RE: Official Zoning Map Amendment Application #2022I-00118

Staff Report and Recommendation

Based on the criteria for review in the Denver Zoning Code, Staff recommends **approval** for Application #2022I-00118.

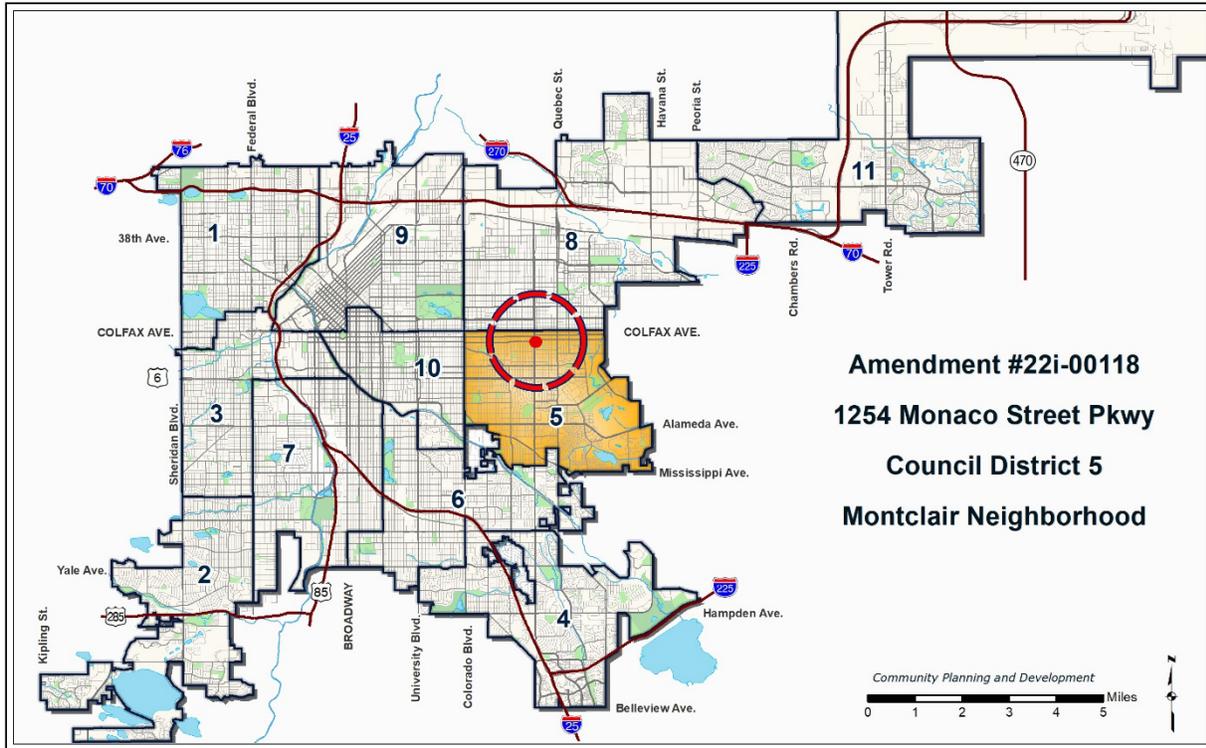

Request for Rezoning

Address: 1254 North Monaco Street Parkway
Neighborhood/Council District: Montclair / Council District 5 – Amanda Sawyer
RNOs: Inter-Neighborhood Cooperation (INC), Strong Denver, Historic Montclair Community Association Inc (HMCAI), Mayfair Neighbors, Inc., City Park Friends and Neighbors (CPFAN), Colfax Mayfair Business Improvement District.
Area of Property: 12,000 square feet or 0.27 acres
Current Zoning: E-SU-Dx
Proposed Zoning: E-SU-D1x
Property Owner(s) Representative: Claire Carwell
Property Owner(s): Stephanie Burns and Lewis Williams, Jr.

