July 20, 2026

Council members,

I move to amend **CB 26-0921** in the following particulars:

1. On page 7, line 24, strike “The entertainment business shall provide such records following a request from a law enforcement officer or city official that is submitted in the performance of their official duties as part of an official investigation, and must provide access to off-premises records within three (3) business days following a request.”

PURPOSE OF THE AMENDMENT

This amendment removes language related to provision of records retained by entertainment businesses to law enforcement or city officials.

If the amendment passes it will not require a delay in publication
