6 books of the City. Any premium shall be payable to the Owner of each Series 2019C Bond being
7 redeemed upon presentation and surrender thereof upon prior redemption by check or draft or wire
8 transfer directed to such Owner as aforesaid. So long as the Owner of any Series 2019C Bond is
9 the Securities Depository or a nominee therefor, the Securities Depository shall disburse any
10 payments received, through Participants or otherwise, to the Beneficial Owners. If the date for
11 making any payment or giving any notice is not a Business Day, such payment or notice shall be
12 made or given on the next succeeding Business Day with such force and effect as if done on such
13 nominal date.

14 So long as the registered Owner of any Series 2019C Bond is the Securities Depository or a
15 nominee therefor, the Securities Depository shall disburse any payments received, through
16 participating underwriters, securities brokers or dealers, banks, trust companies, closing
17 corporations or other persons or entities for which the Securities Depository holds Series 2019C
18 Bonds or otherwise, to the Beneficial Owner or Owners thereof.

19 Neither the City nor the Paying Agent shall have any responsibility or obligation for the
20 payment to any Participant, any Beneficial Owner or any other Person (except an Owner of Series
21 2019C Bonds) of the principal of, interest on or any premium due on the Series 2019C Bonds.

22 Notwithstanding the foregoing provisions or any other provisions of this Ordinance to the
23 contrary, so long as and only with respect to those Series 2019C Bonds held in book-entry form, the
24 payment, registration, exchange, transfer and redemption provisions of those Series 2019C Bonds
25 shall conform to the requirements of the Securities Depository. So long as and only with respect to
26 those Series 2019C Bonds not held in book-entry form, the payment, registration, exchange, transfer
27 and redemption provisions of those Series 2019C Bonds shall conform to the requirements of this
28 Ordinance and the Sale Certificate.

29 **Section 304. Prior Redemption.** The Series 2019C Bonds shall be subject to optional
30 and mandatory sinking fund redemption prior to their respective Maturity Dates as set forth in the
31 Sale Certificate.

32 Series 2019C Bonds that are redeemable prior to their respective Maturity Dates may be
33 redeemed in part if issued in denominations that are integral multiples of \$5,000. In such case the

1 Series 2019C Bond shall be surrendered in the manner provided for transfers of ownership. Upon
2 payment of the redemption price the Owner shall receive a new Series 2019C Bond or Series 2019C
3 Bonds of authorized denominations in aggregate principal amount equal to the unredeemed portion
4 of the Series 2019C Bond surrendered. Such Series 2019C Bonds shall be treated as representing
5 a corresponding number of separate Series 2019C Bonds in the denomination of \$5,000 each.

6 **Section 305. Notice of Redemption.** Unless waived by the Owners of any Series 2019C
7 Bonds to be redeemed, notice of redemption shall be given by the Paying Agent in the name of the
8 City by sending a copy thereof by first-class postage prepaid mail, or with respect to those Series
9 2019C Bonds held in book-entry form, by using such other method required by the Securities
10 Depository, not less than thirty (30) days or more than sixty (60) days prior to the Redemption Date
11 to the Owner of each of the Series 2019C Bonds being redeemed determined as of the close of
12 business on the day preceding the first mailing of such notice at the address appearing on the
13 registration books of the City. Such notice shall specify: (i) the number or numbers of the Series
14 2019C Bonds to be redeemed, whether in whole or in part; (ii) the principal amounts thereof; (iii) the
15 CUSIP numbers of the Series 2019C Bonds, if any, to be redeemed; (iv) the date the Series 2019C
16 Bonds were originally issued; (v) the rate of interest borne by each Series 2019C Bond to be
17 redeemed; (vi) the maturity date of each Series 2019C Bond to be redeemed; (vii) the date fixed for
18 redemption; (viii) that on the Redemption Date there will be due and payable upon each Series
19 2019C Bond or part thereof so to be redeemed at the office of the Paying Agent the principal amount
20 or part thereof plus accrued interest thereon to the Redemption Date and that from and after such
21 date interest will cease to accrue; and, (ix) any other descriptive information determined by the
22 Paying Agent or the Treasurer to be necessary to identify accurately the Series 2019C Bonds being
23 redeemed. In addition, the Paying Agent is hereby authorized and directed to give such other or
24 further notice as may be required by law and to comply with any operational procedures and
25 requirements of the Securities Depository relating to redemption of bonds and notice thereof. Each
26 such notice of redemption shall be sent at least thirty (30) days before the Redemption Date by first
27 class mail or, with respect to those Series 2019C Bonds held in book-entry form, by overnight
28 delivery service or by electronic submission to the Securities Depository. Failure to send any notice
29 as aforesaid or any defect in any notice so sent with respect to any Series 2019C Bond shall not
30 affect the validity of the redemption proceedings with respect to any other Series 2019C Bond.