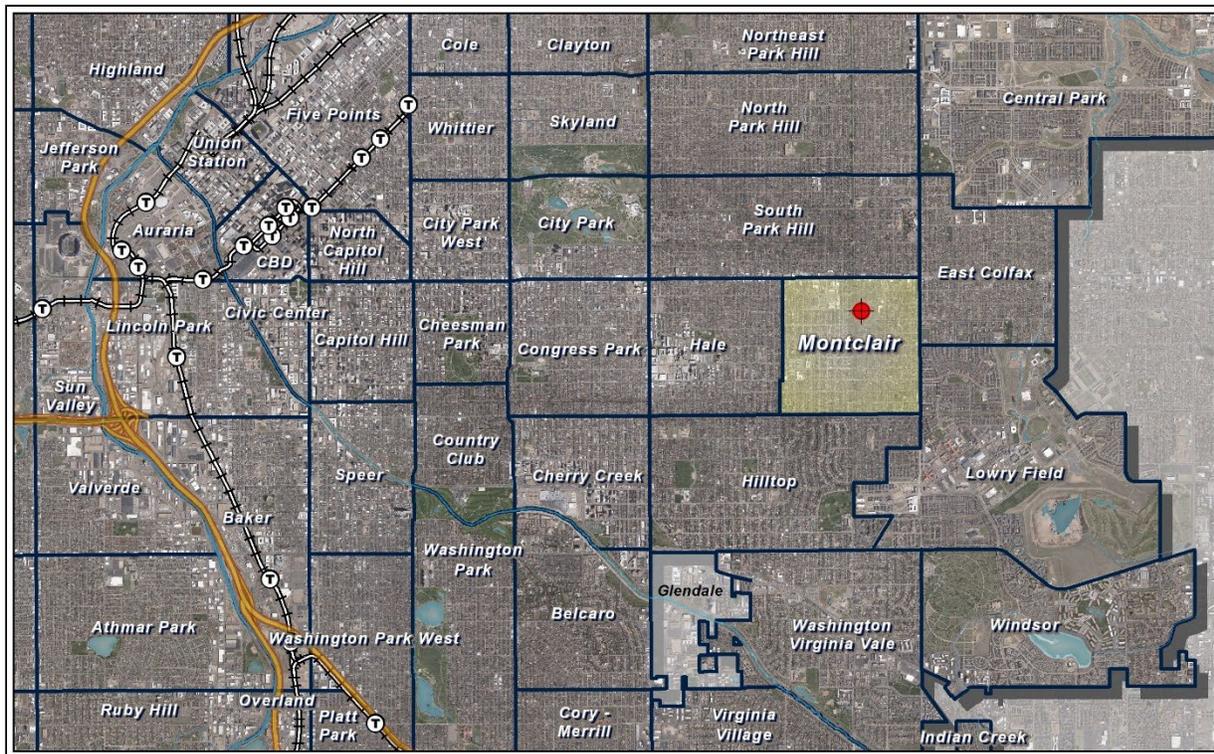

Summary of Rezoning Request

- The subject property contains a single-unit home built in 1891 located between East 12th Avenue and East 13th Avenue, along North Monaco Street Parkway.
- The property owner is proposing to rezone the property to allow an accessory dwelling unit (ADU).
- The proposed E-SU-D1x, Urban **E**dge, **S**ingle-**U**nit, **D1x** (6,000 square feet minimum zone lot size allowing accessory dwelling units (ADUs)) zone district is intended for use in the Urban Edge Neighborhood Context which is characterized by elements from the Urban and Suburban neighborhood contexts and is primarily single-unit and two-unit uses. Single-unit residential uses are typically located along local and arterial streets and structures can be either the Urban or Suburban House building form. The maximum height of both the Urban House building form is 30 to 35 feet for the front 65% of the zone lot, and 17 to 19 feet in the rear 35% of the zone lot. The Suburban House building form allows up to 30 to 35 feet in height for the entirety of the zone lot depth, with a shorter side bulk plane. The Detached Accessory Dwelling Unit form can be a maximum height of 24 feet. Further details of the requested zone district can be found in the proposed zone district section of the staff report (below) and in Article 4 of the Denver Zoning Code (DZC).

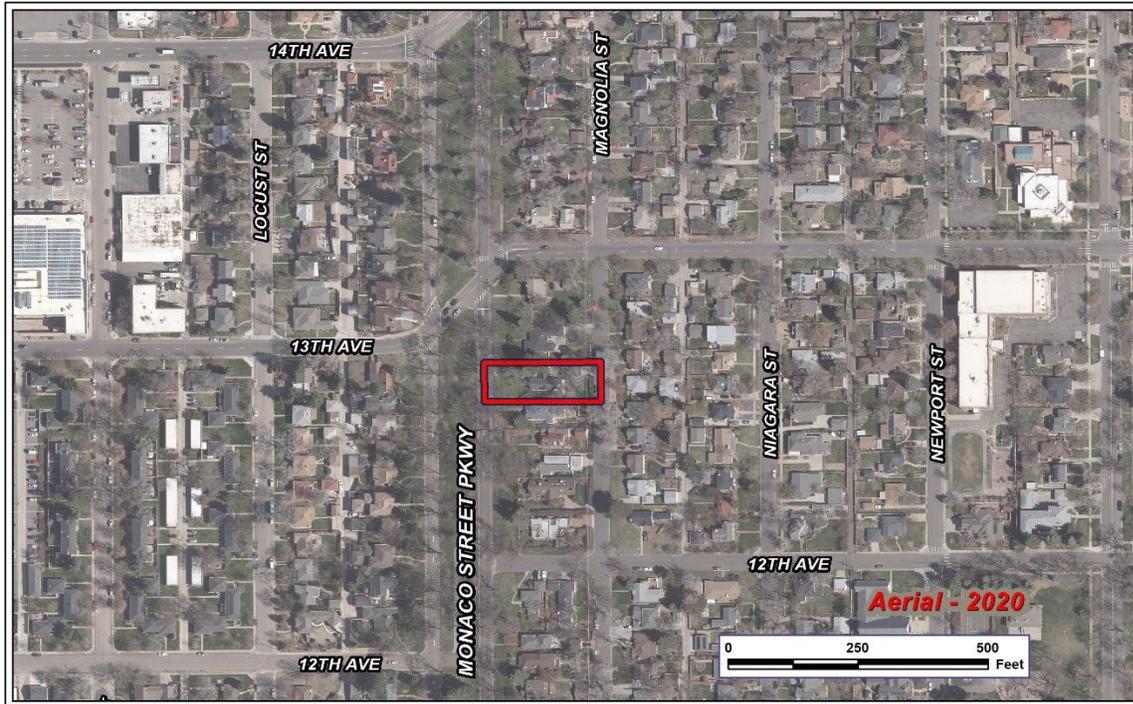

City Location

Neighborhood Location - Montclair

1. Existing Context

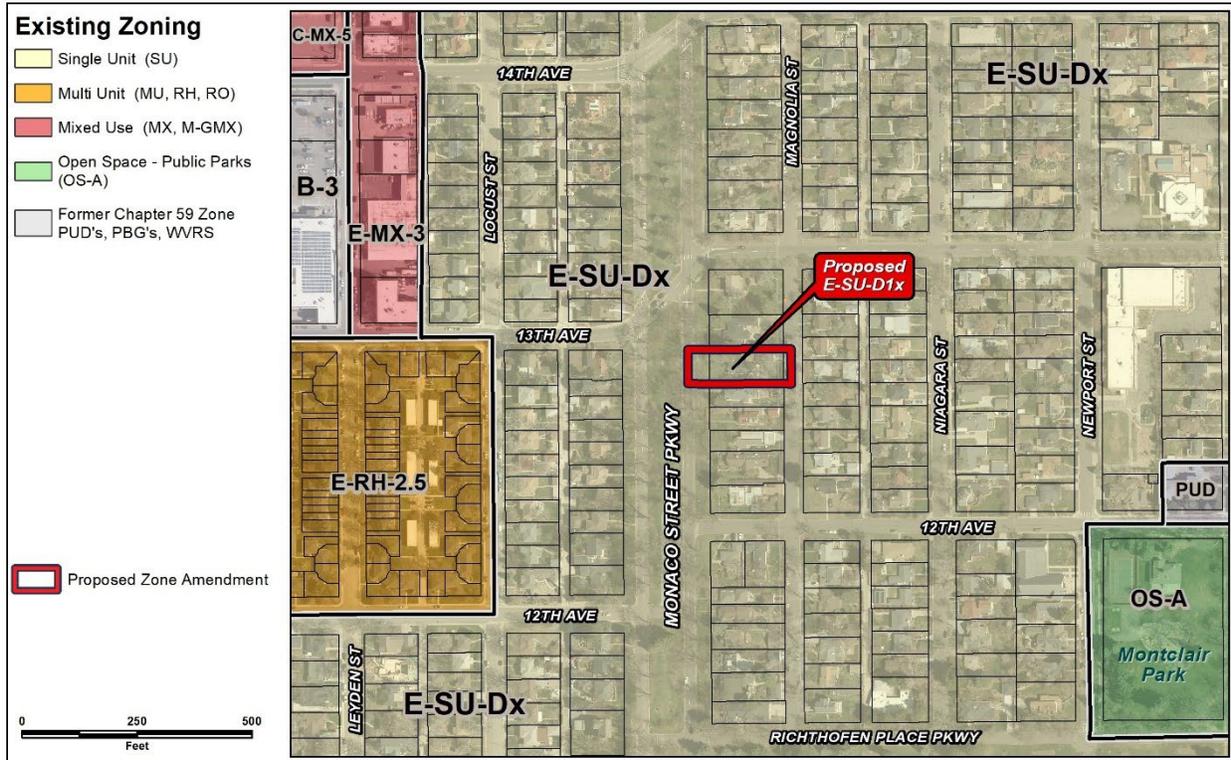

The subject property is in the Montclair statistical neighborhood, which is characterized mostly by single-unit residential uses. Generally, there is a pattern of rectangular blocks in a street grid pattern with alley access. The east side of Monaco Street Parkway presents a pattern of bigger zone lots, with pedestrian access on Monaco and driveways/garage access on Magnolia Street. The subject property is three blocks northwest from Montclair Park and two blocks north from the Montclair School of Academics, the elementary school that serves the area. RTD Bus Route 65 runs north-south along North Monaco Street Parkway and has a bus stop one block south from the subject property. RTD Route 10 and 15/15L run east-west along East 10th Avenue and East Colfax Avenue respectively.

