Nevertheless, the Management Agent may lawfully terminate any residency when, in the Management Agent's judgment, sufficient cause for such termination occurs under the terms of the tenant's Occupancy Agreement. For such purpose, the Management Agent is authorized to consult with legal counsel, to be designated, to terminate and file judicial pleadings incident to such actions; provided, however, the Management Agent shall inform the Owner of such actions and follow such instructions as the Owner may prescribe for the conduct of any such actions. Emergency requests will be serviced within twenty-four (24) hours of receipt. Complaints of a serious nature will be reported to the Owner after investigation.

In the latter two events, the Management Agent will inform the Owner of the expenditure as soon as possible.
 - f. The Management Agent will physically inspect each dwelling unit prior to commencement of occupancy by any resident and annually thereafter. Prior to a resident's occupancy, the Management Agent will prepare a move-in checklist to be completed with the resident wherein both parties to the Occupancy Agreement will agree to the condition of the unit, window coverings, appliances, furniture, fixtures, etc.
7. Utilities and Services In accordance with the Policies and Procedures and the Operating Budget, the Management Agent will make arrangements for water, electricity, gas, fuel oil, sewage and trash removal, extermination, decorating, laundry facilities and telephone services subject to contracts as may be necessary to secure such utilities and services. Any deposits required in connection with obtaining such utilities and services shall be the financial responsibility of the Owner but paid, to the extent possible, out of the operations of the Property.
8. Personnel The Policies and Procedures prescribe the number, qualifications and duties of the personnel to be regularly employed in the management of the Property. All such on-site personnel will be employees of the Management Agent subject to its policies and procedures. Further, such personnel will be hired, paid, supervised and discharged through the Management Agent subject to the following conditions:
- a. Compensation (including fringe benefits) of the on-site personnel will be as prescribed in the Policies and Procedures. Compensation will be within the Management Agents's sole discretion provided minimum wage standards are met and overall salaries do not exceed those in the Operating Budget described in Section 10 of this Agreement.

b. Compensation (including fringe benefits) payable to the on-site personnel and all local, State and Federal taxes incident to the employment of such personnel shall be borne solely by the Property and paid out of the operations of the Property.

9. Disbursements from the Operating Account From the funds collected and deposited by the Management Agent in the Operating Account pursuant to Section 4 of this Agreement, the Management Agent will make the following disbursements when payable:

a. Compensation payable to the on-site personnel and the local, State and Federal taxes incident to the employment of such personnel as specified in Section 8 of this Agreement.

b. All sums otherwise due and payable by the Owner as expenses of the Property authorized to be incurred by the Management Agent under the terms of this Agreement, including compensation payable to the Management Agent, pursuant to Section 19 of this Agreement.

Except for the disbursements mentioned above, funds will be disbursed or transferred from the Operating Account only as the Owner may, from time to time, direct in writing. The Management Agent shall monitor all bank accounts to avoid any overdrafts. If the Management Agent should anticipate that there will be insufficient funds for the payment of any amounts payable from the Operating Account, as set forth herein, the Management Agent shall immediately notify the Owner. Upon notification, the Owner shall fund the Operating Account to enable payment of said sums. In no event will the Management Agent be required to use its own funds to pay such disbursements.

10. Operating Budgets Annual operating budgets for the Property will be prepared by the Management Agent and provided to the Owner for approval prior to the Property's opening and prior to the beginning of each Fiscal Year as defined in Section 11a of this Agreement. The Owner will promptly inform the Management Agent of any changes to be incorporated into the budget.

11. Records and Reports In addition to any requirements specified in the Policies and Procedures or in other provisions of this Agreement, the Management Agent will have the following responsibilities with respect to records and reports:

the Owner may have by law or under this Agreement.

12. Fidelity Bond The Management Agent will at all times carry employee dishonesty insurance coverage in an amount not less than two months of gross potential rental income, to protect the Owner against misappropriation of Property funds by the Management Agent, any of the Management Agent's employees or any person subject to the Management Agent's supervision, including but not limited to, on-site personnel.
13. Bids and Purchase Discounts, Rebates or Commission, Etc. The Owner and Management Agent agree to obtain contract materials, supplies and services at the lowest possible cost and on terms advantageous to the Property and to secure and credit to the Property all discounts, rebates or commissions obtainable with respect to purchases, service contracts and other such transactions on behalf of the Property. The Owner and the Management Agent agree that all goods and services purchased from individuals or companies having an identity-of-interest with the Owner or Management Agent shall be purchased at costs not in excess of those that would be incurred in making arms-length purchases on the open market.