31 On or prior to the Redemption Date, the City shall deposit with the Paying Agent sufficient
32 funds to redeem any Series 2019C Bonds called for prior redemption on the Redemption Date. Upon
33 such deposit, the Series 2019C Bonds or portions thereof to be redeemed shall be due and payable

1 on the Redemption Date, and on the Redemption Date interest shall cease to accrue thereon. Any
2 Series 2019C Bonds redeemed prior to their respective Maturity Dates by call for prior redemption
3 or otherwise shall not be reissued and shall be canceled the same as Series 2019C Bonds paid at
4 or after maturity.

5 Notwithstanding the provisions of this section, any notice of redemption may contain a
6 statement that the redemption is conditioned upon the receipt by the Paying Agent of funds on or
7 before the date fixed for redemption sufficient to pay the redemption price of the Series 2019C Bonds
8 called for redemption, and that if such funds are not available, such redemption shall be cancelled
9 by written notice to the Owners of such Series 2019C Bonds called for redemption in the same
10 manner as the original redemption notice was sent.

11 **Section 306. Negotiability.** Subject to the registration and payment provisions herein
12 provided, the Series 2019C Bonds shall be fully negotiable within the meaning of and for the
13 purposes of the Uniform Commercial Code — Investment Securities, and each Owner shall possess
14 all rights enjoyed by holders of negotiable instruments under the Uniform Commercial Code —
15 Investment Securities.

16 **Section 307. Execution and Authentication of Bonds.** The Series 2019C Bonds shall
17 be executed in the name and on behalf of the City with the manual or facsimile signature of the
18 Mayor, shall be sealed with the manual or facsimile impression of the seal of the City and attested
19 with the manual or facsimile signature of the Clerk and shall be registered and countersigned with
20 the manual or facsimile signature of the Auditor of the City. Each Series 2019C Bond shall be
21 authenticated with the manual signature of the Registrar. The Series 2019C Bonds bearing the
22 manual or facsimile signatures of the officers in office at the time of the authorization thereof shall
23 be the valid and binding obligations of the City, subject to the requirement of authentication by the
24 Registrar, notwithstanding that before the delivery thereof and payment therefor or before the
25 transfer or exchange thereof any or all of the Persons whose manual or facsimile signatures appear
26 thereon shall have ceased to fill their respective offices. No Series 2019C Bond shall be valid or
27 obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless the
28 certificate of authentication on such Series 2019C Bond shall have been duly executed by the
29 Registrar, and such executed certificate upon any such Series 2019C Bond shall be conclusive
30 evidence that such Series 2019C Bond has been authenticated and delivered under this Ordinance.

31 **Section 308. Registration Transfer and Exchange of Bonds.** Upon their execution and
32 authentication and prior to their delivery, the Series 2019C Bonds shall be registered for the purpose
33 of payment of principal and interest with the Registrar.

1 Neither the City nor the Registrar shall have any responsibility or obligation with respect to
2 the accuracy of the records of the Securities Depository or a nominee therefor or any Participant
3 with respect to any ownership interest in the Series 2019C Bonds or the delivery to any Participant,
4 Beneficial Owner or any other person of any notice with respect to the Series 2019C Bonds.