The following table summarizes the existing context proximate to the subject site:

	Existing Zoning	Existing Land Use	Existing Building Form/Scale	Existing Block, Lot, Street Pattern
Site	E-SU-Dx	Single-unit Residential	2 story house with deep front yard and detached garage on Magnolia Street	Generally regular grid of streets. Block sizes and shapes are consistent and rectangular. Detached sidewalks with tree lawns and existing alleys. Detached garages and on-street vehicle parking.
North	E-SU-Dx	Single-unit Residential	1 story brick house with deep front yard detached garage on Magnolia Street	
South	E-SU-Dx	Single-unit Residential	1 story brick house with deep front yard detached garage on Magnolia Street	
East	E-SU-Dx	Single-unit Residential	1 story brick house with deep front yard and detached garage	
West	E-SU-Dx	Single-unit Residential	1 story house with deep front yard and garage access on East 13 th Avenue	

2. Existing Zoning

The E-SU-Dx zone district is a single-unit district allowing both the Urban House and Suburban House primary building forms on a minimum zone lot of 6,000 square feet. The maximum allowed height is 2.5 stories or 30 to 35 feet. Additionally, the Urban House form allows for a maximum of 1 story or 17 feet to 19 feet in the rear 35% of the zone lot. E-SU-Dx allows two accessory structure forms: Detached Garage and Other Detached Accessory Structure with a maximum height of 15 to 17 feet. The intent of the district is to promote and protect residential neighborhoods within the character of the Urban Edge Neighborhood Context.

3. Existing Land Use Map

4. Existing Building Form and Scale (all images from Google Maps)

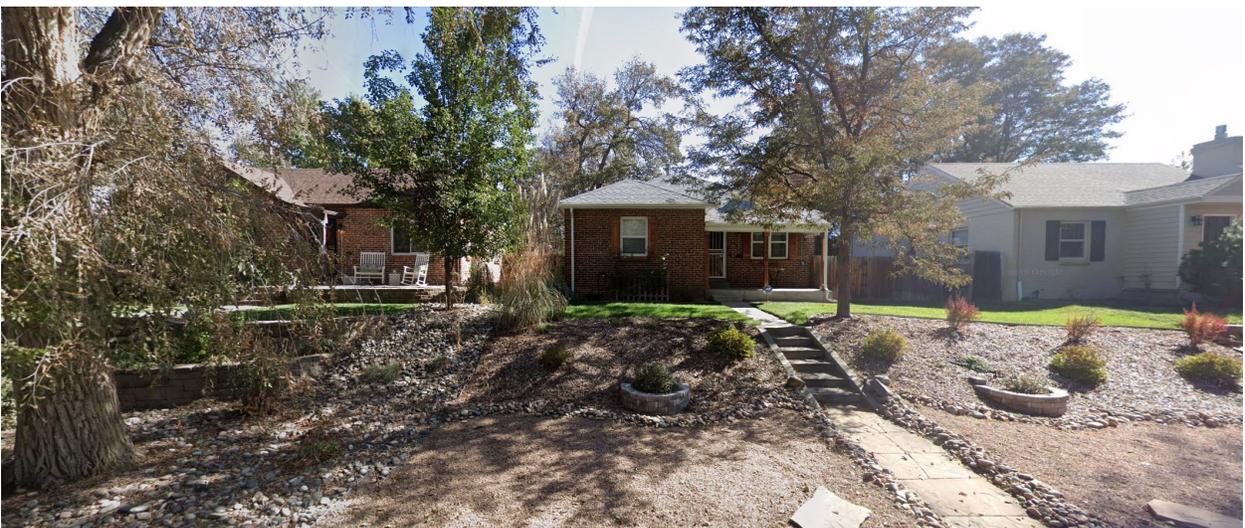

Subject Site - View of the subject property, looking east.

North - View of the properties to the north, looking northeast.

South - View of properties to the south, looking east.

East - View of properties to the east, looking east (Magnolia Street).

West - View of the properties to the west (directly across Monaco Street Parkway), looking west.

Proposed Zoning

E-SU-D1x is a single-unit zone district with a minimum zone lot size of 6,000 square feet allowing both the Urban House and Suburban House primary building forms. A variety of residential and civic uses are permitted as primary uses in the E-SU-D1x district. The district allows the Detached Accessory Dwelling Unit, Detached Garage, and Other Detached Accessory Structures as detached accessory building forms. The Detached Accessory Dwelling Unit (DADU) building form has a maximum height of 1.5 stories or 24 feet. A bulk plane that rises 10 feet vertically from the side interior or side street zone lot line, then slopes 45 degrees applies to the DADU building form. This form also allows an exemption from the 37.5% building coverage standard, allowing 50% of the building footprint of the DADU to be excluded up to a maximum of 500 square feet. The subject site has a lot size of 12,000 square feet, allowing a maximum gross floor area of 1,000 square feet for the ADU.

The building forms allowed in the existing zone district and the proposed zone district are summarized below.

