6. General description of proposed ordinance including contract scope of work if applicable:

This ordinance will allow for an increase to Wastewater sanitary sewer and storm drainage rates effective July 1, 2016 for 2016, 2017, 2018, 2019, and 2020. As an enterprise fund, Wastewater user rates must cover operations, maintenance, and capital improvement expenditures. The proposed increases will be detailed at committee. The ordinance will also continue to allow for future increases beyond 2020 of no more than the previous year's CPI at the discretion of the Manager of Public Works. Larger increases would require Council approval.