5 The Series 2019C Bonds shall be transferable only upon the registration books of the City by
6 the Transfer Agent, at the request of the Owner thereof or his, her or its duly authorized attorney-in-
7 fact or legal representative. A Series 2019C Bond may be transferred upon surrender thereof
8 together with a written instrument of transfer duly executed by the Owner or his, her or its duly
9 authorized attorney-in-fact or legal representative with guaranty of signature satisfactory to the
10 Transfer Agent, containing written instructions as to the details of the transfer, along with the social
11 security number or federal employer identification number of the transferee and, if the transferee is
12 a trust, the names and social security numbers of the settlors and beneficiaries of the trust. The
13 Transfer Agent shall not be required to transfer ownership of any Series 2019C Bond during the
14 fifteen (15) days prior to the first mailing of any notice of redemption for any Series 2019C Bond or
15 to transfer ownership of any Series 2019C Bond selected for redemption on or after the date of such
16 mailing. The Owner of any Series 2019C Bond may also exchange such Series 2019C Bond for
17 another Series 2019C Bond of authorized denominations. Transfers and exchanges shall be made
18 without charge, except that the Transfer Agent may require payment of a sum sufficient to defray
19 any tax or other governmental charge that may hereafter be imposed in connection with any transfer
20 or exchange of Series 2019C Bonds. No transfer of any Series 2019C Bond shall be effective until
21 entered on the registration books of the City. In the case of every transfer or exchange, the Registrar
22 shall authenticate and the Transfer Agent shall deliver to the new Owner a new Series 2019C Bond
23 or Series 2019C Bonds of the same aggregate principal amount maturing in the same year and
24 bearing interest at the same per annum rate as the Series 2019C Bond or Series 2019C Bonds
25 surrendered. Such Series 2019C Bonds shall be dated as of their date of authentication. New
26 Series 2019C Bonds delivered upon any transfer or exchange shall be valid obligations of the City,
27 evidencing the same obligations as the Series 2019C Bonds surrendered, shall be secured by this
28 Ordinance, and shall be entitled to all of the security and benefits hereof to the same extent as the
29 Series 2019C Bonds surrendered. The City may deem and treat the Person in whose name any
30 Series 2019C Bond is last registered upon the books of the City as the absolute Owner thereof for
31 the purpose of receiving payment of the principal of, interest on and any premium due in connection
32 with such Series 2019C Bond and for all other purposes, and all such payments so made to such
33 Person or upon his, her or its order shall be valid and effective to satisfy and discharge the liability

1 of the City upon such Series 2019C Bond to the extent of the sum or sums so paid, and the City
2 shall not be affected by any notice to the contrary.

3 Neither the City nor the Transfer Agent shall have any responsibility or obligation with respect
4 to the accuracy of the records of the Securities Depository or its Participants regarding any
5 ownership interest in the Series 2019C Bonds or transfers thereof.

