

**Department of Transportation and Infrastructure
2021 Pavement Marking On-Call Amendments**

Fact Sheet

Purpose of Procurement

The 2021 Pavement Marking Master On-Call will be to install new and/or maintain existing pavement markings within the City and County of Denver. Types of pavement markings include crosswalks, bike lanes, bicycle symbols, decorative bicycle symbols and buffer areas, prefabricated curbs and bollards for protected bikeways words/symbols, decorative markings, long/dash lane lines, etc. on collector and arterial roadways. Materials used will consist of thermoplastic pavement marking, preformed thermoplastic pavement marking, epoxy and modified epoxy and waterborne paint pavement markings, preformed thermoplastic pavement marking adhesive, and methyl methacrylate pavement markings for asphalt and concrete roadway surfaces. Also, to install new and/or maintain signs within the City and County of Denver. Types of sign work will include post mounted, utility and signal pole mounted, posts both in hardscape and softscape, meter posts, plastic bollards, and signs attached to permanent structures. Contract will involve everything from materials to labor to traffic control according to the bid items and specifications. All work will be in accordance with the MUTCD and the current Denver Traffic standards and work will be throughout the entire City.

Funding

Funding is/is not committed at this time. Authorization of work and commitment of funds are made via work order on an as-needed basis.

Procurement

These contracts were advertised on November 30, 2020 via hard bid procurement delivery and bids were due January 21, 2021. Three (3) vendors submitted bids and the two (2) lowest received bids were awarded contracts with the City.

Description of Awarded Contract(s) and Current Amendment

Each contract had a three (3) year term and with the amendment, the term will be extended for 1 year until 4/1/2025. There will be no change to the initial contract capacity. The firms selected with contract amount and MWBE goal commitments are:

1. Barricade Holdings LLC dba Colorado Barricade Company
 - a. Contract capacity: \$6,797,119.00
 - b. MWBE goal: 5.64%
2. Roadsafe Traffic Systems, Inc.
 - a. Contact capacity: \$6,700,705.50
 - b. MWBE goal: 6.08%

Transportation Operations would like to extend this On-Call contract to maximize the use of the remaining capacity from these Contractors who has performed well for the City. A new competitive procurement is planned for 2025 and this extension will provide a continuity of service within this space. The extension will also help Contractors fulfill their contracted MWBE goals through additional work opportunities.
