(c) Grantee will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.

(d) Insurance coverage requirements specified in this Easement shall in no way lessen or limit the liability of the Grantee under the terms of this indemnification obligation. The Grantee shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.
