.

(5) **United States Department of Agriculture (USDA) Report.** The USDA Report will include a complete listing of all funds reimbursed to the Contractor by the U.S. Dept. Of Agriculture for the costs of providing meals for children enrolled in or otherwise served by Head Start programs and will be consistent with any format designated by the City;

(6) **Self-Assessment Report.** The Self-Assessment Report will include a description of the progress of work set forth in **Exhibits A and B** as well as an evaluation of the effectiveness of Contractor's management systems, child development and health services, family and community partnerships, program design and fiscal management operations information and will be consistent with any format designated by the City;

(7) **Administrative and Development Costs Report.** The Administrative and Development Costs Report will include an itemized description of all costs and expenses incurred relating to the administration and management of Head Start programs and will be consistent with any format designated by the City;

(8) **Other Reports.** The Contractor will prepare and submit any other report or information pertaining to the administration of Head Start programs and expenditure of Head Start funds as requested by the City; any and all official reports for federal, state and local governmental entities, as required by applicable law; and will prepare and maintain all records, statements and information as required by applicable federal, state and local laws for the purpose of carrying out the provisions of this Agreement or the Grant.

(9) **Inventory Report.** In accordance with Section 19 below, the Contractor will establish and submit to the Head Start Director on a date designated by the Director, or the Director's designated representative, an annual inventory list, in such format as designated by the City's Head Start Director. The date for submission of the Inventory Report may be set forth in **Exhibit D** or, if not contained therein, will be separately designated by the Director or the Director's designated representative.

B. The reports required in this Section 8 will be submitted in accordance with the schedule set forth in **Exhibit D**. If Contractor does not submit such reports in accordance with **Exhibit D**, the City may determine and find that such failure constitutes an act of noncompliance, a deficiency or an event of default and the City may invoke any remedy provided in this Agreement or otherwise available to the City by law. If Contractor does not submit such reports in accordance with **Exhibit D** and no further payments are due from the City, then such failure will automatically be deemed to be an event of default and the City may, in addition to any other remedies provided in this Agreement or available to the City by law, deny Contractor any future awards, grants, or contracts of any nature by the City.

9. PERFORMANCE MONITORING/INSPECTION: The Contractor will permit the Director or any other governmental agency authorized by law, or their respective authorized designees, to monitor all activities conducted by the Contractor pursuant to the terms of this Agreement and inspect any and all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hardcopy or electronic format, relating to any matter covered by this Agreement. As the monitoring agency may in its sole discretion deem necessary or appropriate, such monitoring may consist of reviewing methods, procedures and practices, examining internal evaluation procedures, examining program data, on-site observation, on-site verification, formal and informal audit examinations, attending all meetings, hearings, or proceedings held by the Contractor, its Board of Directors, or its employees or any other reasonable procedures relating to the performance of services under this Agreement. All such monitoring and inspection will be performed in a manner that will not unduly interfere with the services to be provided under this Agreement. The Contractor will make available for inspection by the Director or the Director's designated representative any and all files, records, reports, policies, minutes, materials, books, documents, papers, invoices, accounts, payrolls and other data, whether in hard copy or electronic format, relating to any matter covered by this Agreement.

10. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the

Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

11. EXAMINATION OF CONTRACTOR RECORDS:

A. Any authorized agent of the City including the City Auditor or the Auditor's representative, or any authorized agent of the federal government has the right to access and the right to examine any pertinent books, documents, papers and records of the Contractor, involving transactions related to this Agreement until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations.

B. The Contractor will keep true and complete records of all business transactions under this Agreement, will establish and maintain a system of bookkeeping satisfactory to the City's Auditor and give the City's authorized representatives access during reasonable hours to such books and records, except those matters required to be kept confidential by law. The Contractor agrees that it will keep and preserve for at least three (3) years all evidence of business transacted under this Agreement for such period.

C. The Contractor acknowledges that it is subject to any and all applicable regulations or guidance of the United States Office of Management and Budget including, but not limited to, all applicable laws, rules, regulations, policy statements, and guidance issued by the Federal Government (including the United States Office of Management and Budget), regarding audit requirements.

12. AUDIT REQUIREMENTS:

A. The Contractor will cause an annual single audit of Head Start services provided under this Agreement to be prepared by an independent auditor in accordance with applicable federal, state and City laws. Where required by applicable federal, state or City law, Contractor's auditor will provide an accounting certification that the audit was conducted in accordance with applicable standards set forth in the U.S. Office of Management and Budget ("OMB") circulars. All accounting practices will be in conformance with generally accepted principles.

B. Contractor will complete and deliver two copies of its audit report no later than six (6) months after the Contractor's prior budget year unless such time frames are extended in writing by the responsible HHS official. If the responsible HHS official extends said time frames, in writing, then Contractor's audit report will be submitted to the City at least two months prior to the new deadline. Contractor's agreements with any Subdelegates or any Vendor will contain a clause stating that Subdelegates or Vendors, as appropriate, are subject to the Audit Requirements of this Agreement or as may be imposed by federal, state and City law. Contractor's audit will either include an audit of Subdelegates and any Vendor, unless said Vendor has been exempted in writing by the Director, or Contractor will cause Subdelegates and, if directed in writing by the Director, any Vendor to provide separately their own independent audits. If a Subdelegate or Vendor conducts its own audit for Head Start services provided hereunder, then

the Contractor will provide two copies of such audit or the portions that pertain to Head Start services along with Contractor's audit or portions thereof. Final financial settlement under this Agreement will be contingent upon receipt and acceptance of Contractor's audit and the audits of Contractor's Subdelegates and any Vendor.

C. If, as a result of any audit relating to the fiscal performance of Contractor or its Subdelegates concerning Head Start programs, the City receives notice of any irregularities or deficiencies in said audits, then the City will notify the Contractor of such irregularities or deficiencies. The Contractor will correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If the identified irregularities or deficiencies cannot be corrected by the date designated by the City, then Contractor will so notify the City, in writing, and will identify a date that Contractor expects to correct the irregularities or deficiencies; provided, however, that if Contractor's notice is dated within thirty calendar days prior to the deadline established or permitted by the ACF, then Contractor's corrections will be made and submitted to the City on or before the fifth working day from said federal deadline. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes will be deemed to be resolved in the City's favor unless the Contractor obtains a resolution in its favor from the responsible HHS official.

D. The Contractor will satisfy the requirements of the Single Audit Act of 1984, as amended, codified at 31 U.S.C. §7501, *et seq.*, and as may be further amended from time to time, and all applicable Office of Management and Budget Circulars including but not limited to 2 CFR Chapter I, and Chapter II, Parts 200, 215, 220, 225, and 230 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. If Contractor determines that it is not subject to the requirements of the Single Audit Act, it will notify the City in writing within ten (10) calendar days of its determination that it is not subject to the Single Audit.

13. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City hereunder constitute or be construed to be a waiver by the City of any breach of covenant or default which may then exist on the part of the Contractor. No payment, or other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to the City with respect to such breach or default. No assent, expressed or implied, to any breach of any term of Agreement constitutes a waiver of any other breach.

14. INSURANCE:

A. If the Contractor is a "public entity" within the meaning of the Colorado Governmental Immunity Act, § 24-10-101, *et seq.*, C.R.S., as amended ("Act"), the Contractor shall maintain insurance, by commercial policy or self-insurance, as is necessary to meet the Contractor's liabilities under the Act. Proof of such insurance shall be provided upon request by the City.

B. If the Contractor is not a "public entity" then, the following general

conditions apply:

(1) **General Conditions:** Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period, and for three (3) years after termination of the Agreement. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A-”VIII or better. Each policy shall contain a valid provision or endorsement requiring notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. If any policy is in excess of a deductible or self-insured retention, the City must be notified by the Contractor. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

(2) **Proof of Insurance:** Contractor shall provide a copy of this Agreement to its insurance agent or broker. Contractor may not commence services or work relating to the Agreement prior to placement of coverage. Contractor certifies that the certificate of insurance attached as **Exhibit E**, preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City’s contract number be referenced on the Certificate. The City’s acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor’s breach of this Agreement or of any of the City’s rights or remedies under this Agreement. The City’s Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

(3) **Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), the Contractor, Subdelegate’s, and Subcontractor’s insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

(4) **Waiver of Subrogation:** For all coverages, except Student Accident coverage, Contractor’s insurer shall waive subrogation rights against the City.