Design Standards	E-SU-Dx (Existing)	E-SU-D1x (Proposed)
Primary Building Forms Allowed	Urban House, Suburban House	Urban House, Suburban House
Maximum Height in Stories/Feet, Front 65% of Zone Lot*	2.5 stories/35 feet	2.5 stories/35 feet
Maximum Height in Stories/Feet, Rear 35% of Zone Lot*	2.5 stories/35 feet Suburban House 1 story/17-19 feet Urban House	2.5 stories/35 feet Suburban House 1 story/17-19 feet Urban House
Bulk Plane Vertical Height at Side Interior and Side Street Zone Lot Line in front 65% / rear 35% of zone lot depth	10 feet / 10 feet Suburban House 17 feet / 10 feet Urban House	10 feet / 10 feet Suburban House 17 feet / 10 feet Urban House
DADU Maximum Heights in Stories / Feet	DADUs not permitted	1.5 stories / 24 feet
Zone Lot Size (Min.)	6,000 square feet	6,000 square feet
Zone Lot Width (Min.)	50 feet	50 feet
Primary Street Block Sensitive Setback Required / If not (Min.)	Yes / 20 feet	Yes / 20 feet
Side Interior Setback (Min.)*	7.5 feet Suburban House 5 feet Urban House	7.5 feet Suburban House 5 feet Urban House
Rear Alley / No Alley (Min.)	12 feet / 20 feet	12 feet / 20 feet
Building Coverage per Zone Lot including all accessory structures (Max.), not including exceptions	37.5%	37.5%
Detached Accessory Building Forms Allowed	Detached Garage, Other Detached Accessory Structures	Detached Accessory Dwelling Unit, Detached Garage, Other Detached Accessory Structures

*Based on subject property width of 75 feet

**1' for every 3' increase in side setback up to a maximum height of 19'

Summary of City Agency Referral Comments

As part of the DZC review process, the rezoning application is referred to potentially affected city agencies and departments for comment. A summary of agency referral responses follows:

Assessor: Approved – No Response.

Asset Management: Approved – No Comments.

Denver Public Schools: Approved – No Response.

Development Services - Fire: Approved – No Response.

Development Services – Project Coordination: Approved – Will require additional information at Site Plan Review

A zoning and building permit will be needed based on site specific plans.

The residential review team will conduct the zoning reviews.

Any new construction will need to meet the designated building form standards and comply with zoning regulations.

Zone lot line designations will need to be made by the Residential review team

Development Services - Transportation: Approved – No Response.

Development Services – Wastewater: Approved – No Response.

Parks and Recreation: Approved – See comments below.

No structures are allowed within the 20ft parkway setback along N Monaco St Pkwy

Public Health and Environment: Approve Rezoning Only - Will require additional information at Site Plan Review.

Denver Department of Public Health & Environment - Division of Environmental Quality (EQ) does not guarantee approval of any proposed development project at this site by providing a response to this Official Map Amendment Referral Agency Review Request. Future development is subject to existing land use controls and other environmental requirements in accordance with applicable local, state, and federal environmental regulations and statutes. EQ recommends the Property Owner conduct an environmental site assessment to determine the potential presence, nature, and extent of possible contamination on the site and to identify specific cleanup needs associated with future development. EQ may have additional information about localized potential environmental concerns at the site. However, providing such information about a specific site is beyond the scope of these zoning application comments.

Department of Transportation & Infrastructure – City Surveyor: Approved – No Comments.

Public Review Process

	Date
CPD informational notice of receipt of the rezoning application to all affected members of City Council, registered neighborhood organizations, and property owners:	10/11/2022
Property legally posted for a period of 15 days and CPD written notice of the Planning Board public hearing sent to all affected members of City Council, registered neighborhood organizations, and property owners:	11/22/2022
Planning Board Public Hearing:	12/07/2022
CPD written notice of the Land Use, Transportation and Infrastructure Committee meeting sent to all affected members of City Council and registered neighborhood organizations, at least ten working days before the meeting:	12/23/2022
Land Use, Transportation and Infrastructure Committee of the City Council:	01/10/2023
Property legally posted for a period of 21 days and CPD notice of the City Council public hearing sent to all affected members of City Council and registered neighborhood organizations (tentative):	01/30/2023
City Council Public Hearing (tentative):	02/21/2023

- **Registered Neighborhood Organizations (RNOs)**
 - To date, staff has not received comment letters from Registered Neighborhood Organizations.
- **Other Public Comment**
 - To date, staff has not received any comment letters from the public.

Criteria for Review / Staff Evaluation

The criteria for review of this rezoning application are found in DZC, Sections 12.4.10.7 and 12.4.10.8, as follows:

DZC Section 12.4.10.7

1. Consistency with Adopted Plans
2. Uniformity of District Regulations and Restrictions
3. Public Health, Safety and General Welfare

DZC Section 12.4.10.8

1. Justifying Circumstances
2. Consistency with Neighborhood Context Description, Zone District Purpose and Intent Statements

1. Consistency with Adopted Plans

The following adopted plans apply to this application:

- Denver Comprehensive Plan 2040 (2019)
- Blueprint Denver (2019)
- East Area Plan (2020)

Denver Comprehensive Plan 2040

The proposed rezoning is consistent with many of the adopted *Denver Comprehensive Plan 2040* strategies, including:

- Equitable, Affordable and Inclusive Goal 2, Strategy A – “Create a greater mix of housing options in every neighborhood for all individuals and families” (p. 28).

E-SU-D1x allows for an additional dwelling unit that is accessory to the primary single-unit dwelling use and introduces a new housing type to a largely single-unit neighborhood. Accessory dwelling units can provide housing for individuals or families with different incomes, ages, and needs compatible with the single-unit homes that characterize most of the Montclair neighborhood.

- Strong and Authentic Neighborhoods Goal 1, Strategy B – “Ensure neighborhoods offer a mix of housing types and services for a diverse population” (p. 34).

The proposed rezoning would allow infill development appropriate for the surrounding neighborhood that broadens the range of housing types available.

- Environmentally Resilient Goal 8, Strategy A – “Promote infill development where infrastructure and services are already in place” (p. 54).

The proposed map amendment will allow an additional housing unit on the site of an existing single-unit home where infrastructure and services such as water, stormwater, and streets already exist. This allows Denver to grow responsibly and promotes land conservation.

Blueprint Denver

Blueprint Denver was adopted in 2019 as a supplement to *Comprehensive Plan 2040* and establishes an integrated framework for the city’s land use and transportation decisions. *Blueprint Denver* identifies the subject property as part of a Residential Low place within the Urban Edge Neighborhood Context and provides guidance on the future growth strategy for the city.

