## 5. General description or background of proposed request. Attach executive summary if more space needed:

This ordinance will approve the First Amendment which adds one year to the contract term. The Work contemplated hereunder shall generally consist of all work, including labor, materials, supplies and equipment which is necessary to satisfactorily complete Construction Services related to the Citywide Concrete Program as yet to be identified (i.e., the "Projects"). The City anticipates that typical Project Work may include repair and/or replacement of flatwork and other incidental and related infrastructure items including, but not limited to: ADA compliant handicap curb ramps, curbs, gutters, sidewalks, pavements, asphalt, driveways, alleys, crosspans, walkways, rip-rap, water proof membranes, bridge decks, and retaining walls. Incidental repairs to associated storm inlets, pipe, and or landscaping may be required. Each of these Projects will be separately scoped, designed (if deemed necessary by the City) and quantified. This is a master on-call contract which will be composed of multiple work orders. Work orders cannot exceed \$450,000. The master on-call contract will be administered by CCD Wastewater Capital Projects Management however, the individual work orders may be managed by other assigned departments/agencies.

## 6. City Attorney assigned to this request (if applicable): Jill Ferguson

## 7. City Council District: Citywide