(5) **Subdelegates, Subcontractors and Subconsultants:** All

Subdelegates, Subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. Contractor shall include all such Subdelegates or Subcontractors as additional insured under its policies (with the exception of Workers' Compensation) or shall ensure that all such Subdelegates, Subcontractors and subconsultants maintain the required coverages. Contractor agrees to provide proof of insurance for all such Subdelegates, Subcontractors, and subconsultants upon request by the City.

(6) Workers' Compensation/Employer's Liability Insurance:

Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. Contractor expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall affect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

(7) Commercial General Liability

Contractor shall maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

(10) Commercial Crime (Fidelity):

Contractor shall maintain \$1,000,000 in commercial crime insurance coverage. Coverage shall include theft of City's money, securities or valuable property by contractor's employees, including any extended definition of employee. The City and County of Denver shall be named as Loss Payee as its interest may appear.

(11) Cyber Liability:

Contractor shall maintain Cyber Liability coverage with limits of \$1,000,000 per occurrence and \$1,000,000 policy aggregate covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security.

(12) Additional Provisions:

(a) For Commercial General Liability and Excess Liability, the policies must provide the following:

- (i) That this Agreement is an Insured Contract under the policy;
- (ii) Defense costs are outside the limits of liability;
- (iii) A severability of interests or separation of insured provision (no insured v. Insured exclusion);
- (iv) A provision that coverage is primary and non-contributory with other coverage or self-insurance maintained by the City; and
- (v) Any exclusion of sexual abuse, molestation or misconduct has been removed or deleted.

(b) For claims-made coverage:

- (i) The retroactive date must be on or before the contract date or the first date when any goods or services were provided to the City, whichever is earlier.

(c) Contractor shall advise the City in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At its own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

(13) Bond. If required by applicable federal law, as currently presented in 45 CFR Part 75 304, the Contractor will obtain and keep in force during the term of this Agreement a fidelity bond, in form and surety acceptable to the City, conditioned upon the faithful and honest utilization and handling by the Contractor's employees and officers of all monies paid to the Contractor by the City pursuant to this Agreement, said bond to protect the City against any malfeasance or misfeasance with respect to such funds on the part of such persons. All appropriate federal officials will authorize any determination made by Contractor that such bond is not required by applicable federal law in writing.

15. DEFENSE AND INDEMNIFICATION:

A. Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees ("City Indemnities") for,

from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City Indemnities for any acts or omissions of the Contractor, its Subdelegates, Subcontractors, subconsultants, or Vendors, either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

B. Contractor’s duty to defend and indemnify the City Indemnities shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor’s duty to defend and indemnify the City Indemnities shall arise even if the City is the only party sued by claimant and/or claimant alleges that the City’s Indemnities’ negligence or willful misconduct was the sole cause of claimant’s damages.

C. Contractor will defend any and all Claims which may be brought or threatened against the City Indemnities and will pay on behalf of City, its appointed and elected officials, agents and employees, any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City Indemnities shall be in addition to any other legal remedies available to City and shall not be considered the City Indemnities’ exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

16. TAXES, LATE CHARGES, AND PERMITS: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City’s prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

17. ASSIGNMENT AND SUBCONTRACTING:

A. By the City. The City may assign or transfer this Agreement at its discretion or when required by the ACF.

B. By the Contractor. The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this

Agreement without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and shall be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and the Subdelegate, sub-consultant, subcontractor or assignee.

Services subcontracted to Subdelegates under this Agreement shall be specified by written agreement and will be subject to each applicable provision of this Agreement and any and all applicable federal and state laws with appropriate changes in nomenclature in referring to such subcontract. The Contractor will submit proposed subcontract agreements to the Director for the Director's review and approval no later than thirty (30) calendar days prior to the commencement of the Program Year or the commencement date of the proposed contract whichever is later. Such consent of the City obtained as required by this paragraph shall not be construed to constitute a determination of approval of any cost under this Agreement, unless such approval specifically provides that it also constitutes a determination of approval of such cost. Any approved use of any Subdelegate or any Vendor will be on a reimbursement basis only.

18. TERMINATION:

A. Notice of Deficiencies (with opportunity for corrective action). In the event the City identifies one or more deficiencies in Contractor's performance of the Services or its other obligations under this Agreement, the Director will provide the Contractor with written notice of the deficiency or deficiencies ("Notice of Deficiencies"). The Notice of Deficiencies will identify the deficiencies to be corrected and will state that the Contractor is to either correct the Deficiencies immediately (or such longer period as the City may allow) or according to a Quality Improvement Plan (with included timeline) to be developed by the Contractor (the "Quality Improvement Plan").

(1) If the Contractor is to correct the identified Deficiencies according to a deadline established by the Director, the Contractor will verify in writing to the Director, no later than ten (10) calendar days after the designated deadline, that Contractor corrected the Deficiencies and the specific measures taken to complete such corrective actions.

(2) If the Contractor is to develop a Quality Improvement Plan, the Contractor will submit to the Director for the Director's approval, within ten (10) calendar days of the date of the Notice of Deficiencies, a Quality Improvement Plan that identifies the actions the Contractor will undertake to correct each identified deficiency and the date that Contractor expects to complete the Quality Improvement Plan. Within thirty (30) calendar days of the date of receipt of Contractor's proposed Quality Improvement Plan, the Director will notify the Contractor in writing of the Director's approval or disapproval. If the Director disapproves of the Quality Improvement plan, the Director will inform the Contractor of the reasons for that disapproval. If the Quality Improvement Plan is disapproved, the Contractor must submit, within ten (10) calendar days of the date of the Director's notice of disapproval, a revised Quality Improvement Plan,

making the changes necessary to address the reasons why the initial Quality Improvement Plan was disapproved. If the Director does not approve or disapprove of the Quality Improvement Plan within ten (10) calendar days of the date of receipt, the City will be deemed to have approved the Quality Improvement Plan.

(3) Within three (3) business days of the date specified in the Quality Improvement Plan for the correction of each identified deficiency, the Contractor will verify in writing to the Director that it corrected each identified deficiency according to the Quality Improvement Plan and will further state the measures taken to correct each identified deficiency. If the Contractor does not complete the Quality Improvement Plan on or before the date designated for completion, the Contractor will provide written notice to the Director within twenty-four (24) hours of the date designated for completion and will state the reasons why the Contractor did not complete the Quality Improvement Plan and provide a new date of expected completion. Contractor's notice of non-completion of the Quality Improvement Plan will not be deemed to be a waiver of Contractor's obligations under the original Quality Improvement Plan. In no case will the deadline proposed in any Quality Improvement Plan exceed one year from the date that the Contractor received official notification of the deficiencies to be corrected.

B. Remedies for failure to timely correct deficiencies. If the Contractor fails to timely correct any deficiency or deficiencies identified by the City, the City has the right to take any or all of the following actions, in addition to any and all other actions authorized by law:

(1) Withhold any or all payments to the Contractor, in whole or in part, until the necessary services or corrections in performance are satisfactorily completed;

(2) Deny any and all requests for payment and/or demand reimbursement from Contractor of any and all payments previously made to Contractor for those services or deliverables that have not been satisfactorily performed and which, due to circumstances caused by or within the control of the Contractor, cannot be performed or if performed would be of no value to the City's Head Start program. Denial of requests for payment and demands for reimbursement will be reasonably related to the amount of work or deliverables lost to the City;

(3) Disallow or deny all or part of the cost of the activity or action that has not been satisfactorily corrected or completed;

(4) Suspend or terminate this Agreement, or any portion or portions thereof, effective immediately (or such longer period as the City may allow) upon written notice to Contractor;

(5) Deny in whole or in part any application or proposal from Contractor for refunding of a Head Start program for a subsequent program year regardless of source of funds;

(6) Reduce any application or proposal from Contractor for refunding of a Head Start program for a subsequent program year by any percentage or amount that is less

than the total amount of compensation provided in this Agreement regardless of source of funds;

(7) Refuse to award Contractor, in whole or in part, any and all additional funds for expanded or additional services under the City's Head Start Grant;

(8) Deny or modify any future awards, grants, or contracts of any nature by the City regardless of funding source for Contractor;

(9) Modify, suspend, remove, or terminate the Services, in whole or in part. If the Services, or any portion thereof, are modified, suspended, removed, or terminated, the Contractor will cooperate with the City in the transfer of the Services as reasonably designated by the City; or

(10) Take other remedies that may be legally available.

19. OTHER GROUNDS FOR TERMINATION:

A. By the City.

(1) The City has the right to terminate this Agreement upon thirty (30) calendar days' written notice to Contractor for any default by the Contractor under this Agreement other than the failure to correct an identified deficiency which default has not been cured within the time period as set forth pursuant to Section 18.