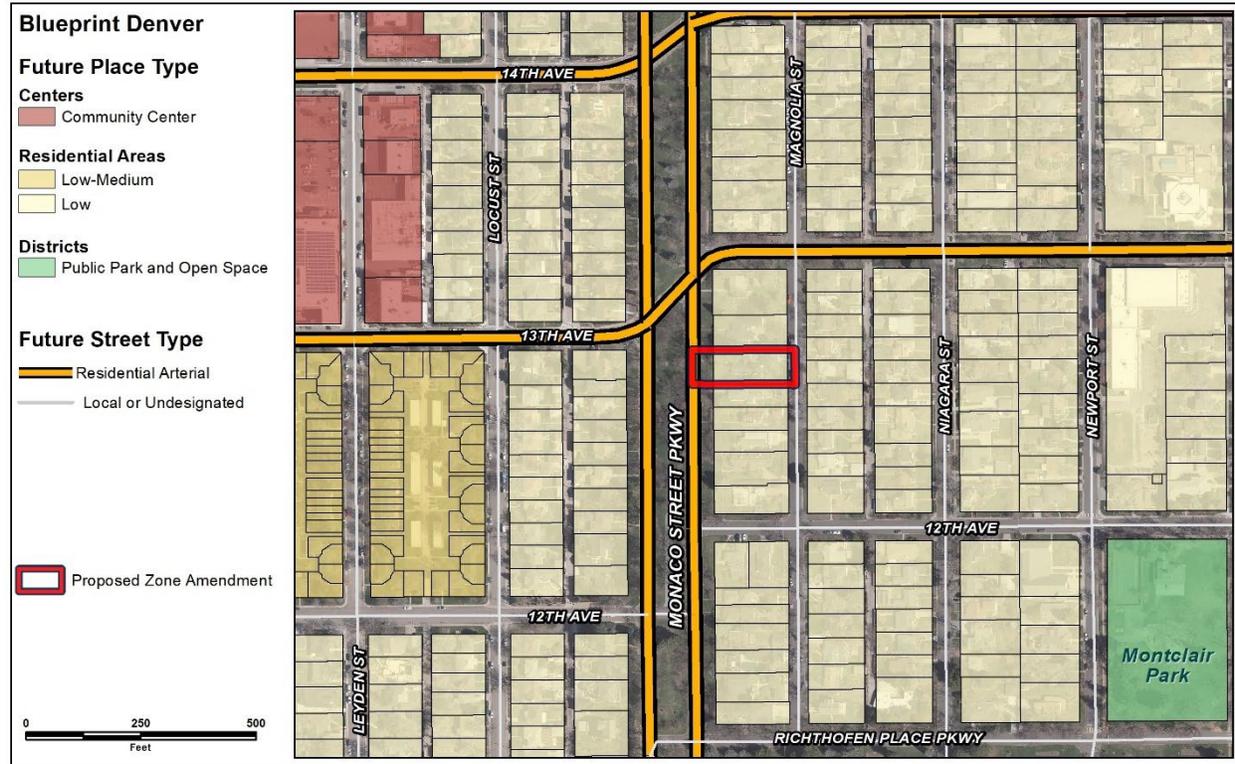

Blueprint Denver Future Neighborhood Context

In *Blueprint Denver*, future neighborhood contexts are used to help understand differences between land use, built form, and mobility at a high scale, between neighborhoods. The subject site is shown on the context map as the Urban Edge neighborhood context, the description of which is used to guide appropriate zone districts (p. 66). The Urban Edge neighborhood context is described as “predominately residential and tends to act as a transition between urban and suburban areas” with “good walkability with short, predictable blocks” (p. 205).

E-SU-D1x is a zone district within the Urban Edge neighborhood context and is “intended to promote and protect residential neighborhoods within the character of the Urban Edge Neighborhood Context” and “the building form standards, design standards and uses work together to promote desirable residential areas” (DZC Section 4.2.2.1). E-SU-D1x is consistent with the *Blueprint Denver* future neighborhood context of Urban Edge because it will promote the residential character by allowing single-unit residential uses with a low-scale accessory dwelling unit that will be compatible with the existing residential area.

Blueprint Denver Future Place

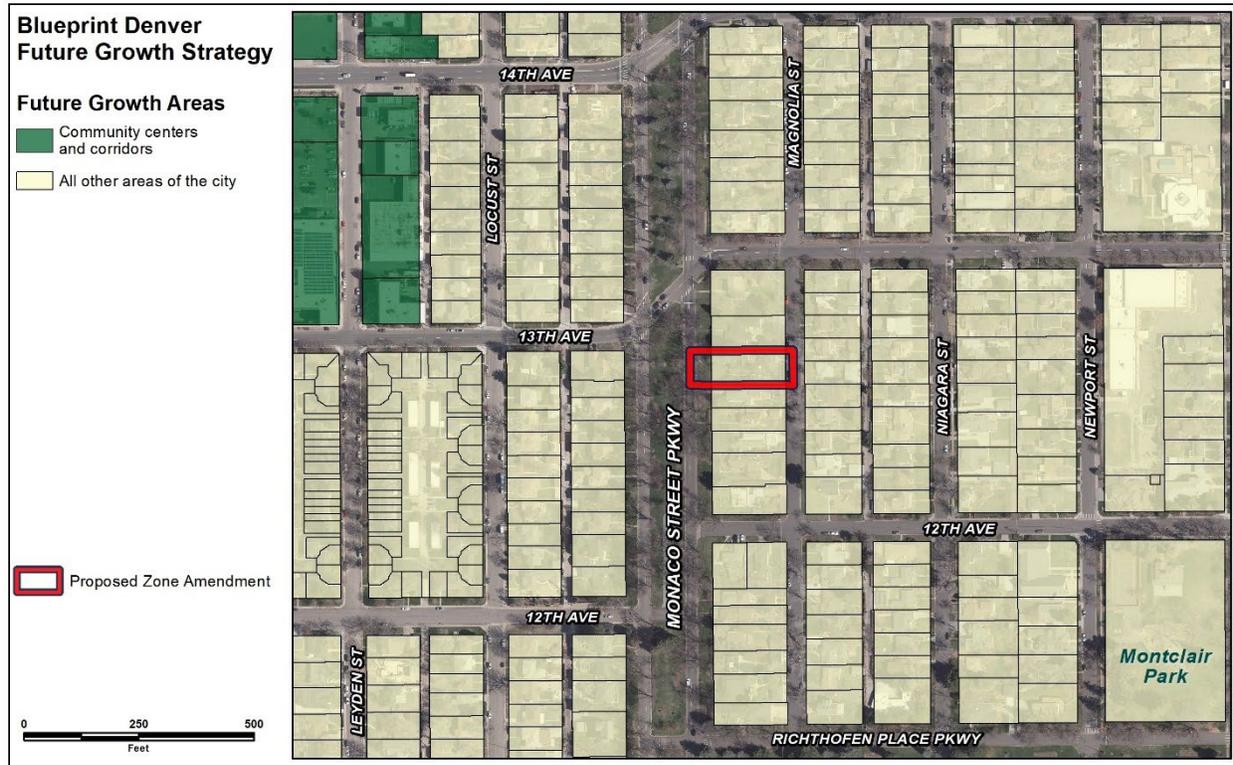

The subject site is designated within a Residential Low future place on the *Blueprint Denver* Future Places map. This place type is “predominately single- and two-unit uses on small or medium lots. Accessory dwelling units and duplexes are appropriate and can be thoughtfully integrated where compatible,” and “building heights are generally up to 2.5 stories in height” (p. 214). E-SU-D1x is a single-unit residential district that allows for an additional dwelling unit accessory to an established single-unit home, consistent with the Residential Low future place description. It allows the Urban House and Suburban House primary building forms, which have a maximum height of 2.5 stories, also consistent with the future places map.

