 - Phone:**720-913-4957
 - Email:**Renee.Salois@denvergov.org
- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**

The proposed ordinance is intended to provide payment to Oracle America for PeopleSoft database maintenance covering the period of March 20, 2011 through March 19, 2012 for the amount of \$560,056.82. This software is utilized by numerous agencies throughout the City and County for data collection and management. The benefit of having support from Oracle America is that the City is entitled to new patches, fixes, enhancements, and releases for the products as well as the ability for City and County of Denver Technology Services employees to place phone calls and log service tickets to report PeopleSoft problems and request resolution from Oracle America. This support will need to be renewed annually.
 - b. Duration**

March 20, 2011 through March 19, 2012
 - c. Location**

Citywide
 - d. Affected Council District**

N/A
 - e. Benefits**

Provides Technology Services with the means to receive technical support for PeopleSoft database issues and provides patches.
 - f. Costs**

\$560,056.82

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.
No.