The Management Agent shall solicit written cost estimates (the "Bids") from at least three contractors or suppliers for any work item which is estimated to cost \$5,000.00 or more and for any contract for on-going supplies or services which is estimated to exceed \$5,000.00 per year. The Management Agent agrees to accept the Bid which represents the lowest price taking into consideration the bidder's reputation for quality of workmanship or materials, timely performance and the time frame within which the service and/or goods are in need of completion.

For any contract for on-going supplies or services obtainable from more than one source and estimated to cost less than \$5,000.00, the Management Agent shall solicit oral or written Bids, as necessary to assure that the Property is obtaining services and supplies at the lowest price taking into consideration the Bidder's reputation for quality of workmanship or materials, timely performance and the time frame within which the service or supplies are in need of delivery.

Documentation of all Bids (written or oral) as required by this Agreement shall be made a part of the Property's records and be retained for three years from the date the work was completed.

15. Resident-Management Relations The Management Agent will encourage and assist residents of the Property in forming and maintaining representative organizations to promote their common interest and will maintain a "good faith" communication with such organizations to the end that problems affecting the Property and its residents may be avoided or solved on the basis of mutual self-interest.
16. Insurance The Owner will inform the Management Agent of property and liability insurance to be carried with respect to the Property and its operations. The Management Agent will cause such insurance to be placed and to be kept in effect at all times. The premiums related to such insurance will be paid out of the operations of the Property. Re: 1901 N. Eudora St. (Schedule Number 0131408010000) :: Rezoning PUD Request

Dear Planning Services,

Shopworks Architecture, on behalf of Senior Housing Options, respectfully requests the City to consider a rezoning of an approximate 0.48-acre parcel located at 1901 Eudora Street in the South Park Hill Neighborhood.

This request has been created by the following parties:

Owner/Applicant

Park Hill Residences, Inc.; owned by Senior Housing Options
1510 17th St
Denver, CO 80202
Contact: Jim Goddard
Email: jgoddard@seniorhousingoptions.org

The existing building at 1901 N Eudora Street is an assisted living facility for low-income elderly adults. The building is owned and managed by Senior Housing Options, a nonprofit organization dedicated to providing supportive services and quality affordable housing for the elderly and adults with physical and mental barriers.

Senior Housing Options is looking to maximize the number of residents they can serve by reconfiguring the interior of their building to accommodate 4 additional units. The conversion would not increase the footprint of the building; however, because the existing zoning limits the number of units to 36, the organization is looking to rezone to accommodate the additional 4 units; increasing the number of residents they can house and serve from 36 residents to 40 residents.

The site is currently zoned PUD, with a base zone district of RO from the Former Chapter 59 zoning code. We are seeking a rezone of this parcel to a new PUD, with a base zone district of General Urban Multi-Unit 3 stories (G-MU-3) to increase the density of this property by 4 units.

The intent of the PUD is to:

- Allow for flexibility to encourage ongoing use and adapted reuse of the existing building as an assisted living facility for elderly adults.
- Increase the maximum allowed density to 40 units.

Following the rezoning to a new PUD, a Site Development Plan or Enhanced Zone Permit would be submitted to the city for the interior renovation of the building to accommodate 4 more units.

The proposed redevelopment of the subject property would be subject to the G-MU-3 zone district standards with several exceptions. Those deviations include:

301 West 45th Avenue Denver, CO 80216 (303) 433-4094

- Allow for flexibility to encourage an existing use and adaptive reuse of the existing building
- Accommodate the addition of 4 more units onsite, increasing the density from 36 units to 40 units.

G-MU-3 is a multi-unit district allowing urban house, duplex, garden court, town house, and apartment building forms. The tallest building form has a maximum height of three stories.

COMMUNITY OUTREACH

Senior Housing Options met with the Greater Park Hill Community neighborhood association on April 7, 2022, during their regular community meeting to present this rezoning request and listen to feedback. The Greater Park Hill Community fully supports our PUD request and has provided a letter of support which accompanies this application.