(2) The City further has the right to terminate this Agreement upon thirty (30) days' written notice for the convenience of the City, if the Grant is suspended or terminated, in whole or in part, by HHS, or if the Contractor demonstrates to the Director that it is unable or unwilling to comply with any updated or additional program requirements lawfully imposed on the Head Start Program and the Services.

(3) Notwithstanding the preceding paragraphs, the City may terminate the Agreement, in whole or in part, if the Contractor or any of its officers or employees who have contact with Head Start children are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of violence, sexual assault, assault, battery, child abuse or endangerment, neglect of a child, child sexual assault, bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

Contractor will timely notify the City in writing if any employee, agent or contractor of Contractor is convicted or found liable, pleads *nolo contendere*, enters into a formal agreement in which the person admits guilt or liability, enters a plea of guilty, or otherwise admits culpability or liability for crimes of violence, sexual assault, assault, battery, child abuse or endangerment, neglect of a child, child sexual assault, bribery, kickbacks, collusive bidding, bid-

rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature, in connection with Contractor's business.

B. By the Contractor. The Contractor may terminate this Agreement for substantial breach by the City, including the failure to compensate Contractor timely for services performed under this Agreement, that has not been corrected within thirty (30) calendar days of Contractor's written notice to do so identifying the breach including but not limited to the City's failure to meet its obligations herein and if additional conditions are lawfully applied by HHS to the Grant and upon the City, and the Contractor is unable or unwilling to comply with such additional conditions, then the Contractor may terminate this Agreement by giving thirty (30) days' written notice signifying the effective date of termination. In such event, the City has the right to require the Contractor to make adequate arrangements to transfer the City's Head Start programs, operations, and activities to another Contractor or to the City. In the event of any termination, all property and finished or unfinished documents, data, studies, reports purchased or prepared by the Contractor under this Agreement will be disposed of according to HHS directives. Notwithstanding any other provision contained herein, the Contractor will not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by the Contractor and the City may withhold reimbursement to the Contractor for the purpose of set-off until such time as the exact amount of damages due the City from the Contractor is agreed upon or otherwise determined.

C. Nothing in this Agreement gives the Contractor the right to perform services under this Agreement beyond the time when such services become unsatisfactory to the Director. If the Agreement is terminated with or without cause the Contractor will not have any claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement. In the event that this Agreement is terminated prior to the expiration date specified in Section 4 above, Contractor will submit any and all outstanding reports or requested information within forty-five (45) calendar days of the date of early termination. In addition, if this Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient.

20. PROCUREMENT:

A. Tangible Property. The Contractor shall comply with all federal regulations applicable to property and procurement standards (which are currently presented in 45 CFR Part 75). With respect to the procurement of goods and services, supplies, and equipment, as such terms are presented in 45 CFR Part 75, the Contractor shall use its own documented procurement procedures as long as such procedures conform to applicable Federal and City laws, the standards identified in this Section, and 45 CFR Parts 75-327 through 75.335. All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The Contractor shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or

otherwise restrain trade. The Contractor will establish written procurement standards covering competition, conflicts of interest, and governing the actions of employees engaged in the selection, award, and administration of contracts consistent with the “Procurement Standards” contained in 45 C.F.R. Part 75 and consistent with the requirements contained in this Section 20.

B. Inventory. The Contractor will establish and submit to the Head Start Director an annual inventory list, in such format as designated by the City’s Head Start Director, of all unused supplies exceeding Five Thousand Dollars (\$5,000.00) in total aggregate value and all equipment purchased under this Agreement. Contractor will update said inventory list as necessary on a timely basis. The inventory will specify the location of all supplies and equipment so purchased. The Contractor will also cause its Subdelegates and, if directed by the Director in writing, any Vendor to establish and maintain a similar inventory list for all supplies and equipment purchased with funds provided under this Agreement.

C. Real Property; Intangible Property. Contractor will not use Head Start funds to purchase or otherwise acquire title to real or intangible property without the prior written consent of the City. Any proposed transaction to acquire title to real or intangible property will be made in conformance with applicable federal laws and any and all requirements as may be designated by the City.

21. SITE LOCATIONS, LEASES AND LICENSES:

A. Site Locations/Leases. The Contractor will operate Head Start programs at the facilities and locations identified on **Exhibit F**, entitled Site Locations. The Contractor will be responsible for executing any and all leases or amendments of leases of the real property and/or facilities designated on **Exhibit F**. The Contractor will maintain, and will cause any and all Subdelegates to maintain, copies of all leases and amendments thereto executed in the performance of services under this Agreement, and will deliver copies thereof to the City upon request.

B. Changes to Site Locations. If the Contractor or any employee determines that it is necessary to move, change or operate a Head Start program in any other facility or location, it will notify the Director in writing within fourteen (14) calendar days of the date of such determination and will provide an explanation as to the reason why the move, change or new operation should be undertaken. The Contractor will not move, change or operate any Head Start program in any other facility or location, unless the City has approved of such move, change or operation in writing, in advance of any contractual obligation and occupancy by the Contractor of such new facility.

C. Smoke and Toxin Free Facilities. All Head Start Sites and facilities operated by the Contractor and its Subdelegates and any Vendor will be free of toxins. The Contractor will further provide a smoke free environment for all Head Start children and adults consistent with federal and City policies concerning the use or sale of tobacco in Head Start or City facilities, as such policies may be amended from time to time. No class will be operated in a facility that does not comply with any applicable federal or City policies. No class will be operated

in a facility that is not a smoke or toxin free facility.

D. Licensing of Site Locations. The Contractor will obtain and maintain any and all required and appropriate licenses to operate Head Start programs. No site location will be opened and no Head Start funds will be paid to the Contractor if the Contractor does not have in place, prior to opening each site location and maintaining throughout the term of this Agreement, any and all required and appropriate license for each and every site location. The Contractor will provide the Director with a copy of current licenses maintained by the Contractor for each site location identified in **Exhibit F**. In addition, the Contractor will secure, post and maintain in its files copies of current health inspection reports for each kitchen facility utilized in the preparation of food for each site location identified in **Exhibit F**. If, at any time during the term of this Agreement, any such health clearance or license is revoked, suspended or modified, or if the Contractor in any other manner loses the clearance or license, the Contractor will give immediate written notice to the Director. In such an event, the City may, in its sole discretion, order corrective action or suspend or terminate this Agreement. Head Start funds will not be paid to the Contractor to operate a Head Start Program in a site location that is not covered by the aforementioned clearances and/or licenses. If Contractor receives any order, direction, notice or other communication concerning the licensing of any site location assigned to the Contractor by the City, the Contractor will be solely responsible for taking any and all action required to maintain all licenses in good standing. The Contractor will submit a copy to the Director of all such orders, reports, direction, notices or communications within twenty-four (24) hours of Contractor's receipt thereof. The Contractor will notify the Director in writing within twenty-four (24) hours of Contractor's receipt of any notice of immediate closure of any site location assigned to the Contractor by the City. The Contractor will comply by the required date and time. The City reserves the right to require Contractor to cease or suspend program operations at any time if the City determines that a danger exists to the health, safety or well-being to the children enrolled in Head Start programs.

22. S. No Discrimination in Employment (City Executive Order No. 8). In connection with the performance of work under this Agreement, the Contractor agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender expression or gender identity, marital status, or physical or mental disability; and the Contractor further agrees to insert the foregoing provision in all subcontracts hereunder;

T. City and County of Denver Executive Order No. 94 concerning the use, possession or sale of alcohol or drugs. The Contractor, its officers, agents and employees will cooperate and comply with the provisions of Executive Order 94 and Attachment A thereto concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in the City barring the Contractor's personnel from City facilities or participating in City operations;

U. No Employment of Illegal Aliens to Perform Work Under the Agreement (City Ordinance):

(1) This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the "Certification Ordinance").

(a) It shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(b) It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with an illegal alien to perform work under the Agreement.

(c) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in the E-Verify Program.

(d) It is prohibited from using the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and that otherwise requires the Contractor to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(e) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with an illegal alien, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor will also then terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the illegal alien, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with an illegal alien.

