**Justifying Circumstances - One of the following circumstances exists:**  
Since the date of the approval of the existing Zone District, there has been a change to such a degree that the proposed rezoning is in the public interest. Such change may include:

- a. Changed or changing conditions in a particular area, or in the city generally; or,
- b. A City adopted plan; or
- c. That the City adopted the Denver Zoning Code and the property retained Former Chapter 59 zoning.

The proposed map amendment application identifies the adoption of *Blueprint Denver* as the Justifying Circumstance. As discussed above, *Blueprint Denver* specifically recommends the city diversify housing choice through the expansion of accessory dwelling units throughout all residential areas. The plan was adopted after the date of approval of the existing zone districts. Therefore, this is an appropriate justifying circumstance for the proposed rezoning.

**The proposed official map amendment is consistent with the description of the applicable neighborhood context, and with the stated purpose and intent of the proposed Zone District.**

The proposed map amendment is consistent with the neighborhood context description, stated purpose and intent of the proposed E-54-D1 / E-54-D1X Zone District.

## **Written Project Narrative**

I plan to construct a detached ADU at 2356 S Gilpin St and 2581 S High St. Each property falls within the zoning standards under the proposed zoning districts. I am looking to rezone my properties from E-SU-D/E-SU-Dx to E-SU-D1/E-SU-D1x.

The City of Denver has a housing shortage and I intend for these ADUs to help in alleviating the issue. The ADUs will complement the existing housing in the neighborhood and both have alley access.

## **Outreach**

I have called, emailed and set up a meeting with the District 6 Councilman Paul Kashmann to meet at the properties on 5/19. I have sent an email to all appropriate RNOs (INC and University Neighbors) on 5/11 and am in the process of getting letters of support from the community that I will provide once I get them.

I personally live in the Platt Park neighborhood, just 5 minutes away from the properties in question. I am in full support of Brett Mosley building an ADU at 2581 S High St and 2356 S Gilpin St as it will help create housing opportunities and improve the community. To Whom It May Concern,

I have been a proud Denver resident for 13 years, and have lived in several different central neighborhoods. I have been renting a home from Brett for two years in Platt Park. I am so very fortunate to get to live in an absolutely stunning home in an amazing part of town, at a price that is reasonably affordable. Brett's work is meticulous, beautiful, and of strong construction. He takes great pride of ownership and is a diligent property owner, and seeks to add to the neighborhood.

I also assisted Brett in leasing his new townhomes at 3354 S. Washington St., and was impressed by the clever use of space between units to allow more sunlight, and beautiful finishes throughout.

I completely support Brett's work. I am an individual with a love and fascination of Denver architecture and history, which speaks to my confidence in his ability to create housing opportunities that align with preserving the character and community of the neighborhood. I trust Brett's ability to add lovely new homes in an increasingly unaffordable housing market, particularly in central Denver, in which housing is already so tight. I feel strongly that he will continue to maintain and improve the aesthetic of the neighborhood, as well as provide more housing opportunities.

*Thank you!*