Senior Housing Options also held their own community information meeting on April 26, 2022, at St. Thomas Episcopal Church to discuss this proposed zoning strategy with the neighbors. Only one person attended and the meeting and did not have any questions, because he is the Board Chair of the Greater Park Hill Community neighborhood association.

CONSISTENCY WITH CITY ADOPTED PLANS

Denver Comprehensive Plan 2040

This PUD reflects the following goals and strategies in the Denver Comprehensive Plan:

- *Equitable, Affordable, and Inclusive, Goal 2, Strategy A – Create a greater mix of housing options in every neighborhood for all individuals and families (p. 28).*
- *Equitable, Affordable, and Inclusive, Goal 2, Strategy D- Build housing as a continuum to serve residents across a range of incomes, ages and needs. Increase the development of senior-friendly and family-friendly housing, including units with multiple bedrooms in multifamily developments (p.29)*
- *Equitable, Affordable, and Inclusive, Goal 4, Strategy B- Preserve existing affordable housing. Create additional tools, including community land trusts and regulatory incentives to preserve existing affordable housing (p. 29)*
- *Equitable, Affordable, and Inclusive, Goal 8, Strategy D- Increase housing options for Denver’s most vulnerable populations. Expand the supply of housing accessible to seniors and people with disabilities, including more housing choices for seniors to age in place (p. 31).*
- *Strong and Authentic Neighborhoods Goal 1, Strategy B – Ensure neighborhoods offer a mix of housing types and services for a diverse population (p. 34).*

This rezone is to amend the existing PUD to accommodate a modest increase in density. This rezone will enable Senior Housing Options to increase the number of dwelling units onsite from 36 to 40. This will help serve 4 additional low-income seniors who need assisted living, who previously were unable to find housing in Denver. This rezone ensures that there is a mix of housing types and options for a diverse and vulnerable population and provides a continuum of housing options for residents to age in place.

Blueprint Denver

The future places concept for the subject property is *residential area- low*, which is predominately *one- and two-unit residential uses*. *In some contexts, some higher intensity residential may be mixed throughout (p. 148)*. The subject property is identified as being in one of the least housing diverse areas (p.43) meaning in an area where there is a strong need to include efforts to increase the range of housing options.

301 West 45th Avenue Denver, CO 80216 (303) 433-4094

Blueprint Denver also offers the following plan guidance:

- *Areas that become too homogeneous and exclusive threaten that vision by reducing or eliminating choice for anyone but the most affluent and privileged. A lack of housing options at various sizes and prices often means certain populations—including families, the elderly, and people with disabilities—are not able to live in neighborhoods of their choice. Increasing the range of housing and job options will also advance the important goal to maintain and increase racial, ethnic, and socioeconomic diversity in Denver’s neighborhoods (p. 41).*
- *Expand Family-Friendly Housing. To build a diverse community of all ages and to compete with housing options in neighborhoods outside of Denver, we need to build communities supportive of families—including seniors who want to age in place and families of different religions and cultures. (p. 85)*
- *Incentivize or require efficient development of land, especially in transit-rich areas. Allow increased density in exchange for desired outcomes, such as affordable housing, especially in transit-rich areas (p.73).*

This rezoning would accommodate an additional 4 units on the current subject property and allow for Senior Housing Options to serve 4 additional low-income seniors who need assisted living. This supports Blueprint Denver’s vision of increasing the range of housing options within a residential area- low.

The subject property is adjacent to E. Montview Blvd, which is a residential collector and E. 17th Avenue Parkway is a residential arterial that have multimodal pathways and easy access to mass transit. Being adjacent to these road classifications help inform and guide where additional density may be appropriate. According to the Land Use & Built Form Goal 2, Strategy C: *Allow increased density in exchange for desired outcomes, such as affordable housing, especially in transit-rich areas (p.72).*

This zone map amendment request conforms with *Blueprint Denver’s* vision for an equitable city, where a common-sense approach to where growth should go and how it should fit (p. 29).