6 The City may remove the Securities Depository and the Securities Depository may resign by
7 giving sixty (60) days' written notice to the other of such removal or resignation. Additionally, the
8 Securities Depository shall be removed sixty (60) days after receipt by the City of written notice from
9 the Securities Depository to the effect that the Securities Depository has received written notice from
10 Participants having interests, as shown in the records of the Securities Depository, in an aggregate
11 principal amount of not less than 50% of the aggregate principal amount of the then outstanding
12 Series 2019C Bonds held in book-entry form to the effect that the Securities Depository is unable or
13 unwilling to discharge its responsibilities or a continuation of the requirement that all of the
14 outstanding Series 2019C Bonds be registered in the name of the Securities Depository or a
15 nominee therefor is not in the best interests of the Beneficial Owners. Upon the removal or
16 resignation of the Securities Depository, the Securities Depository shall take such action as may be
17 necessary to assure the orderly transfer of the computerized book-entry system with respect to the
18 Series 2019C Bonds held in book-entry form to a successor securities depository or if no successor
19 securities depository is appointed as herein provided, the transfer of the Series 2019C Bonds in
20 certificate form to the Beneficial Owners or their designees. Upon the giving of notice by the City of
21 the removal of the Securities Depository, the giving of notice by the Securities Depository of its
22 resignation or the receipt by the City of notice with respect to the written notice of Participants
23 referred to herein, the City may, within sixty (60) days after the giving of such notice, appoint a
24 successor securities depository upon such terms and conditions as the City shall impose. Any such
25 successor securities depository shall at all times be a registered clearing agency under the Securities
26 and Exchange Act of 1934, as amended, or other applicable statute or regulation, and in good
27 standing thereunder. If the City fails to appoint a successor securities depository within such time
28 period, the Series 2019C Bonds shall no longer be restricted to be registered in the name of the
29 Securities Depository or a nominee therefor, but may be registered in whatever name or names
30 Owners transferring or exchanging Series 2019C Bonds shall designate.

31 **Section 309. Lost or Stolen Bonds.** If any Series 2019C Bond shall be lost, stolen,
32 destroyed or mutilated, the Transfer Agent shall, upon receipt of such evidence, information,
33 indemnity and reimbursement for expenses relating thereto as it and the City may reasonably

1 require, authenticate and deliver a replacement Series 2019C Bond or Series 2019C Bonds of the
2 same aggregate principal amount, interest rate, series and Maturity Date, bearing a number or
3 numbers not previously assigned. If such lost, stolen, destroyed or mutilated Series 2019C Bond
4 shall have become due and payable or is about to become due and payable, the Paying Agent may
5 pay such Series 2019C Bond in lieu of replacement.

6 **Section 310. Delivery and Cancellation of Bonds.** The officers of the City are
7 authorized to deliver to the Registrar fully executed unauthenticated Series 2019C Bonds in such
8 quantities as may be convenient to be held in custody by the Registrar pending use as herein
9 provided.

10 Whenever any Series 2019C Bond shall be surrendered to the Paying Agent upon payment
11 thereof or to the Transfer Agent for the transfer, exchange or replacement as provided herein, such
12 Series 2019C Bond shall be promptly canceled by the Paying Agent or Transfer Agent, which
13 cancellation shall be reported to the Council and certified by the Auditor to the Mayor pursuant to the
14 Charter.

15 **ARTICLE IV**

16 **DELIVERY, APPLICATION, AND ADMINISTRATION OF PROCEEDS**

17 **Section 401. Delivery.** After the Series 2019C Bonds have been duly executed,
18 authenticated and registered as provided herein, the Treasurer shall cause the Series 2019C Bonds
19 to be delivered to the Underwriters or at the request of the Underwriters to the Securities Depository
20 upon receipt of the agreed purchase price for the Series 2019C Bonds set forth in the Sale
21 Certificate. Except as provided below, the proceeds of the Series 2019C Bonds shall be applied
22 solely to pay the costs of the Elevate Denver Project, and to pay the costs of issuance of the Series
23 2019C Bonds in connection therewith. Neither the Underwriters nor any subsequent Owner of any
24 Series 2019C Bond shall in any manner be responsible for the application or disposal by the City or
25 by any of its officers, agents and employees of any of the proceeds of the Series 2019C Bonds.

26 **Section 402. Application of Proceeds of Series 2019C Bonds.** The net proceeds of
27 the Series 2019C Bonds, upon their receipt, shall be accounted for or applied in the following manner
28 and priority:

29 A. First, proceeds of the Series 2019C Bonds in the amount set forth in the Sale
30 Certificate shall be credited to a separate book account hereby created, which shall be under the
31 control of the Treasurer, maintained to defray the costs of the Elevate Denver Project and designated
32 as the "City and County of Denver, Colorado, General Obligation Elevate Denver Bonds, Series
33 2019C, Bond Proceeds Fund" (the "Series 2019C Bond Proceeds Fund"). All investment income

1 earned on proceeds of the Series 2019C Bonds on deposit in the Series 2019C Bond Proceeds
2 Fund shall also be credited to such account. All investment income earned on any other account
3 created under or referenced in this Ordinance shall be credited thereto. Any net original issue
4 premium received by the City from the sale of the Series 2019C Bonds shall be credited to the Series
5 2019C Bond Proceeds Fund.

