

# Stacie Loucks

## Professional Experience

### **Public Engagement Consulting, 2016-present**

Strategic outreach and communications specialist with experience convening task forces, assembling community groups and leading charettes to present ideas and garner stakeholder support. Formed *Agora Civic Engagement, LLC* to provide strategic communications consulting that makes a difference in the civic space of our communities.

### **Denver Excise & Licenses**

Executive Director, 2014-2016

Appointed by Mayor Michael Hancock to be a member of his Cabinet by leading the business regulatory agency for the City & County of Denver. Served as the first permanent local regulator in the country for retail marijuana and worked nationally on developing medical and retail marijuana policy and procedures. Worked with community groups, neighborhood associations & business industry groups to enhance the City's regulatory practices on issues ranging from taxis and food trucks to creating new liquor licenses that reflect changing desires for community amenities. Conceived of and received Council support for the nation's first online short term rental licenses after a year-long stakeholder outreach process receiving unanimous support for the new concept.

### **Legislative Advisor**

Denver Mayor's Office, 2010-2014

Served as a liaison to the Denver City Council behalf of the Mayor's Office and managed the state and federal legislative agenda. Liaison to agencies including Community Planning and Development, Public Works and Parks & Recreation.

### **Lowry Community Master Association**

Executive Director, 2006-2010

Appointed by the board to implement community-building through the new neighborhood and to enhance business visibility and place-making. Worked closely with the City on developing transportation alternatives for north-south mobility and to serve as community advocate.