(4) The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

V. Payment of city minimum wage: Contractor shall comply with, and agrees to be bound by, all requirements, conditions, and City determinations regarding the City's Minimum Wage Ordinance, Sections 20-82 through 20-84 D.R.M.C., including, but not limited to, the requirement that every covered worker shall be paid no less than the City Minimum Wage in accordance with the foregoing D.R.M.C. Sections. By executing this Agreement, Contractor expressly acknowledged that it is aware of the requirements of the City's Minimum Ordinance and that any failure by Contractor, or any other individual or entity acting subject to this Agreement,

to strictly comply with the foregoing D.R.M.C. Sections shall result in the penalties and other remedies authorized therein.

23. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS: The Agreement is the complete integration of all understandings between the parties as to the subject matter of the Agreement. No prior or contemporaneous addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No subsequent novation, renewal, addition, deletion, or other amendment will have any force or effect unless embodied in a written amendment to the Agreement properly executed by the parties. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City. The Agreement is, and any amendments thereto will, be binding upon the parties and their successors and assigns. Amendments to this Agreement will become effective when approved by both parties and executed in the same manner as this Agreement.

24. CONFLICT OF INTEREST:

A. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement; and the Contractor shall not hire, or contract for services with, any employee or officer of the City in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

B. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest which shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict. The Contractor will have thirty (30) days after the notice is received to eliminate or cure the conflict of interest in a manner which is acceptable to the City.

E. Confidentiality; No Ownership by Contractor: Unless otherwise permitted expressly by applicable law, all Personal Information collected, used, processed, stored, or generated as the result of the services to be provided under this Agreement will be treated by Contractor as highly confidential information. Contractor will have no right, title, or interest in any Personal Information or any other data obtained or supplied by Contractor in connection with the services to be provided under this Agreement. The City shall own all Client Information, and any other work product, with or without Personal Information, developed or obtained by Contractor pursuant to this Agreement and such information or work product are considered to be “City Data”. This Section will survive the termination of this Agreement.

G. Employees and Subcontractor: Contractor will ensure that, prior to being granted access to the Data, Contractor Staff who perform work under this Agreement have all undergone and passed criminal background screenings; have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all Data protection provisions of this Agreement; and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the Data they will be handling. Only those employees of the Contractor who have a direct need for City Data shall have access to any information provided to Contractor under this Agreement. Prior to allowing any employee of the Contractor to access or use any City Data, the Contractor shall require any such employee to review and agree to the usage and access terms outlined in this Agreement. Contractor will inform its employees and officers of the obligations under this Agreement, and all requirements and obligations of Contractor under this Agreement shall survive the expiration or earlier termination of this Agreement. Contractor shall not disclose Proprietary Data or City Data to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement. Unless Contractor provides its own security protection for the information it discloses to a third-party service provider, the Contractor shall require the third party service provider to implement and maintain reasonable security procedures and practices that are appropriate to the nature of the City Data and protected information disclosed and reasonably designed to protect the City Data and protected information from unauthorized access, use, modification, disclosure, or destruction.

H. Loss of Personal Information or City Data: In the event of any act, error or omission, negligence, misconduct, or breach that compromises or is suspected to compromise the security, confidentiality, or integrity of Personal Information or City Data, Contractor will, as applicable: (i) notify the person affected and the City as soon as practicable but no later than twenty-four (24) hours of becoming aware of such occurrence; (ii) cooperate with the person

affected and the City in investigating the occurrence, including making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by the person affected or the City; (iii) in the case of Personal Information and if required by applicable law, at the affected person's sole election: (A) notify the affected individuals in accordance with any legally required notification period; or, (B) reimburse the person affected for any costs in notifying the affected individuals; (iv) in the case of Personal Information and if required by applicable law, provide third-party credit and identity monitoring services to each of the affected individuals for the period required to comply with applicable law; (v) perform or take any other actions required to comply with applicable law as a result of the occurrence; (vi) indemnify, defend, and hold harmless the City and the person affected for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City or the person affected in connection with the occurrence; (vii) be responsible for recovering lost data and information in the manner and on the schedule set forth by the City without charge to the person affected, and (viii) provide to the City and the person affected a detailed plan within ten (10) calendar days of the occurrence describing the measures Contractor will undertake to prevent a future occurrence. Notification to affected individuals, as described above, will comply with applicable law, be written in plain terms in English and in any other language or languages specified by the affected individual, and contain, at a minimum: (i) name and contact information of Contractor's representative; (ii) a description of the nature of the loss; (iii) a list of the types of data involved; (iv) the known or approximate date of the loss; (v) how such loss may affect the affected individual; (vi) what steps Contractor has taken to protect the affected individual; what steps the affected individual can take to protect himself or herself; (vii) contact information for major credit card reporting agencies; and (viii) information regarding the credit and identity monitoring services to be provided by Contractor. I. Data Retention and Destruction: Using appropriate and reliable storage media, Contractor will regularly backup all City Data and Personal Information used in connection with this Agreement and retain such backup copies consistent with the Contractor's data retention policies. Upon termination of the Agreement, at the City's election, Contractor will either securely destroy or transmit to City the City Data in an industry standard format. Upon the City's request, Contractor will supply City a certificate indicating the records disposed of, the date disposed of, and the method of disposition used. With respect to City Data controlled exclusively by Contractor, Contractor will immediately preserve the state of the Personal Information or City Data at the time of the request and place a "hold" on Personal Information or City Data destruction or disposal under its usual records retention policies of records that include Personal Information or City Data, in response to an oral or written request from City indicating that those records may be relevant to litigation that City reasonably anticipates. Oral requests by City for a hold on record destruction will be reduced to writing and supplied to Contractor for its records as soon as reasonably practicable under the circumstances. City will promptly coordinate with Contractor regarding the preservation and disposition of these records. Contractor shall continue to preserve the records until further notice by City. This Section will survive the termination of this Agreement.

J. No other Databases: Except as expressly approved in advance by the City, Contractor will not establish or maintain a separate database containing Personal Information or City Data to provide the services under the Agreement.

K. Data Transfer Upon Termination: Upon termination or expiration of this Agreement and City's request, Contractor will ensure that all Personal Information and City Data is securely transferred to City, or a party designated by City, within thirty (30) calendar days. Contractor will ensure that the data will be provided in an industry standard format. Contractor will provide City with no less than ninety (90) calendar days' notice of impending cessation of its business or that of any Contractor subcontractor and any contingency plans in the event of notice of such cessation. In connection with any cessation of Contractor's business with its customers, Contractor shall implement its contingency and/or exit plans and take all reasonable actions to provide for an effective and efficient transition of service with minimal disruption to City. Contractor will work closely with its successor to ensure a successful transition to the new service or equipment, with minimal downtime and effect on City, all such work to be coordinated and performed in advance of the formal, final transition date mutually agreed upon by Contractor and City.

L. Disclaimer: Notwithstanding any other provision of this Agreement, the City is furnishing Proprietary Data and City Data on an "as is" basis, without any support whatsoever, and without representation, warranty or guarantee, including but not in any manner limited to, fitness, merchantability or the accuracy and completeness of the Proprietary Data or City Data. Contractor is hereby advised to verify its work. The City assumes no liability for any errors or omissions herein. Specifically, the City is not responsible for any costs including, but not limited to, those incurred as a result of lost revenues, loss of use of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third parties, or for similar costs. If discrepancies are found, Contractor agrees to contact the City immediately.

M. Open Records: The Parties understand that all the material provided or produced under this Agreement may be subject to the Colorado Open Records Act, § 24-72-201, *et seq.*, C.R.S., and that in the event of a request to the City for disclosure of such information, the City shall advise Contractor of such request in order to give Contractor the opportunity to object to the disclosure of any of its proprietary or confidential material. In the event of the filing of a lawsuit to compel such disclosure, the City will tender all such material to the court for judicial determination of the issue of disclosure and Contractor agrees to intervene in such lawsuit to protect and assert its claims of privilege and against disclosure of such material or waive the same. Contractor further agrees to defend, indemnify and save and hold harmless the City, its officers, agents and employees, from any claims, damages, expenses, losses or costs arising out of Contractor's intervention to protect and assert its claim of privilege against disclosure under this Article including, but not limited to, prompt reimbursement to the City of all reasonable attorney fees, costs and damages that the City may incur directly or may be ordered to pay by such court.

29. INTELLECTUAL PROPERTY RIGHTS:

A. City's Intellectual Property. The City and Contractor intend that all property rights to any and all data, information, materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information, any derivative works thereof, supplied by the City to the Contractor in connection with the Services, in preliminary or final form and on any media whatsoever (collectively, "Materials"), shall belong to the City.

