# Executive Summary

## Downtown Denver BID

### 2017 Operating Plan and Budget

Business Improvements Districts (BID's) are organized for the benefit of commercial properties to assist with infrastructure improvements and their maintenance, as well as having the ability to perform marketing and economic development activities. This is the operating plan and budget for **Downtown Denver BID** and it is submitted annually.

**General Description of District and Location:** The Downtown Denver Business Improvement District covers a 120- block area within central downtown Denver. The District is centered on the 16<sup>th</sup> Street Mall from Grant and Colfax to Wewatta Street extending approximately 4 blocks on the east to 20<sup>th</sup> Street and to Speer Blvd on the west side of 16<sup>th</sup> Street.

The BID is a property-owner funded management district that provides the following services and improvements: capital improvement projects, cleaning and maintenance, marketing and communication of district events and programs, economic development services, transportation initiatives and safety services.

Operations and improvements of the BID are financed by special assessments on real commercial property within the District, IGAs, interest, grants, and fees.

In 2001, the electors overwhelmingly supported a proposal to significantly increase special assessments and the BID increased its core services – litter and trash removal, sidewalk sweeping, and alley cleaning throughout Downtown and broadened its safety services. These safety service included Downtown Ambassadors, a homeless outreach program, and the hiring of off-duty police.

In 2017, the most visible BID initiatives will focus on the safety of and the re-visioning of the 16th Street Mall, the repair of significant areas of 16th Street Mall sidewalk areas, and continued activation of public spaces. The BID will also continue its “Off-Mall” activities, including support of more and better Downtown-wide bicycle facilities, and tree care and =flower plantings in a variety of locations throughout the BID service area. Additionally, the BID continue its core focus on clean and safe activities noted above as well as funding marketing, communications, holiday, economic development, and research programs.

**District Structure:** The district has no debt and no mill levy. The majority of the district is financed by a special assessment that is based upon a formula of property size, building size, and geographic location to meet the proposed budgetary expenditures for 2017. The District also generates revenues via IGAs, interest, grants, and fees. The **2017 budgeted expenses are \$8,141,481**; comprised of \$7,088,852 Operating and Maintenance; \$84,000 Capital Fund expenses; \$181,148 Periodic Maintenance Fund expenses; \$75,000 Special Projects Contingency expenses; and \$712,481 Enterprise expenses. The Board of Directors is composed of 7 electors.