6 B. Second, there shall be deposited into the Series 2019C Issuance Expenses Account
7 hereby created with the Paying Agent and designated as the “City and County of Denver, Colorado,
8 General Obligation Elevate Denver Bonds, Series 2019C, Costs of Issuance Account” (the “Series
9 2019C Costs of Issuance Account”) such proceeds of the Series 2019C Bonds as set forth in the
10 Sale Certificate to pay, together with other funds of the City legally available for said purpose, the
11 costs of issuance of the Series 2019C Bonds. Any amounts on deposit in the Series 2019C Costs
12 of Issuance Account remaining after the payment of all the costs of issuance of the Series 2019C
13 Bonds shall be transferred to the Series 2019C Bond Proceeds Fund and spent on the costs of the
14 Elevate Denver Project.

15 C. Third, upon completion of the Elevate Denver Project, any unexpended proceeds of
16 the Series 2019C Bonds together with any other amounts remaining in the Series 2019C Bond
17 Proceeds Fund, shall be transferred to the “Bonded Indebtedness Principal Fund” or the “Bonded
18 Indebtedness Interest Fund” as the Treasurer may determine.

19 The City shall proceed with all due diligence to complete the Elevate Denver Project being
20 financed with the proceeds of the Series 2019C Bonds.

21 **Section 403. Rebate Account.** The City shall transfer into a special account hereby
22 created, which shall be under the control of the Treasurer, and designated as the “City and County
23 of Denver, Colorado, General Obligation Elevate Denver Bonds, Series 2019C, Rebate Account”
24 (the “Series 2019C Rebate Account”) the estimated amounts of arbitrage rebate, if any, and
25 penalties, if any, due to the federal government under Sections 103 and 148 of the Tax Code and
26 the regulations thereunder relating to the Series 2019C Bonds. Transfer of said amounts shall be
27 made from any or all of the funds or accounts referred to herein, to the extent of funds available
28 therefore, but the required arbitrage rebate payments shall be made to the federal government from
29 any legally available funds if there are no proceeds of the Series 2019C Bonds or ad valorem tax
30 receipts or investment earnings thereon deposited in the funds or accounts referred to herein
31 available for such purpose. The amounts so transferred shall be such that within sixty (60) days
32 after each computation date selected by the City in accordance with Section 148(f) of the Tax Code
33 and the regulations thereunder the amount in the Series 2019C Rebate Account is at least equal to

1 the greater of (1) the amount that the City estimates is rebatable on account of investment during
2 the applicable period or (2) such other amount as the City deems necessary or prudent to provide
3 for payment of the amount actually rebatable in accordance with Section 148(f) of the Tax Code and
4 the regulations thereunder.

5 The City shall compute the amount actually rebatable as of each installment computation date
6 and pay the United States Treasury 90% thereof within sixty (60) days and the balance, together
7 with interest and penalties, if any, as required by Section 148(f) of the Tax Code and the regulations
8 thereunder, within sixty (60) days after all the Series 2019C Bonds have been discharged, provided
9 that computations and payments may be made on other bases, at other times and in other amounts,
10 or omitted altogether, to the extent nationally recognized bond counsel opines that such action will
11 not adversely affect the tax treatment of interest on the Series 2019C Bonds.