B. New Original Works. The City and Contractor intend that all property rights to new materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, music, sketches, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created, developed, or supplied by the Contractor in connection with the Services, any derivative works thereof, in preliminary or final form and on any media whatsoever (collectively, "New Original Works"), shall belong to the City free and clear from any and all claims of any nature relating to the Contractor's contributions and other efforts. The Contractor shall disclose all such items to the City unless the Director directs otherwise in writing. Contractor assigns to the City and its successors and assigns, the entire right, title, and interest in and to all causes of action, either in law or in equity, for past, present, or future infringement of intellectual property rights related to the New Original Works and all works based on, derived from, or incorporating the New Original Works. Whether or not Contractor is under contract with the City at the time, Contractor shall execute applications, assignments, and other documents, and shall render all other reasonable assistance requested by the City, to enable the City to secure patents, copyrights, licenses and other intellectual property rights related to the New Original Works.

(1) To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the New Original Works are a "work made for hire" and all ownership of copyright in the New Original Works shall vest in the City at the time the New Original Works are created. To the extent that the New Original Works are not a "work made for hire," the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the New Original Works to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity. The Contractor will not copyright, trademark or patent any work, materials, devices, methods, processes, or products New Original Works developed by Contractor as a result of the Services provided under this Agreement without the prior written approval of the City and, if required, the federal government. To the extent that Contractor cannot make any of the assignments required by this article, Contractor hereby grants to the City a perpetual, irrevocable, royalty-free license to use, modify, copy, publish, display, perform, transfer, distribute, sell, and create derivative works of the New Original Works and all works based upon, derived from, or incorporating the New Original Works by all means and methods and in any format now known or invented in the future. The City may assign and license its rights under this license.

(2) In addition, Contractor grants to the City, and the federal government if required, (and to recipients of New Original Works distributed by or on behalf of

the City) a perpetual, worldwide, no-charge, royalty-free, irrevocable patent license to make, have made, use, distribute, sell, offer for sale, import, transfer, and otherwise utilize, operate, modify and distribute the contents of the New Original Works.

C. License. The City hereby grants a non-exclusive limited license to the Contractor to use, during the Term, the Materials and New Original Works for Head Start purposes only as well as any other Head Start program related materials, text, logos, documents, booklets, manuals, references, guides, brochures, applications, forms, advertisements, photographs, data, ideas, methods, inventions, and any other work or recorded information furnished to the Contractor for purposes of this Agreement, whether in preliminary or final forms and on any media. The Contractor may reproduce the Materials or New Original Works, add to them, combine them or otherwise modify them only for purposes of administering Head Start programs. Any other addition, combination or modification will require the prior written permission of the Director. The Contractor, upon the expiration or earlier termination of this Agreement, will return all such Materials and New Original Works, and all copies thereof, or will provide written verification that all such Materials and copies thereof have been destroyed by Contractor.

D. Contractor's Pre-existing Works. The Contractor shall retain all property rights to Contractor's Pre-existing materials, including derivative works, developed prior to the commencement date that are used in the performance of the Services ("Contractor's Pre-existing Materials"). The Contractor will disclose to the Director all Contractor's Pre-existing Materials, including derivative materials thereof, that Contractor uses in providing the Services. The City will not copyright, trademark or patent any of Contractor's Pre-existing Materials. Contractor hereby grants a non-exclusive limited license to the City to use for Denver's Head Start Program purposes only Contractor's Pre-existing Materials.

E. Derivative Works. The parties intend that derivative works shall include revisions, improvements, alterations, adaptations, translations, or modifications to Contractor's Pre-existing materials or New Original Works, as appropriate. Contractor will not include any of the City's New Original Works in any derivative works to Contractor's Pre-existing materials.

F. Trademarks/Copyrights. Each party to this Agreement acknowledges the validity of the other party's service marks, trademarks, tradenames, patents, or copyrights, if any, and will not in any way infringe upon or otherwise harm the other party's rights or interests in such property.

30. LEGAL AUTHORITY: Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of Contractor represents and warrants that he has been fully authorized by Contractor to execute the Agreement on behalf of Contractor and to validly and legally bind Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either Contractor or the person signing the Agreement to enter into the Agreement.

31. NO CONSTRUCTION AGAINST DRAFTING PARTY: The parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any party merely because the Agreement or any provisions thereof were prepared by a particular party.

32. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

33. INUREMENT: The rights and obligations of the parties to the Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

34. TIME IS OF THE ESSENCE: The parties agree that in the performance of the terms, conditions, and requirements of this Agreement, time is of the essence.

35. NO THIRD-PARTY BENEFICIARY: Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

36. PARAGRAPH/SECTION HEADINGS: The captions and headings set forth herein are for convenience of reference only, and shall not be construed as to define or limit the terms and provisions hereof.

37. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion thereof to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

38. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the D.R.M.C.

39. CITY EXECUTION OF AGREEMENT: This Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

41. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS: Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

Section 1. Program Design and Approach to Service Delivery

Program Goals

There are no additions, deletions, or revisions to our program's goals, objectives, and outcomes. Please see the attached document for our goals and accomplishments.

To position itself in direct alignment to the Head Start Early Learning Outcomes Framework (ELOF), MHEL has identified the following school readiness goals.

- Social and Emotional Development
 - Children display developmental growth in their social-emotional skills, demonstrated by meaningful relationships with peers and adults and an increase in independent problem-solving skills.
- Approaches to Learning
 - Children exhibit an increasing ability to engage in their environment by seeking out new information, asking questions, and exploring interests.
- Physical Development and Health
 - Children display an increased understanding of health and wellness habits, as well as an individual progression of physical abilities and skills.
- Language and Literacy Acquisition
 - Children display growth in the acquisition of listening, speaking, reading, and writing skills.
- Cognitive Development and General Knowledge

- Utilizing pre-existing knowledge of the physical and social world, children demonstrate growth in higher order thinking such as reasoning and cognitive problem solving.

Each school readiness goal requires the foundational support of the families' knowledge, skill building, and engagement in their child's development across all domains. Because MHEL provides services to children birth to five years-old, in many cases we will be able to follow the child from their first years at MHEL through their preschool years, creating a comprehensive account that informs the child's development and progress. MHEL provides high quality services to children and families that result in school readiness for the child. School readiness is a comprehensive undertaking and needs parent participation to be most successful. That is why we begin our work with parents of preschoolers from the beginning of the process which is at enrollment.

Service Delivery

1. Service and Recruitment Area

MHEL will continue our partnership with Warren Village, in North Capitol Hill, for 16 slots. They provide transitional housing to single-parent families who are homeless in the Metro Denver area. Our second early learning partner, New Legacy Charter High School, focuses on pregnant and parenting teens. New Legacy is designed as a two-generation educational program to support the needs of young parents and their children and is committed to quality in both its program for pregnant and parenting teens and in its early childhood center. The school is located in northwest Aurora but also

draws families from Denver. MHEL will place eight Head Start slots at NLCHS. KIPP Northeast, MHEL's third early learning partner, opened its first ECE program in the Westwood area in 2017. KIPP school leaders strongly value early education and understand that the first few years of a child's life are the most formative. The school serves a diverse learning community, and strives to create an environment that encourages and fosters progress and growth in all developmental areas. MHEL will continue to partner with KIPP Northeast for 16 slots.

MHEL proposes to retain 68 part-day slots at our Lowry and Westwood Early Learning Centers. Part-day slots have been demonstrated to be the first choice for families who might prefer to keep their youngest children at home but at the same time, value the "school experience" that a part day option offers. All MHEL centers are in areas where between twenty and fifty percent of children live in poverty. All MHEL and partner centers are located in neighborhoods where at least 25% of child children live in households receiving public benefits.

2. Needs of Children and Families

Children and families in ten of the eleven centers MHEL serves show need according to the Child Well-Being index. All eleven centers serve children and families from neighborhoods whose average is at the 40-50% poverty level. About 85-90% of the children served are eligible for free and reduced lunch regardless of what neighborhood the center is in. According to the CA "there has been a rapid growth of new minority groups composed of Hispanics, Asians, and multi-racial populations" who make up 66% of the total population in Denver. Research has shown that children in these groups generally have fewer economic and educational opportunities, and 85% of the children

MHEL serves fall in these groups. Our service area continues to cover high poverty areas in the City and County of Denver that have very few options for high quality care.

MHEL will continue to offer extended-day year-round programs specifically to meet the needs of parents who are working and/or going to school. For parents who do not need or want the extended-day education option, MHEL has offered the part and full-day option. We believe the part-day option supports high quality early learning school readiness experiences for young children and meets the needs and preferences of the community we work to serve

4. Centers and Facilities:

There have been no changes to MHEL centers and facilities.

