

**Amendment to CB15-0322 concerning the Side Interior
Setback Design Overlay (DO-4)**

Councilmember Susman

June 8, 2015

Councilmembers,

I move to amend **CB15-0322** as follows:

- 1) On page 1, line 22, strike the Clerk File reference “**0211-C**” and replace with “**0211-H**”.
- 2) On page 1, line 22, strike the date “**May 28, 2015**” and replace with “**June 8, 2015.**”

PURPOSE OF THE AMENDMENT

The purpose of amending Council Bill 322 is to reference an updated City Clerk File Number in conjunction with proposed 2015 changes to amend Chapter 59 (Zoning) Revised Municipal Code and amend and restate the Denver Zoning Code in Council Bill 298. The only change to the actual text of the Code is an update to footers that said the Code was effective June 19th. This needs to change because the Code will now be effective July 6th.
