<sup>1</sup> Employment Gap: took time away to raise a family and be a military spouse during the post-911 conflict.

I am applying for a position on the Denver Community Corrections Board. I'm a Denver native and would appreciate the chance to give back to the city I care deeply about. I'm a Licensed Social Worker with more than 20 years of experience in hospital, mental health, and correctional settings. I earned my Master of Social Work from the University of Denver and my Bachelor's degree in Psychology from Western Colorado University. I try to approach my work with compassion and common sense, and I'm committed to helping people get the support they need while keeping our community safe.