5. Eligibility, Recruitment, Selection, Enrollment, and Attendance

There have been no changes to our processes for ensuring compliance with all ERSEA regulations.

6. Education and Child Development

There have been no changes to how we are providing Education and Child Development Services.

7. Health

There have been no changes in to health services for children in the program.

8. Family & Community Engagement

MHEL serves an extremely diverse population with almost half of the families who enrolled during the last program year speaking a language other than English at home. MHEL meets the individualized needs of children and their families who are non-English speaking. Since Spanish-speaking families are the majority of non-English speaking families in MHEL centers, MHEL gives preference to qualified applicants for employment who are also bilingual in English and Spanish. MHEL actively recruits bilingual candidates and requires bilingual skills in certain positions. In the classrooms where most students have Spanish as their home language, MHEL makes it a priority that one of the teaching staff in the classroom is bilingual in Spanish or in a language that meets the need of the children. At our Westwood Early Learning Center Family Services staff are also bilingual to support both the children and their families. In addition to Spanish we also have a number of families who speak various African dialects at the Lowry Early Learning Center. We also have three education staff that speak various African dialects at the Lowry center as well.

MHEL reaches out to other community agencies to provide support for other languages including the African Community Center and DPS which can provide translators.

9. Services for Children with Disabilities

There have been no changes to services for children with disabilities.

10. Transition

There have been no changes to our transition process.

12. Transportation

There have been no changes to transportation services.

Governance, Organizational, and Management Structures

1. Governance

The MHEL Board of Directors and the Policy Committee partner closely to oversee and administer the grant. The Board has legal and fiscal responsibility for the organization and takes an active role in the planning and evaluation of the Head Start program. The Policy Committee's responsibilities include program planning, assessment, and administration in accordance with the HSPPS. MHEL is committed to providing parents with opportunities to become leaders and advocates for their child's education. MHEL's ensures that its Board has at least one fiscal expert and one attorney. In addition, Board members include community member with expertise in early childhood education, pediatric health, nonprofit governance, human resources, communications and marketing, development, and local government. Parent Representatives of the Policy Committee are elected to serve on the Board.

The Board and Policy Committee receive training each year on MHEL's shared governance policy, HSPPS, and MHEL's eligibility determination policies. The two bodies review and approve the Head Start program policies and review financial statements monthly. They also receive monthly trainings on and updates with regard to each department of MHEL. The Head Start Director participates in all the Board and Policy Committee Meetings and regularly presents updates on the status of the program so that the Board and Policy Committee can use key program information to inform their decisions.

At MHEL, the parent committees have set aside a designated time during center parent meetings and activities for parents to ask any questions or express any concerns and to communicate their ideas to staff and to Policy Committee representatives. The Policy Committee representatives are then able to communicate the information from their specific center with the entire committee and Head Start Director at monthly meetings. It is the responsibility of the Head Start Director to discuss these concerns with other members of the MHEL staff including the senior management team and the President/CEO as appropriate.

2. Human Resources Management

There have been no major changes to our human resources management systems.

3. Program Management and Quality Improvement

There have been no major changes to our program management and quality improvement areas. MHEL has had no areas of noncompliance, deficiencies, safety incidents, or audit findings.

Notes:

Unusual Situation or Special Programming

No unusual situations or special programming is supported by the Head Start budget.

Cash and Other Resources Used to Support the Project in Addition to the Federal Funds Requested and the Required Non-Federal Match

Other resources used to support our Head Start program include the Child Care Block Grant (CCAP and TANF), the Child and Adult Care Food Program (CACFP), Denver Preschool Program (DPP), and Colorado Preschool Program (CPP).

Shared Staff, Facilities and Equipment

MHEL operates its Head Start program in conjunction with early care and education programming for infants, toddlers, and preschoolers. Therefore, facilities, staff, supplies and equipment, and administrative support are shared among all programs. Costs not covered in the Head Start budget are expensed in the MHEL operating budget.

Legal Fees and Attorney Costs

Legal fees are budgeted in the MHEL general operating budget for legal consultation regarding personnel issues and policies, and consultation regarding OCR and ADA issues. There are not any legal fees budgeted in the Head Start budget.

Non-Federal Share

MHEL Required Share: \$461,032.75

Participation in the Head Start program requires that Mile High Early Learning (MHEL) contribute 25% of its total Head Start grant amount in non-federal dollars and/or in-kind donations.

This is the estimated detail for the 2019/2020 grant year:

Description	Amount	Budget Category
<ul style="list-style-type: none"> Classroom and field trip volunteering Family literacy sheets Administrative assistance 	\$102,480	Personnel Teacher Assistants - \$14.64/hr. for 7,000 hours
<ul style="list-style-type: none"> Translation services 	\$6,260	Personnel Translation services - \$960

<ul style="list-style-type: none"> • Board of Directors' volunteer time to attend meetings • Parents and community members' time to attend Policy Committee meetings 		Board of Directors - \$4,100 Policy Committee - \$1,200
<ul style="list-style-type: none"> • Denver Preschool Program 	\$163,200	Contractual - These funds will be used to purchase classroom supplies, occupancy costs, personnel costs, and other general operating expenses.
<ul style="list-style-type: none"> • Colorado Preschool Program 	\$102,000	Contractual – These funds will be used to purchase classroom supplies, occupancy costs, personnel costs, and other general operating expenses.
<ul style="list-style-type: none"> • Building depreciation 	\$70,226	Other – Rent
<ul style="list-style-type: none"> • Fringe benefits 	\$16,866.75	Fringe benefits
TOTAL	\$461,032.75	

Direct Expenses:

Non-Federal share (non-federal dollars) can come from direct expenses that are allocable to the award such as salaries, benefits, occupancy, etc.

Volunteers:

In-kind donations can come from volunteer sources including family literacy sheets, classroom volunteers, field trip chaperones, parent volunteers, policy council meeting, or other Head Start required meetings.

Volunteers can be parents or members of the community. The volunteer wage rate is calculated based upon the service the volunteer is providing. For example, if the volunteer is helping in the classroom, the wage rate for Teacher Assistants (current average \$14.64) is used; the Policy Committee member's rate is calculated at the salary of the Head Start Director (current average \$39.13); and the rate used for volunteers painting a classroom is the average wage rate (current average \$22.41) of our maintenance department staff. The fringe benefit rate used for in-kind calculations is the same as the Agency rate for Head Start employees.

Completion of the volunteer time sheets is the responsibility of the Program Directors and the Family and Community Advocates (FCA). Each Head Start classroom has a monthly volunteer time sheet that is filled out and signed by each volunteer. Other types of approved documentation for in-kind donations include "Family Literacy" forms and "Vouchers for Non-Federal Share In-kind Contribution" forms. At the end of each month/week, the Program Directors or FCAs review the forms for accuracy and then give the forms to the Family and Community

Partnerships Coordinator (FCPC). The FCPC reviews them for completeness, reasonableness, and propriety, then gives them to the Administrative Assistant.

The MHEL Administrative Assistant is responsible for calculating the dollar value of the volunteers' time. The forms are then given to the Controller who is responsible for compiling all the in-kind donations by center and then reporting the information to the Denver Great Kids Head Start city office.

In-Kind Donations:

In-kind donations can come from supplies and services donated directly to the MHEL program as long as the goods or services that are being donated would have been purchased by the agency for the benefit of the Head Start program.

In-kind donations can also come from below-market rate or donated early childhood education center leases. In accordance with CFR 200, MHEL has its below-market rate or donated early childhood education centers appraised every three years to determine the fair market value of the space. MHEL determines the allocable amount to Head Start based on the number of Head Start student FTE enrolled at each center. Four early learning centers are leased from the City: Westwood, Anna Jo Garcia Haynes, Northeast, and Lowry. Other properties are leased through the Denver Housing Authority - Sun Valley and Denver Lions Club - Rude Park.

Other:

MHEL uses Denver Preschool Program (DPP) and Colorado Preschool Program (CPP) revenue as part of our non-federal share requirement. DPP revenue is received on all kindergarten bound preschoolers, with about 98% of those preschoolers also receiving Head Start services. CPP revenue can be received for infants, toddler, and preschool children. MHEL expects to receive 153 CPP slots at the rate of \$375 per slot, per month for September 2019 through May 2020.

MHEL Financial & Property Management System

MHEL's Fiscal department includes a Director of Finance and a Controller. Total experience in nonprofit financial management exceeds 50 years.