Blueprint Denver Street Types

In *Blueprint Denver*, street types work together with the future place to evaluate the appropriateness of the intensity of the adjacent development (p. 67). *Blueprint Denver* classifies North Monaco Street Parkway as a Residential Arterial Future Street Type, along which the land use and built form is described as, “primarily residential uses, but may also include schools, civic uses, parks, small retail nodes and others similar uses. Buildings on residential streets usually have a modest setback” (p. 160). East 13th Avenue and Magnolia Street are classified as Local or Undesignated Future Street Type, which are described as “most often characterized by residential uses” (p. 161). The proposed E-SU-D1x district is consistent with these descriptions because it allows for residential and some civic uses.

Blueprint Denver Growth Strategy

Blueprint Denver's growth strategy map is a version of the future places map, showing the aspiration for distributing future growth in Denver (p. 51). The subject property is part of the "All other areas of the city" growth area. These areas anticipate experiencing around 20% of new housing growth and 10% of new employment growth by 2040" (p. 51). This growth area is "mostly residential areas with embedded local centers and corridors, take a smaller amount of growth intended to strengthen the existing character of our neighborhoods" (p. 49). The proposed map amendment to E-SU-D1x will allow low-intensity growth to the number of households in this area by allowing an accessory dwelling unit and is therefore consistent with the growth strategy.

Blueprint Denver Strategies

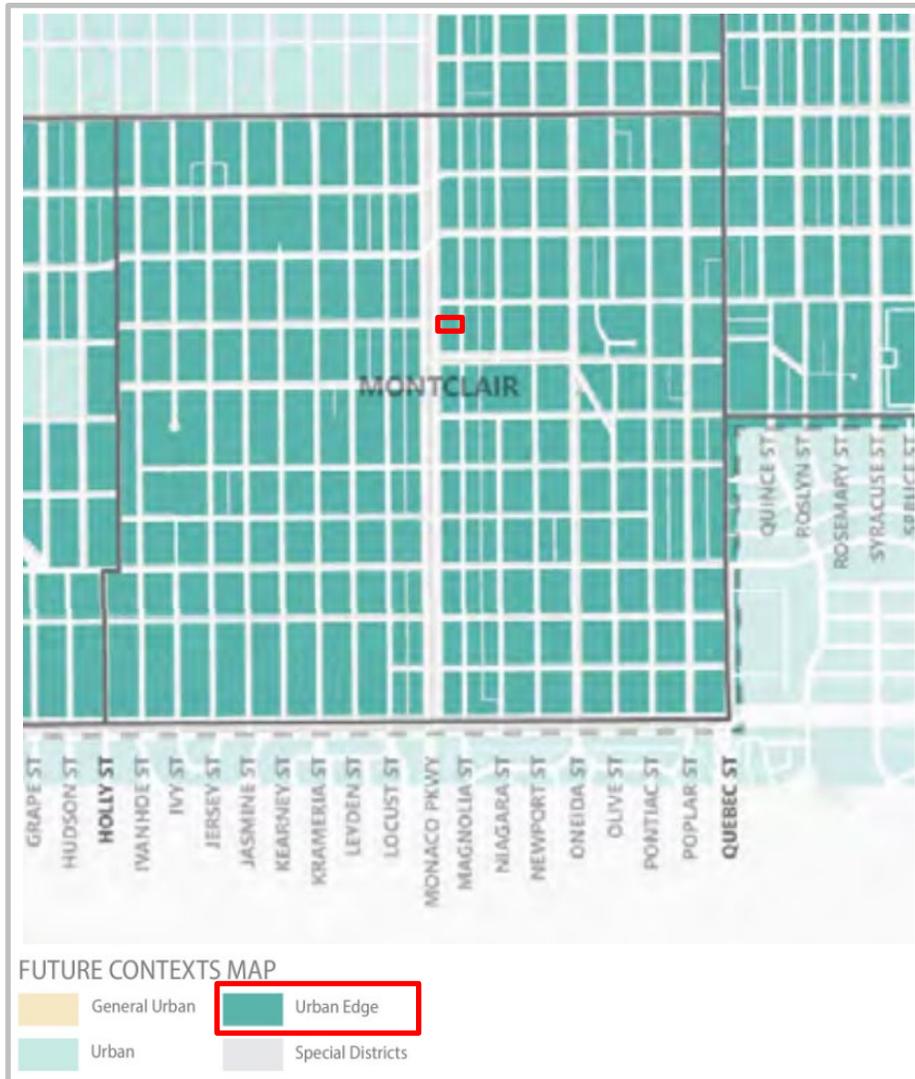

Blueprint Denver provides additional recommendations related to rezoning to allow for ADUs.

- Policy 4 Strategy E - A citywide approach to enable ADUs is preferred. Until a holistic approach is in place, individual rezonings to enable ADUs in all residential areas, specifically where proximate to transit, are appropriate. Unless there is a neighborhood plan supporting ADUs, rezonings should be small in area in order to minimize impacts to the surrounding residential area (p. 84).

