

**Amendment to CB18-0306 concerning certain building forms in the
Denver Zoning Code**

Councilmember Susman

April 23, 2018

Councilmembers,

I move to amend **CB18-0306** as follows:

- 1) On page 1, line 27, strike the number “2018-0130” and replace with “**2018-0130-001**”.
- 2) On page 1, line 28, strike the date “April 4, 2018” and replace with “**April 11, 2018**”.

PURPOSE OF THE AMENDMENT

The purpose of this amendment is to make reference to a corrected version of the text amendment filed with the clerk. The previously filed text amendment incorrectly stated in five locations that certain dwelling units located within 20 feet of the Side Street Zone Lot Line shall be oriented to the primary street zone lot line. The language in these five sections should have stated that the dwelling units shall be oriented to the Side Street Zone Lot Line.

If the amendment passes it will not require a delay in the scheduled public hearing.