MHEL uses accounting software Intacct, which complies with GAAP. Each year MHEL is audited by an outside, independent auditing firm for both the standard audit and the CFR 200 compliant (formally A-133) audit. MHEL provides audited financial statements to funders as required.

Within the accounting system, MHEL tracks property with a value of \$5,000 or greater and applies a 5-year straight line depreciation schedule.

MHEL operates a strict dual control accounting system. Individuals that can make entries in the accounting system do not have the ability to sign checks or release funds from financial institutions. In addition, all checks that exceed \$999.99 require two signatures.

Monthly financial reports are provided to the President & CEO, the MHEL Board of Directors, the Head Start Director and the Head Start Policy Committee.

EXHIBIT G

Sec. 20-76. - Payment of prevailing wages.

- (a) *Required.* Every worker, mechanic or other laborer employed by any contractor or subcontractor in the work of drayage or of construction, alteration, improvement, repair, maintenance or demolition on any city-owned or leased building or on any city-owned land, pursuant to a contract by or in behalf of the city, or for any agency of the city, or financed in whole or in part by the city, or any agency of the city, or engaged in the work of a doorkeeper, caretaker, cleaner, window washer, porter, keeper, janitor, or in similar custodial or janitorial work in connection with the operation of any such city-owned or leased building by or in behalf of the city, or for any agency of the city, or financed in whole or in part by the city, or any agency of the city, shall be paid not less than the wages and fringe benefits prevailing for the same class and kind of work in the Denver metropolitan area as determined by the career service board under subsection (c). The Denver metropolitan area shall be determined by the career service board. This section shall not apply to any participant in a youth employment program certified by the city where the participant is employed in non-construction work, including the work of materials furnishing, servicing and maintenance of any city-owned or leased building or on city-owned land and the work of landscaping that is not performed in connection with the construction or renovation of a city-owned or leased building; nor shall this section apply to situations where there is no contract directly requiring or permitting the work described above, or contracts that are neither a revenue or expenditure contract contemplating such work, such as licenses or permits to use city-owned land.
- (b) *Contract specifications.* Every contract with an aggregate value, including all change orders, amendments or other alterations to the value, in excess of two thousand dollars (\$2,000.00) to which the city or any of its agencies is a party which requires the performance of work involving drayage or involving construction, alteration, improvements, repairs, maintenance or demolition of any city-owned or leased building or on any city-owned land, or which requires the performance of the work of a doorkeeper, caretaker, cleaner, window washer, porter, keeper, janitor, or similar custodial or janitorial work in connection with the operation of any such public building or the prosecution of any such public work, shall contain a provision stating that the minimum wages to be paid for every class of laborer, mechanic and worker shall be not less than the scale of wages from time to time determined to be the prevailing wages under subsection (c). Every contract based upon these specifications shall include the actual date of bid or proposal issuance, if applicable, or the date of the written encumbrance if no bid/proposal issuance date is applicable. Contracts shall contain a stipulation that the contractor or subcontractor shall pay mechanics, laborers and workers employed directly upon the site of the work the full amounts accrued at time of payment, computed at wage rates not less than those stated or referenced in the specifications, and any addenda thereto, on the actual date of bid issuance, or on the date of the written encumbrance, as applicable, for contracts let by informal procedure under D.R.M.C. section 20-63(b), regardless of any contractual relationship which may be alleged to exist between the contractor or subcontractor and such laborers, mechanics and workers. Increases in prevailing wages subsequent to the date of the contract for a period not to exceed one (1) year shall not be mandatory on either the contractor or subcontractors. Future changes in prevailing wages on contracts whose period of performance exceeds one (1) year shall be mandatory for the contractor and subcontractors only on the yearly anniversary date of the contract. Except as provided below, in no event shall any increases in prevailing wages over the amounts thereof as stated in such specifications result in any increased liability on the part of the city, and the possibility and risk of any such increase is assumed by all contractors entering into any such contract with the city. Notwithstanding the foregoing, the city may determine and may expressly provide in the context of specific agreements that the city will reimburse the contractor at the increased prevailing wage rate(s). Decreases in prevailing wages subsequent to the date of the contract for a period not to exceed one (1) year shall not be permitted. Decreases in prevailing wages on contracts whose period of performance exceed one (1) year shall not be effective except on the yearly anniversary date of the contract.
- (c) *Determination of prevailing wages.*

EXHIBIT G

- (1) The city council hereby declares that it is in the best interests of the city to have a uniform determination of the prevailing wages to be paid to the various classes of laborers, mechanics and workers which will be required in the performance of work covered by this section.
- (2) The city council hereby finds and concludes that the federal government, in implementing the Davis-Bacon Act (40 U.S.C. § 276a to 276a-5), possesses and exercises a superior capability with superior resources to ascertain the basic rate of pay, overtime, and other benefits which accurately represent the current prevailing rate of wages for work covered by that federal law. The career service board shall determine that the prevailing wages applicable to the various classes of laborers, mechanic, and workers covered by this section and the Davis-Bacon Act correspond to the prevailing wage determinations made pursuant to that federal law as the same may be amended from time to time. The board shall undertake to keep and maintain copies of prevailing wage determinations made pursuant to the Davis-Bacon Act (40 U.S.C. § 276a to 276a-5) and any amendments to that federal law. The board shall also keep and maintain such other information as shall come to its attention concerning wages paid in the Denver metropolitan area. The provisions of this section shall supersede any differing provisions of that federal law, except when that federal law is applicable independent of this section.
- (3) It shall be the duty of the career service board to determine, after hearing, the prevailing wages for the various classes of laborers, mechanics, and workers which will be required in the performance of work covered by this section but not be covered by the Davis-Bacon Act, which determinations shall be made at least annually, and as frequently as may be considered necessary by the career service board in order that the determination which is currently in effect shall accurately represent the current prevailing rates of wages. Prior to making such determination, the career service board shall give reasonable public notice of the time and place of the hearing concerning such proposed determination and shall afford to all interested parties the right to appear before it and to present evidence. "Prevailing wages" shall mean, for each class of work covered by this section, but not covered by the Davis-Bacon Act, the rate of pay and the overtime and other benefits granted to such full-time workers in the Denver metropolitan area. The rates shall be determined using the same method as used for those classes which are covered by the Davis-Bacon Act. Should this method cause a reduction in compensation of any class of workers, the career service board will review the appropriateness of using this methodology and may recommend to city council a different method for establishing prevailing wage rates.

If there is insufficient data available in the Denver metropolitan area to determine the rate of pay and the overtime and other benefits or should comparable classes of work not be performed within the Denver metropolitan area for each class of work covered by this section and not covered by the Davis-Bacon Act, the career service board shall refer to the Service Contract Labor Act of 1965, as amended (41 U.S.C. § 351 et seq.) to determine the rate of pay and the overtime and other benefits.

- (4) The office of human resources shall issue clarifications or interpretations of the prevailing wage, and shall provide the auditor any issued clarification or interpretation. If the auditor does not advise the executive director of human resources in writing that it disagrees with any issued clarification or interpretation within thirty (30) days, the clarification/interpretation shall be final. If the auditor advises the executive director of human resources in writing that it disagrees with the clarification or interpretation, then the auditor and the executive director of human resources shall meet to resolve the conflict and, with approval of the career service board, the office of human resources shall issue a final agreed upon clarification or interpretation, or may withdraw the clarification or interpretation, as appropriate.
- (d) *Mandatory contract provisions; enforcement.*
- (1) Every contract covered by this section shall contain a provision requiring the contractor and every subcontractor under such contract to pay every worker, mechanic and laborer employed

EXHIBIT G

under such contract not less than the scale of wages as provided for under subsections (b) and (c).