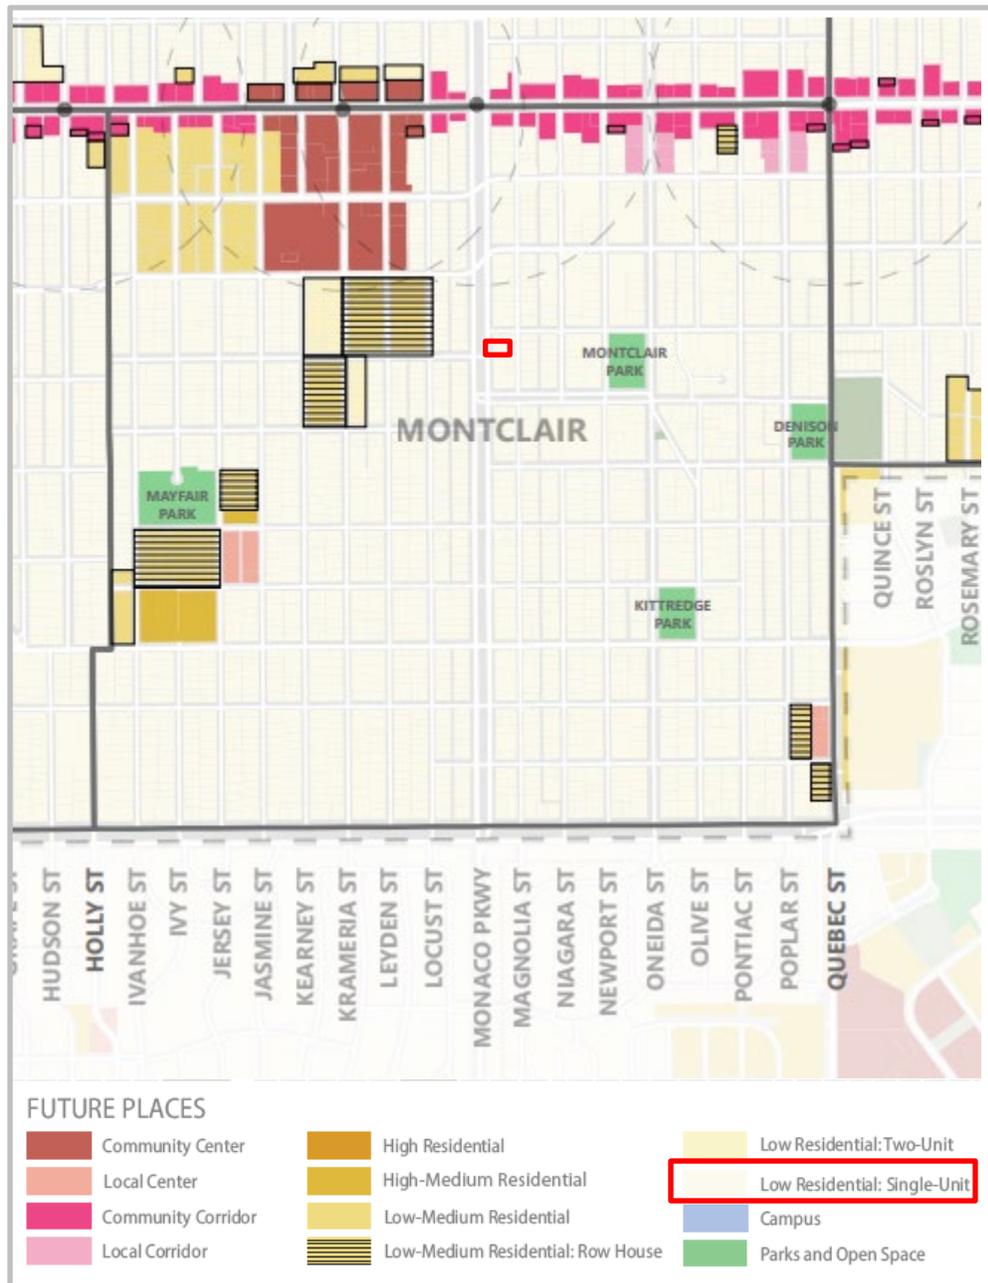

In this case, the requested rezoning is a single lot in a residential area within walking distance of multiple bus routes. This rezoning to an ADU zone district will have minimal impacts on the surrounding neighborhood and is consistent with *Blueprint Denver* recommendations.

East Area Plan

The *East Area Plan*, adopted in 2020, updates the guidance in Comprehensive Plan 2040 and Blueprint Denver. Within the *East Area Plan*, the subject property is within the Urban Edge Neighborhood Context, is in the Low Residential: Single-Unit future place type and is recommended for a maximum building height of 2.5 stories.

The *East Area Plan* designates the subject property as within the Urban Edge Neighborhood Context and describes the context as “primarily single and two-unit residential with some small scale multi-unit residential, particularly close to Colfax Avenue and near the 9th and Colorado node” (p. 25). The proposed E-SU-D1x district will allow single-unit development with an accessory dwelling unit in conformance with the Urban Edge Neighborhood Context.

The *East Area Plan* designates the subject property as within the Low Residential: Single-Unit future place. The plan recommends this subcategory “in areas where single-unit homes with accessory dwelling units are appropriate” (p. 27). Land Use and Built Form policy L6 states that East Area neighborhoods should be inclusive places that integrate missing middle housing and accessory dwelling units (p. 39). The E-SU-D1x zone district allows for a single-unit residential use with an additional dwelling unit accessory to the primary single-unit use. Therefore, the proposed E-SU-D1x zone district is consistent with the direction given in the *East Area Plan*.

East Area Plan Strategies

The *East Area Plan* provides additional recommendations related to rezoning to allow for ADUs.

- Policy L6 - Ensure East Area neighborhoods are inclusive places by thoughtfully integrating compatibly designed missing middle housing and accessory dwelling units (ADUs) in appropriate locations.
 - Strategy D - Implement adopted citywide policies in Blueprint Denver to diversify housing choice through expansion of ADUs throughout all residential areas while also addressing context-sensitive ADU design and removing barriers to ADU construction.
 1. While missing middle housing (2-4 units) should be integrated into appropriate locations, ADUs should be allowed on all lots.
 2. Until a citywide ADU approach is complete, consider neighborhood-wide rezonings to allow ADUs (p. 39).

In this case, the requested rezoning is a single lot in a residential area. This rezoning to an ADU zone district will have minimal impacts on the surrounding neighborhood and is consistent with the *East Area Plan* recommendations.

2. Uniformity of District Regulations and Restrictions

The proposed rezoning to E-SU-D1x will result in the uniform application of zone district building form, use and design regulations.

3. Public Health, Safety and General Welfare

The proposed official map amendment furthers the public health, safety, and general welfare of the city through implementation of the city's adopted land use plan which recommends "the expansion of accessory dwelling units throughout all residential areas" (*Blueprint Denver* p. 84). The proposed rezoning would also provide the benefit of an additional housing unit that is compatibly integrated into the surrounding neighborhood.

4. Justifying Circumstance

The application identifies the adoption of *Blueprint Denver and the East Area Plan* as the Justifying Circumstance under DZC Section 12.4.10.8.A.4, "Since the date of the approval of the existing Zone District, there has been a change to such as degree that the proposed rezoning is in the public interest. Such a change may include: Changed or changing conditions in a particular area, or in the city generally; or a city adopted plan; or that the city adopted the Denver Zoning Code and the property retained Former Chapter 59 zoning."

As discussed above, *Blueprint Denver* and the *East Area Plan* specifically recommend the city diversify housing choice through the expansion of accessory dwelling units throughout all residential areas. The plan was adopted after the date of approval of the existing zone district. Therefore, this is an appropriate justifying circumstance for the proposed rezoning.

5. Consistency with Neighborhood Context Description, Zone District Purpose and Intent Statements

The requested E-SU-D1x zone district is within the Urban Edge Neighborhood Context. The neighborhood context is “primarily single-unit and two-unit residential uses” and “single-unit residential structures are typically the Urban House and Suburban House building forms” (DZC, Division 4.1). These areas consist of a “regular pattern of block shapes surrounded by orthogonal streets within a grid or modified grid” (DZC, Division 4.1). The Montclair neighborhood consists of mostly single-unit residential uses in rectangular blocks. The proposed rezoning to E-SU-D1x is consistent with the neighborhood context description.

