

APPLICATION

FOR ENCROACHMENTS & ENCUMBRANCES IN THE PUBLIC RIGHT-OF-WAY

An Encroachment Permit is required prior to placing privately-owned improvements (“Encroachment” or “Encumbrance”) in the public Right-of-Way (ROW). Only Encroachment Permit Applications in accordance with Rules and Regulations and Permit Entrance Requirements for Encroachments in the Public Right-of-Way will be considered by the Department of Transportation & Infrastructure (DOTI). **It is the City’s sole discretion whether to grant an Encroachment Permit based on any facts the City feels are relevant. Approval is not guaranteed.**

To apply, complete this application and submit together with required application materials in accordance with the Permit Entrance Requirements to DOTI.ER@denvergov.org. Please type or print clearly. If necessary, attach additional sheets to fully answer any of the following sections. Incomplete applications packages will not be accepted. Questions on this application or the process can be sent to DOTI.ER@denvergov.org.

Check if this application is for Tier Determination only. *If checked, the project will not be submitted for full review until confirmation, and remaining submittal requirements, are received by owner.*

ADJACENT PROPERTY OWNER:

ENCROACHMENT INFORMATION:

Project Name: Chez Maggy Restaurant - Outdoor Patio Addition at Thompson Hotel - Denver
 Adjacent Property Address: 1616 Market Street, Denver, CO 80202
 Coordinates (Lat/Long): 39.742043, -104.991531
 Encroachment Area, in SF: 1360

Is this project associated with a LAND DEVELOPMENT REVIEW?

Yes No If 'Yes', provide Project Master, Site Plan and/or Concept Development Project Numbers:

Is the proposed encroachment located in Future Right-of-Way?

Finalizing permit and/or processing resolution for the Encroachment will not occur until the ROW dedication is finalized.

Yes No If 'Yes', provide ROW Dedication Project Number:

Location Description: *(e.g. Located on the South side of 23rd Ave, twenty (20) feet from face of curb, and ten (10) feet west of pavement on Private Drive.)*

Located on the North side of the 16th Street Pedestrian Mall, seventeen feet and two inches (17'-2") from face of curb, and twenty four feet and two inches (24'-2") east of the curb on Market Street

Description of Encroachment:

Describe the proposed encroachment, including the type and quantity of objects.

The Encroachment is a patio addition at the Chez Maggy Restaurant at the Thompson Hotel - Denver. The patio addition project is intended to expand the current restaurant seating along 16th Street and provide two (2) elevated enclosures.

Reason for Private Improvements in the Public ROW:

Private improvements should be located on private property. Only in cases where there are physical constraints that preclude the placement of private improvements on private property that an encroachment may be considered within the right-of-way. Make your case as to why this is a good use of the public right-of-way.

There are physical constraints at 1616 Market Street that require the outdoor patio to be placed in the public right of way. The Thompson Hotel-Denver building is a zero lot line leaving no room to place the patio addition on private property. In addition, the slope of the sidewalk along the south side of the Thompson Hotel has a significant grade change (approximately 4'-0") from the west to east corner of the facade. These two elevated patios will provide different outdoor seating opportunities for the Chez Maggy restaurant and it will improve the street-scape along 16th street providing opportunities to rest, relax and enjoy an outdoor dining experience that captures great views up and down the 16th street pedestrian mall.

ATTESTATION:

By submitting this permit application and signing below, I understand and agree to the following:

1. That I am the property owner adjacent to the Encroachment Area, or the authorized representative of a Special District, that is responsible for the placement, maintenance, repair, replacement, removal, site restoration, ownership, or is otherwise responsible for the Encroachment in accordance with the Rules & Regulations for Encroachments and Encumbrances in the Public Right-of-Way.
2. That it is the City's sole discretion to classify the Tier of an Encroachment and whether to grant an Encroachment Permit based on any facts the City feels are relevant. The issuance of an Encroachment Permit confers no rights to the Right-of-Way, the Encroachment Permit is revocable and DOTI can order the removal of the Encroachment and restoration of the Encroachment Area for any reason the City feels relevant.
3. Permittee agrees to defend, indemnify, reimburse and hold harmless the City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to an Encroachment Permit and the Encroachment ("Claims"). This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Permittee or its subcontractors either passive or active, irrespective of fault, including City's negligence whether active or passive.
4. Permittee's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether claimant has filed suit on the Claim. Permittee's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.
5. Permittee will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.
6. Insurance coverage requirements specified in an Encroachment Permit shall in no way lessen or limit the liability of Permittee under the terms of this indemnification obligation. Permittee shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.
7. This defense and indemnification obligation shall survive the expiration or termination of any issued Encroachment Permit.
8. Permittee is fully responsible for all costs to install, maintain, repair, replace, remove, and restore the Encroachment Area, including annual City Encroachment Permit Fees. A lien will be placed on the Permittee's property for failure to remove a revoked or abandoned Encroachment for cost incurred by CCD to remove the Encroachment and restore the Encroachment Area on behalf of the Permittee.
9. Indemnity and Insurance for Tier I and Tier II Encroachments: Pursuant to and not superseding any General Terms and Conditions, as a condition for placement of a Tier I or Tier II Encroachment, the Owner of such Tier I or Tier II Encroachment shall hold CCD harmless from all loss or damage to persons or property on account of injury arising from the construction, repair, or maintenance of the Tier I or Tier II Encroachment. Obtain and Maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate. The City and County of Denver, its Elected and Appointed Officials, Employees and Volunteers shall be included as Additional Insured.
10. Indemnity and Insurance for Tier III Encroachments: Pursuant to and not superseding any General Terms and Conditions, as a condition for placement of a Tier III Encroachment, the Owner of such Tier III Encroachment shall hold CCD harmless from all loss or damage to persons or property on account of injury arising from the construction, repair, or maintenance of the Tier III Encroachment. Obtain and Maintain a Commercial General Liability insurance policy with limits of \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$5,000,000 policy aggregate. A combination of primary and excess coverage may be used to meet the aggregate limit. The City and County of Denver, its Elected and Appointed Officials, Employees and Volunteers shall be included as Additional Insured.

Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

Comments:
LoDoNA is the RNO representing the lower downtown area, including 16th and Market Streets. We strongly support the addition of these handsome outside patios to Chez Maggy and the Thomson Hotel. Adding more amenities on 16th street is vital to attracting more visitors to revitalize downtown and beneficial to downtown residents and employees as well. The Thomson has been an excellent, well-managed addition to our neighborhood. LoDoNA's only concern is potential for excessive noise disturbing the nearby residents of the 16M and Market Station buildings--we have had problems with loud music from outdoor restaurant patios on Market Street in the past. If the nighttime noise will be contained at a non-disruptive level, we encourage you to approve this project.