East Area Plan

The *East Area Plan* sets the following vision and community priorities:

- *Ensure the East Area is an inclusive place in the future by increasing the amount of affordable housing using all available methods by permanently preserving existing affordable housing, and by adding more diverse housing options in residential neighborhoods in appropriate locations (p. 9)*
- *Stabilize residents at risk of involuntary displacement and preserve existing affordability (p.16)*
- *Create new affordable housing that can support households of different sizes, ages and incomes (p.16)*

According to the *East Area Plan*, South Park Hill has the least diverse housing mix in the entire plan area, at 80% single-unit residential and only 4% is multi-unit dwelling uses. This lack of diversity in housing amplifies the need to rezone this property to accommodate additional density for low-income seniors who need assisted living. The *East Area Plan* envisions the future to be “*home to households of all incomes and sizes, including seniors.*”

Further, the recommendations in the *East Area Plan* include expanding diversity of housing types and affordability to support households of different size, ages, and income in all neighborhoods (p. 54) Additionally, the plan goes on to recommend making it “*easier for households to age within their neighborhoods through models such as senior assisted living, home-sharing and co-housing (p.54)*”

This rezone request is consistent with the vision, goals, and principles of the *East Area Plan*.

Housing an Inclusive Denver

This rezone request will support the following goals and policy recommendations in *Housing an Inclusive Denver*:

- *Support housing as a continuum that serves residents across a range of incomes, including residents experiencing homelessness, those earning low wages or living on fixed-incomes such as seniors or residents with a disability, and working families (p.7)*
- *The City and its partners are focused on strategies that produce new affordable options and stabilize those at risk of displacement to prevent residents, especially those living on fixed-income such as seniors and people on disability, from becoming homeless (p.12)*
- *Renters: Of all the cost-burdened Denver renters, 54% are single-person households without children, 35% do not have post-secondary education, and 11% are seniors (p.4).*
- *One-third of cost-burdened owner households are seniors (p.36).*
- *Preserve existing income-restricted affordable rental housing in vulnerable neighborhoods and near transit.*
- *In 2017 only 95 income-restricted properties in Denver served seniors, and only 25 income-restricted properties served persons with disabilities (p.78).*

UNIFORMITY OF DISTRICT REGULATIONS AND RESTRICTIONS

The proposed PUD rezoning will result in the uniform application of zone district building form, use and design regulations across the site. The PUD is based on the G-MU-3 zone district with appropriate customized elements in support of the unique reuse, development opportunities on the site.

FURTHERING THE PUBLIC HEALTH, SAFETY AND GENERAL WELFARE

The proposed official map amendment furthers the public health, safety, and general welfare of the City primarily through implementation of the City’s adopted land use plans.

JUSTIFYING CIRCUMSTANCES

Since the date of the approval of the existing Zone District, there has been a change to such a degree that the proposed rezoning is in the public interest C) that the City adopted a Denver Zoning Code and the property retained Former Chapter 59 Zoning.

The identified change on the subject property is that the City adopted the Denver Zoning Code and the property retained Former Chapter 59 zoning. To facilitate the additional 4 units that Senior Housing Options looks to add by reconfiguring their existing building, it is in the public interest to include it in the comprehensive planning of the remainder of the site.

CONSISTENCY WITH NEIGHBORHOOD CONTEXT, ZONE DISTRICT PURPOSE, AND INTENT

The following table summarizes the existing context proximate to the subject site:

	Existing Zoning	Existing Land Use	Existing Building Form/ Scale	Existing Block, Lot Street Pattern
Site	PUD 377	Assisted Living Senior Housing Facility	2-story building	Block patterns are generally regular with a mix of alley access. Buildings are lower scale and closer to the street.
North	U-SU-C	Church	3-story building	
South	U-SU-C	Single-family house	1-story house	
West	U-SU-C	Single-family house	1-story house	
East	U-SU-C	Single-family house Church	2-story building	

ADDITIONAL REVIEW CRITERIA FOR REZONING TO PUD DISTRICT

The PUD District and the PUD District Plan comply with the intent, purpose, all applicable standards and criteria stated in Article 9, Division 9.6 (Planned Unit Development). Provide a section describing how the PUD district responds to A.-D. of the General Purpose and Intent statement in DZC Section 9.6.1.1.