Denver Zoning Code Section 4.2.2 states the general purpose of the Residential zone districts as “promot[ing] and protect[ing] residential neighborhoods within the character of the Urban Edge Neighborhood context.” It accommodates one and two and a half story urban and suburban house forms oriented towards the street in the single unit districts. This is consistent with the E-SU-D1x district as it allows for a two and a half story urban house and will protect the character of the residential areas in the Urban Edge neighborhood context

The specific intent of the E-SU-D1x zone district is “a single unit district allowing suburban houses, urban houses and detached accessory dwelling units with a minimum zone lot area of 6,000 square feet” (DZC 4.2.2.2.G). The subject site is in an area where Urban and Suburban Houses and lots over 9,000 square feet are common. The site at 1254 North Monaco Street Parkway is 12,000 square feet with a width of approximately 75 feet. The adopted plan direction recommends allowing detached accessory dwelling units. Therefore, rezoning this site would be consistent with the specific intent of the zone district.

REQUIRED ATTACHMENTS

Please check boxes below to affirm the following required attachments are submitted with this rezoning application:

- Legal Description of subject property(s). **Submit as a separate Microsoft Word document.** View guidelines at: <https://www.denvergov.org/content/denvergov/en/transportation-infrastructure/programs-services/right-of-way-survey/guidelines-for-land-descriptions.html>
- Proof of Ownership Document (e.g. Assessor's record, property deed, etc). Proof of ownership for each property owner signing the application, such as (a) Assessor's Record, (b) Warranty deed, or (c) Title policy or commitment dated no earlier than 60 days prior to application date. If the owner is a corporate entity, proof of authorization for an individual to sign on behalf of the organization is required. This can include board resolutions authorizing the signer, bylaws, a Statement of Authority, or other legal documents as approved by the City Attorney's Office.

ADDITIONAL ATTACHMENTS (IF APPLICABLE)

Please check boxes identifying additional attachments provided with this application (note that more information may be required. Please confirm with your pre-application/case manager planner prior to submittal.):

- Written Narrative Explaining Project
- Site Plan/ Drawings (if available)
- Narrative describing any outreach to City Council office(s), Registered Neighborhood Organizations (RNOs) and surrounding neighbors.
- Written Authorization to Represent Property Owner(s) (if applicable)
- Individual Authorization to Sign on Behalf of a Corporate Entity (e.g. if the deed of the subject property lists an LLC/trust as owner, this is document is required.)

Please list any other additional attachments:

Guardian Title #3115318-06883

**REAL PROPERTY TRANSFER DECLARATION
(TD-1000)**

GENERAL INFORMATION

Purpose: The Real Property Transfer Declaration provides essential information to the county assessor to help ensure fair and uniform assessments for all property tax purposes. Refer to 39-14-102(4), Colorado Revised Statutes (C.R.S.).

Requirements: All conveyance documents (deeds) subject to the documentary fee submitted to the county clerk and recorder for recordation must be accompanied by a Real Property Transfer Declaration. This declaration must be completed and signed by the grantor (seller) or grantee (buyer). Refer to 39-14-102(l)(a), C.R.S.

Penalty for Noncompliance: Whenever a Real Property Transfer Declaration does not accompany the deed, the clerk and recorder notifies the county assessor who will send a notice to the buyer requesting that the declaration be returned within thirty days after the notice is mailed.

If the completed Real Property Transfer Declaration is not returned to the county assessor within the 30 days of notice, the assessor may impose a penalty of \$25.00 or .025% (.00025) of the sales price, whichever is greater. This penalty may be imposed for any subsequent year that the buyer fails to submit the declaration until the property is sold. Refer to 39-14-102(l)(b), C.R.S.

Confidentiality: The assessor is required to make the Real Property Transfer Declaration available for inspection to the buyer. However, it is only available to the seller if the seller is filed the declaration. Information derived from the Real Property Transfer Declaration is available to any taxpayer or any agent of such taxpayer subject to confidentiality requirements as provided by law. Refer to 39-5-121.5, C.R.S. and 39-13-102(5)(c), C.R.S.

1. Address or legal description of real property:

1254 Monaco Parkway, Denver, CO 80220

2. Type of property purchased: () Single Family Residential () Townhome () Condominium () Multi-Unit Res. () Commercial () Industrial () Agricultural () Mixed Use () Vacant Land () Other _____

REZONING NARRATIVE

Homeowners Stephanie & Lewis Williams desire to rezone their property at 1254 N Monaco Street Parkway.

This process would rezone the property from an E-SU-Dx property to the proposed E-SU-Dx1 which would allow an additional unit of density on the lot.

The additional unit of density would allow an Accessory Dwelling Unit that could result in the construction of a unit above the existing garage (in compliance with all ADU zoning constraints).

The Accessory Dwelling Unit would be detached from the house and conform to the neighborhood characteristics as well as any zoning and code compliance.

To Our Councilwoman, Ms. Amanda Sawyer of Denver Council District 5:

This letter is being delivered to let you know that we are pursuing a modification to the zoning of the property at 1254 N Monaco Parkway on behalf of homeowners Stephanie & Lewis Williams. This rezoning adjustment would shift the existing Zone District, E-SU-Dx, to an E-SU-Dx1 Zone District which would accommodate the design and construction of an additional dwelling space above the detached garage on the property for additional living space.

We have discussed the desired zoning change with the City and County of Denver's Community Planning division and have been coordinating with their representative on this pursuit. The proposed rezoning is consistent with the currently adopted city plans and is primarily in keeping with the current the East Area plan passed by City Council in November 2020, and its directive to view additional dwelling units as appropriate on all lots within the target area.

This rezoning allows for diversification of housing types to increase housing choice while also ensuring consistency with the fabric and patterning of the existing neighborhood context by providing low-scale, low-growth density. Additionally, the accessory dwelling constraints and allowances inherent to the proposed Zone District standards (E-SU-Dx1) would prevent the designed and constructed space from visually impacting the Monaco streetscape.

We would like to enlist your support and garner your thoughts as we move through this process. We realize that your close ties to your constituency and efforts to represent their voices will be a big factor in your attitude toward this rezoning. In collaboration with that ideal, we will be reaching out the Registered Neighborhood Organizations, the district's Councilpersons at Large as well as the immediate neighbors to gather their feedback.

More information and resources on the proposed rezoning are included for your review and reference.

We are grateful for your engagement and look forward to hearing your thoughts. We will be reaching out to your office soon to discuss this topic and what next steps might be. Should you have any questions or concerns, please contact me at the email address above.

Sincerely,

Claire Carwell (Architect) on behalf of Homeowners Stephanie & Lewis Williams
