5. **Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
   a. **Scope of Work**
   Due to a change in Colorado law, the jail management system needs to be able to calculate 'flat time" sentencing which requires additional programming from Syscon. Other changes needed in the jail management system include:
   Additional checkboxes on the "Incident Inquiry Screen",
   "Expired Orders" need to remain visible and "Active Orders" should remain active when an inmate is released in case they are rebooked. Changes to PPD Screen to record Date and Time. Ability to amend comments on Alert screen is needed, so previous comments are not lost. Syscon assistance with creating year end reports.

   The current contract amount is $1,996,007. These changes add up to a total of $48,348 for a revised contract amount of $2,044,355.

   b. **Duration**
   2/1/2008 – 2/1/2012.
   c. **Location**
   Denver Sheriff Department.
   d. **Affected Council District**
   All.
   e. **Benefits**
   Improved jail management system to comply with changes in Colorado law.
   f. **Costs**

$48,348.

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

No.
