PROFILE

Jake Cohen is the Senior Director of Product Marketing at FullContact, Denver. With a background in Computer Science and Marketing, he excels at bridging tech and business to drive customer value. Jake's leadership has been instrumental in shaping FullContact's market positioning. Before stepping into his current role, Jake held various strategic positions within FullContact, showcasing his unwavering commitment to the company's success and his proven track record of driving tangible results. As the Senior Director of Product Marketing, he instilled a culture of customer-centricity. Outside of work, he is deeply committed to community service, where he leverages extensive relationships in technology to generate significant impact throughout broader business and civic community.

EXPERIENCE

Sr. Director Product Marketing, FullContact; Denver | April 2021-Present

Manage all aspects of product marketing, website, brand, creative, events, demand generation, sales enablement, public relations, and social media. Member of Leadership team.

Delivered 84% increase in media and agency revenues and earned recognition for the company from the rebranding initiative – Featured as Liminal's Top Company to watch in 2022 & Snowflake's Modern Marketing Data Stack Leader in 2022 and 2023

Delivered 564% increase in inbound leads generating \$2.5M ARR pipeline within the initial 45 days by reorganizing the demand generation capability.

Achieved \$2.3M of ARR in new pipeline leads and \$841K ARR of total revenue by end of Q2 2023 by developing company partnership model. Earned maximum revenue by onboarding key, strategic partners (i.e. Snowflake and Simon).

Increased revenue 20% by launching a new website visitor recognition capability.

Director Marketing, FullContact; Denver | Jul 2018-Apr 2021

Led a full rebranding initiative – Revamped the demand generation process, including implementing Salesforce, Pardot, Google Analytics, Website Site Recognition capabilities.

Repositioned consumer mobile app and social media enrichment business into a privacy-centric, person-focused Identity Resolution SaaS company.

Director Community Engagement, FullContact; Denver | Feb 2016- Jul 2018

Created and ran annual user conference called Connect with 500+ attendees in its first two years.

Ran community engagement in the greater Denver region. Executed hundreds of speaking sessions with employees at events around the region. Guided \$50K in donations to the community. Including leading an event to teach kids to code through a partnership with the Broncos, called "Tackling STEM"

Business Development, FullContact; Denver | Nov 2014-Feb 2016

Built original Business Development team to support funnel growth. Developed process and playbook for generating outbound top of funnel growth.

Created consistent and scalable model to ensure predictable revenue. Team scaled from one individual to a team of 8 in my 16 months on the team.