- (2) Such contract shall further require the contractor and subcontractors to pay all construction workers, mechanics and other laborers at least once a week the full amounts of wages accrued at the time of payment, computed at wage rates not less than those stated in the specifications; except that the contractor and subcontractors shall make such payments to janitorial or custodial workers, and oil and gas employees and contractors, at least biweekly.
- (3) Every such contract shall further provide that the contractor shall post in a prominent and easily accessible place at the site of the work the scale of wages to be paid by the contractor and all subcontractors working under the contractor, and that complaints by third parties, including employees of contractors and subcontractors, of violations may be submitted to the auditor, pursuant to subsection (f).
- (4) The contract shall further provide that if the contractor or any subcontractor shall fail to pay such wages as are required by the contract, the manager of finance shall not approve a warrant or demand for payment to the contractor until the contractor furnishes the auditor evidence satisfactory to the auditor that such wages so required by the contract have been paid. Nothing herein shall preclude the manager of finance from approving a partial warrant or demand for payment to the contractor to the extent the auditor has been furnished evidence satisfactory to the auditor that one or more subcontractors has paid such wages required by the contract, even if the contractor has not furnished evidence that all of the subcontractors have paid wages as required by the contract. Any contractor or subcontractor may utilize the following procedure in order to satisfy the requirements of this section:
 - a. The contractor or subcontractor may submit to the auditor, for each worker, mechanic or other laborer to whom such wages are due, a check, as required by the auditor. Such check shall be payable to that worker, mechanic or other laborer, or to the City and County of Denver so it is negotiable by either of those parties. Each such check shall be in an amount representing the difference between the accrued wages required to be paid to that worker, mechanic or other laborer by the contract and the wages actually paid by the contractor or subcontractor.
 - b. If any check submitted pursuant to paragraph (4)a. of this subsection cannot be delivered to the worker, mechanic or other laborer within a reasonable period of time as determined by the auditor, then it shall be negotiated by the city and the proceeds deposited in the auditor's unclaimed prevailing wages special trust fund. Nothing in this subsection shall be construed to lessen the responsibility of the contractor or subcontractor to attempt to locate and pay any worker, mechanic or other laborer to whom wages are due.
 - c. Any valid, verified claim for prevailing wages that is actually received by the city through negotiation of any check submitted pursuant to paragraph (4)a. of this subsection must be made prior to two (2) years after the date of the last underpayment by the contractor or any subcontractor to the worker, mechanic or other laborer to whom such wages were due. After such date, the city shall no longer be liable for payment. The city, as trustee, shall pay such claimant only the amount of the check that is actually negotiated, regardless of any dispute as to any additional amount of wages owing to the worker, mechanic or other laborer. No interest shall be paid by the city on any funds received or disbursed pursuant to this subsection.
 - d. On the last working day of each month, the amount of any claim for which the city is no longer liable shall be credited to the general fund, except as otherwise required by law.
 - e. The auditor shall maintain a list of all unclaimed, city-negotiated prevailing wage checks for which the city is liable. Such list shall be updated monthly and shall be available for inspection at the office of the auditor.
- (5) Every such contract shall further provide that the contractor shall furnish to the auditor each pay period during which work is in progress under the contract a true and correct electronically

EXHIBIT G

certified copy of the payroll records of all workers, laborers and mechanics employed under the contract, either by the contractor or subcontractors. Such payroll records shall include information showing the number of hours worked by each worker, laborer or mechanic employed under the contract, the hourly pay of such worker, laborer or mechanic, any deductions made from pay, and the net amount of pay received by each worker, laborer or mechanic for the period covered by the payroll.

- (6) Every such contract shall also require that the contractor will provide to the city a list of all subcontractors who will be providing any services under the contract.
 - (7) Every such contract shall further provide that if any laborer, worker or mechanic employed by the contractor or any subcontractor under the contract has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid as aforesaid, the city may, by written notice to the contractor, suspend or terminate the contractor's right to proceed with the work, or such part of the work as to which there has been a failure to pay the required wages, and in the event of termination, may prosecute the work to completion by contract or otherwise, and the contractor and any sureties shall be liable to the city for any excess costs occasioned the city thereby.
- (e) *Penalties.* Any contractor or subcontractor subject to the requirements of this section shall as a penalty pay to the City and County of Denver an amount as set forth below for each payroll period, for each worker paid less than the applicable prevailing wage rates.
- (1) The amount of the penalty shall be determined by the auditor based on consideration of both of the following:
 - a. Whether the failure of the contractor or subcontractor to pay the correct wage rate was a good faith mistake and, if so, the error was corrected within thirty (30) days of the date brought to the attention of the contractor or subcontractor.
 - b. Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.
 - (2) The penalty shall be fifty dollars (\$50.00) for each week, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of prevailing wages was a good faith mistake and, if so, the error was corrected within thirty (30) days of the date brought to the attention of the contractor or subcontractor.
 - (3) The penalty shall be two thousand five hundred dollars (\$2,500.00) for a violation, plus seventy-five dollars (\$75.00) for each week, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed a penalty, but not more than two (2) other penalties, within the previous three (3) years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.
 - (4) The penalty shall be five thousand dollars (\$5,000.00) for a violation, plus one hundred dollars (\$100.00) for each week, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed three (3) or more other penalties within the previous three (3) years for failing to meet its prevailing wage obligations on separate contracts, unless those penalties were subsequently withdrawn or overturned.
 - (5) The penalty shall be five hundred dollars (\$500.00) for each week, or portion thereof, for each week during which a contractor or subcontractor fails to furnish the auditor any certified payrolls where any worker, laborer or mechanic employed by the non-reporting contractor or subcontractor has performed any work under a contract subject to section (b), unless the failure of the contractor or subcontractor to furnish the auditor any certified payrolls was a good faith mistake and, if so, the error was corrected within thirty (30) days of the date brought to the attention of the contractor or subcontractor. This penalty shall not be imposed in conjunction with penalties imposed under sections (e)(2)—(4).

EXHIBIT G

- (6) The penalty shall be fifty dollars (\$50.00) for each week, or portion thereof, for each incident of false reporting on a certified payroll, not corrected within fifteen (15) days of the date the false report was brought to the attention of the contractor or subcontractor. A certified payroll shall be determined to be a false report when information related to hours worked or wages paid reported on a certified payroll is not identical to supportive documentation, including paychecks issued to employees, timecards maintained by contractors and subcontractors, invoices for work performed issued to contractors or the city, and tax documents. This penalty shall be imposed in addition to penalties imposed under sections (e)(2)—(5).
- (f) *Third party complaints.* Subject the provision of this section and any rules and regulations that may be issued by the auditor, a third party, including an employee of a contractor or subcontractor, may submit a complaint of a violation of this section to the auditor. The burden of demonstrating to the auditor's satisfaction that a violation has occurred or the rebuttable of such presumption rests with the third party making the complaint, and shall be demonstrated by a preponderance of the evidence. Any such complaint shall be made in writing to the auditor and shall include all information relied upon by such party. The auditor shall notify in writing any person alleged to have violated the section of such complaint. The auditor will investigate credible complaints and provide a response of its findings of any such complaint to both the complainant and the person who is identified as violating the section. Any determination by the auditor pursuant to this section is reviewable by the complained-of party, pursuant to subsection (g).
- (g) *Review.* Any determination of the auditor related to the imposition of prevailing wage, including determinations of applicable employment classifications and wages, determinations of underpayment or misreporting, and the imposition of penalties shall be reviewable as follows:
 - (1) Any person who disputes any determination made by or on behalf of the city pursuant to the authority of the auditor, which determination adversely affects such person, may petition the auditor for a hearing concerning such determination no later than thirty (30) days after having been notified of any such determination. Compliance with the provisions of this subsection shall be a jurisdictional prerequisite to any action brought under the provisions of this section, and failure of compliance shall forever bar any such action.
 - (2) The auditor shall designate as a hearing officer a person retained by the city for that purpose.
 - (3) The petition for a hearing shall be in writing, and the facts and figures submitted shall be submitted under oath or affirmation either in writing or orally at a hearing scheduled by the hearing officer. The hearing, if any, shall take place in the city, and notice thereof and the proceedings shall otherwise be in accordance with rules and regulations issued by the auditor. The petitioner shall bear the burden of proof, and the standard of proof shall conform with that in civil, nonjury cases in state district court.
 - (4) Thereupon, the hearing officer shall make a final determination. Such final determination shall be considered a final order and may be reviewed under Rule 106(a)(4) of the state rules of civil procedure by the petitioner or by the city. A request for reconsideration of the determination may be made if filed with the hearing officer within fifteen (15) days of the date of determination, in which case the hearing officer shall review the record of the proceedings, and the determination shall be considered a final order upon the date the hearing officer rules on the request for reconsideration. The nonprevailing party shall be responsible for and shall pay the costs of the hearing, including the costs of the hearing officer and the hearing reporter.
 - (5) The district court of the second judicial district of the State of Colorado shall have original jurisdiction in proceedings to review all questions of law and fact determined by the hearing officer by order or writ under Rule 106(a)(4) of the state rules of civil procedure.
 - (6) Failure to pay outstanding penalties that are not pending appeal and are owed to the city pursuant to this section shall be grounds for suspension or revocation of any license issued by the city until fully paid.