12 The City shall hold the Series 2019C Rebate Account separate and apart from all other funds
13 and accounts of the City and shall maintain the Series 2019C Rebate Account until sixty (60) days
14 after all the Series 2019C Bonds have been discharged. The City shall retain the records of the
15 determinations of the amounts required to be deposited in the Series 2019C Rebate Account, of the
16 proceeds of any investments of moneys in the Series 2019C Rebate Account and of the amounts
17 paid to the United States Treasury until the date six (6) years after the discharge of the last of the
18 Series 2019C Bonds.

19 **Section 404. Bonded Indebtedness Principal Fund; Bonded Indebtedness Interest**
20 **Fund; Pledge.** For the purpose of paying interest on the Series 2019C Bonds as the same becomes
21 due and the principal of the Series 2019C Bonds as they mature, there shall be levied each year on
22 all the taxable property in the City, in addition to all other taxes, ad valorem taxes sufficient to pay
23 such principal and interest promptly as the same become due, and such taxes, when collected, shall
24 be deposited into the “Bonded Indebtedness Principal Fund” and the “Bonded Indebtedness Interest
25 Fund,” as appropriate. In addition, all investment income earned on any funds held or received by
26 the Paying Agent pursuant to the Paying Agent Agreement that are required to be remitted by the
27 Paying Agent to the City shall be deposited by the City in either the Bonded Indebtedness Principal
28 Fund or the Bonded Indebtedness Interest Fund as the Treasurer may determine. Nothing herein
29 prevents the City from depositing into such funds and applying to the payment of the principal of and
30 interest on the Series 2019C Bonds any other funds that may be in its treasury and available for that
31 purpose, and upon such payments the levies herein provided may thereupon to such extent be
32 diminished.

1 The sums hereinbefore provided to pay the principal and interest on the Series 2019C Bonds
2 due in the year 2019 and the sums hereinbefore provided to pay the principal of and interest on the
3 Series 2019C Bonds thereafter are hereby appropriated for those purposes, and such amounts for
4 each year shall be included in the annual budget and appropriation bill or bills to be adopted and
5 passed by the Council in each year while any of the Series 2019C Bonds are outstanding and unpaid.
6 No constitutional or Charter or City Code provision enacted or to become effective after the issuance
7 of the Series 2019C Bonds shall in any manner be construed as limiting or impairing the obligation
8 of the City to levy general ad valorem taxes without limitation as to rate and in an amount sufficient
9 to pay the principal of and interest on the Series 2019C Bonds as they become due.

10 The full faith and credit of the City are hereby pledged for the punctual payment of the principal
11 of and interest on the Series 2019C Bonds.

12 It shall be the duty of the Council annually at the time and in the manner provided by law for
13 levying other taxes, if such action is necessary to comply with the provisions hereof, to ratify and
14 carry out the provisions hereof with reference to the levy and collection of taxes, and the Council
15 shall require the officers of the City to levy, extend and collect such taxes in the manner provided by
16 law for the purpose of providing funds to pay the principal of and interest on the Series 2019C Bonds
17 promptly as the same become due. Such taxes, when collected, shall be kept for and applied only
18 to the payment of the principal of and interest on the Series 2019C Bonds as hereinbefore specified.

19 **Section 405. Appropriation and Payment of Moneys.** The Treasurer is hereby
20 authorized and directed to pay or cause to be paid the interest on the Series 2019C Bonds as the
21 same becomes due and the principal of the Series 2019C Bonds at maturity or upon prior redemption
22 without further warrant or order. The moneys, proceeds of the Series 2019C Bonds and interest
23 earnings thereon, deposited in the funds and accounts referred to or created herein are hereby
24 appropriated for the purposes of Sections 402, 403 and 404 hereof.