This PUD responds to the unique circumstances of the existing use as an affordable senior housing assisted living facility. While other zone districts were contemplated, none enabled the site to increase in appropriate density. The existing zoning is a PUD, and this rezoning adds in greater flexibility for the existing facility to reconfigure its floorplan within the current building footprint to accommodate 4 additional residents. The proposed PUD brings the site closer to conformance with the current zoning regulations and adopted plans.

Without the proposed required privately owned public space, the proposed PUD provides significant public benefit. This area is identified as one of the least housing diverse areas in the City. By allowing the continuation of assisted living in the current location, Denver can provide a continuum of housing for people of all ages.

This PUD provides necessary relief from the transparency requirements for apartment buildings in the G-MU-3 zone district. The siting and exterior design of the existing building is to remain; and deviations from the base zone district are required to keep the building in conformance. Further, this PUD includes assisted living, senior housing which are permitted uses that are not included in the base zone district.

The development proposed on the subject property is not feasible under any other Zone Districts, and would require an unreasonable number of variances or waivers and conditions.

As stated above, other zone districts were explored, however none of them enabled the site to continue its current use nor would they allow the addition of 4 more units; hence this rezone request.

The PUD District, the PUD District Plan establish permitted uses that are compatible with existing land uses adjacent to the subject property.

The proposed permitted uses are not altered from the base standard zone district of G-MU-3, specifically chosen based on their compatibility with the surrounding land uses, as detailed above.

The PUD District, the PUD District Plan establish permitted building forms that are compatible with adjacent existing building forms, or which are made compatible through appropriate transitions at the boundaries of the PUD District Plan (e.g., through decreases in building height; through significant distance or separation by rights-of-way, landscaping or similar features; or through innovative building design).

The proposed PUD does not change the allowed building forms from the base zone district and are consistent with the building forms contemplated in the G-MU-3 district.

RE: Support for Rezoning Application for 1901 N. Eudora

Members of the Denver Planning Board:

Greater Park Hill Community is aware of Senior Housing Options rezoning request for their property at 1901 N. Eudora to a new Planned Unit Development (PUD). We are submitting this letter to express our support for the rezoning.

This rezoning should be approved for the following reasons:

1. It is consistent with and implements recommendations in Comprehensive Plan 2040, Blueprint Denver, and the East Area Neighborhood Plan.
2. The PUD creates certainty around outcomes. It is sensitive to, and respects, the adjacent properties, Park Hill, and neighborhood context.
3. The applicant, Senior Housing Options, has done extraordinary community outreach and public engagement; the PUD reflects input and lessons learned from the community.
4. The PUD will enable the renovation of the Park Hill Residences assisted living facility, to continue to provide services for low-income elderly adults.

For these reasons, we urge the Planning Board to recommend that Denver City Council approve this PUD. The attributes of the PUD zoning are appropriate and will be a great fit for the neighborhood.

Please include this letter of support in the packet for the Planning Board and for the public hearing on this rezoning.

Sincerely,

RE: Support for Rezoning Application for 1901 N. Eudora

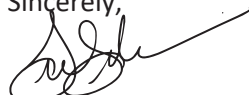

Members of the Denver Planning Board:

Capitol Hill United Neighborhoods (CHUN) leadership has been briefed by Senior Housing Options (SHO) and its application to rezone their property at 1901 N. Eudora to a new Planned Unit Development (PUD).

For several years, SHO and CHUN have partnered on several programs and projects. SHO been a supportive member of the Capitol Hill community. CHUN was an advocate for, and a contributor to, SHO's efforts in the renovation of the Olin Hotel Apartments – a 112-unit affordable senior living community just two blocks from the Capitol. The Olin Hotel has benefited from our organization's contributions to the residents' gardening plots and comfort in their courtyard through our SEED Awards Program. And the neighborhood is benefitting from the higher lighting and greater presence on Logan Street of the Olin Hotel's planting and visibility, adding to the safety of the community.

As Denver leaders address our housing affordability crisis, SHO is a critical partner in providing housing options to those Denverites in greatest need. SHO has a track record of being a good neighbor and working closely with partner groups like CHUN. We are confident SHO will maintain this goodwill as they deliver affordable assisted living in Park Hill. **For these reasons, we urge the Denver Planning Board and Denver City Council to approve this PUD.**

Sincerely,

Travis Leiker, MPA
