2. On page 99, in the line titled General Contingency, as shown on Schedule 100, increase the 2024 recommended column by \$500,000.
3. Make other appropriate adjustments to comments, tables, schedules, and figures in the Mayor's Proposed 2024 Budget as may be required to reflect the actions directed in this amendment.

Explanation: This amendment would allow for the funding of an Office of Neighborhood Safety, to be legislatively created outside of the Department of Safety by the City Council.