25 **Section 406. Tax Covenants.**

26 A. The City covenants for the benefit of the registered owners of the Series 2019C Bonds
27 that it will not take any action or omit to take any action with respect to the Series 2019C Bonds, the
28 proceeds thereof, any other funds of the City or any facilities financed with the proceeds of the Series
29 2019C Bonds if such action or omission (i) would cause the interest on the Series 2019C Bonds to
30 lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax
31 Code, (ii) would cause the interest on the Series 2019C Bonds to lose its exclusion from alternative
32 minimum taxable income as defined in Section 55(b)(2) of the Tax Code, or (iii) would cause the
33 interest on the Series 2019C Bonds to lose its exclusion from Colorado taxable income or Colorado

1 alternative minimum taxable income under present Colorado law. The foregoing covenant shall
2 remain in full force and effect notwithstanding the payment in full or defeasance of the Series 2019C
3 Bonds until the date on which all obligations of the City in fulfilling the above covenant under the Tax
4 Code and Colorado law have been met.

5 B. The City is hereby authorized to execute a certificate or certificates in implementation
6 of the foregoing covenants, and the representations and agreements set forth therein shall be
7 deemed the representations and agreements of City, as if the same were set forth herein.

8 **Section 407. Ordinance to Constitute Contract.** In consideration of the purchase and
9 acceptance of any or all of the Series 2019C Bonds by the Owners from time to time, the provisions
10 of this Ordinance shall be part of the contract between the City and the Owners from time to time, to
11 the effect and with the purpose set forth herein.

12 **Section 408. Performance of Duties.** The City will faithfully and punctually perform or
13 cause to be performed all duties with respect to the Elevate Denver Project required by the
14 Constitution and laws of the State, the Charter and the City Code.

15 **Section 409. Continuing Disclosure Undertaking.** The City hereby covenants and
16 agrees that it shall comply with the provisions of the Continuing Disclosure Undertaking. Any failure
17 by the City to perform in accordance with this Section 409 shall not constitute an event of default
18 under this Ordinance, and the rights and remedies provided by this Ordinance upon the occurrence
19 of an event of default shall not apply to any such failure. The Paying Agent shall not have any power
20 or duty to enforce this Section 409. No Owner of a Bond shall be entitled to damages for the City's
21 non-compliance with its obligations under this Section 409.

22 **Section 410. Conditions Precedent.** Upon the date of issuance of the Series 2019C
23 Bonds, all conditions, acts and things required by the Constitution and laws of the State or the
24 Charter and ordinances of the City to exist, to have happened and to have been performed precedent
25 to or in the issuance of the Series 2019C Bonds shall exist, have happened, and have been
26 performed; and the Series 2019C Bonds, together with all other obligations of the City, shall be within
27 every other limitation prescribed by the State Constitution and the Charter.

28 **ARTICLE V**
29 **DEFEASANCE**

30 **Section 501. Defeasance.** When all of the principal of and interest on the Series 2019C
31 Bonds have been duly paid, all obligations hereunder in respect of the Series 2019C Bonds shall
32 thereby be discharged, and the Series 2019C Bonds shall no longer be deemed to be Outstanding.
33 There shall be deemed to be such due payment when the City has placed in escrow or in trust with

1 a trust bank located within or without the State, moneys or Federal Securities or both in an amount
2 sufficient (including the known minimum yield available for such purpose from Federal Securities in
3 which such amount may wholly or in part be initially invested) to pay all principal of and interest on
4 the Series 2019C Bonds when due, whether at stated maturity or upon prior redemption. The
5 Federal Securities shall become due prior to the times at which the proceeds thereof shall be needed
6 in accordance with a schedule established and agreed upon between the City and such bank at the
7 time of the creation of the escrow or trust. Nothing herein shall be construed to prohibit a partial
8 defeasance of the Series 2019C Bonds in accordance with the provisions hereof and in the Sale
9 Certificate.

10 Pursuant to Section 2.2.4 of the City Charter, the Treasurer is hereby authorized and
11 designated to execute an escrow agreement and any other documents related to the defeasance of
12 all or any portion of the Series 2019C Bonds on behalf of the City.

13 **ARTICLE VI**
14 **MISCELLANEOUS**

15 **Section 601. Delegation of Duties.** The officers and employees of the City are hereby
16 authorized and directed to take all action necessary or appropriate to the provisions hereof, including
17 without limitation:
