1 Streetscapes, Amenity Zones, and curb and gutter, both inside the Encroachment Area and in the

3 DOTI, the course of construction or maintenance of the Encroachment(s). In the future, Permittee  
4 shall also remove, replace or repair any street/alley paving, Sidewalks, and curb and gutter that  
5 become broken or damaged when, in the opinion of DOTI, the damage has been caused by the  
6 Encroachment(s) or the activity of the Permittee within the Encroachment Area. All repair work shall  
7 be accomplished without cost to the City and under the supervision of DOTI.

8 (k) The City reserves the right to make an inspection of the Encroachment(s) and the  
9 Encroachment Area.

10 (l) During the existence of the Encroachment(s) and the Permit, Permittee, its successors  
11 and assigns, at its expense, and without cost to the City, shall procure and maintain Commercial  
12 General Liability insurance policy with a limit of not less than \$1,000,000 per occurrence. All  
13 coverages are to be arranged on an occurrence basis and include coverage for those hazards  
14 normally identified as X.C.U. during construction. The insurance coverage required herein  
15 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or  
16 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All  
17 insurance coverage required herein shall be written in a form and by a company or companies  
18 approved by the Risk Manager of the City and authorized to do business in the State of Colorado. A  
19 certified copy of all such insurance policies shall be filed with the Executive Director, and each such  
20 policy shall contain a statement therein or endorsement thereon that it will not be canceled or  
21 materially changed without written notice, by registered mail, to the Executive Director at least thirty  
22 (30) days prior to the effective date of the cancellation or material change. The City and County of  
23 Denver, its Elected and Appointed Officials, Employees and Volunteers shall be included as  
24 Additional Insured.

25 (m) In addition to the requirement herein to comply with all laws, Permittee shall comply  
26 with the provisions of Article IV (Prohibition of Discrimination in Employment, Housing and  
27 Commercial Space, Public Accommodations, Educational Institutions and Health and Welfare  
28 Services) of Chapter 28 (Human Rights) of the DRMC. The failure to comply with any such provision  
29 shall be a proper basis for revocation of the Encroachment(s).

30 (n) The right to revoke the Permit at any time for any reason and require the removal of  
31 the Encroachment(s) is expressly reserved to the City.

32 (o) By Permittee's use of this Permit and the Encroachment Area, Permittee agrees to the  
33 following:

1 i. Permittee agrees to defend, indemnify, reimburse and hold harmless City, its  
2 appointed and elected officials, agents and employees for, from and against all liabilities, claims,  
3 judgments, suits or demands for damages to persons or property arising out of, resulting from, or  
4 relating to this Permit and the Encroachment(s) (“Claims”). This indemnity shall be interpreted in the  
5 broadest possible manner to indemnify City for any acts or omissions of Permittee or its agents either  
6 passive or active, irrespective of fault, including City’s negligence whether active or passive.

7 ii. Permittee’s duty to defend and indemnify City shall arise at the time written notice  
8 of the Claim is first provided to City regardless of whether claimant has filed suit on the Claim.  
9 Permittee’s duty to defend and indemnify City shall arise even if City is the only party sued by  
10 claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of  
11 claimant’s damages.

12 iii. Permittee will defend any and all Claims which may be brought or threatened  
13 against City and will pay on behalf of City any expenses incurred by reason of such Claims including,  
14 but not limited to, court costs and attorney fees incurred in defending and investigating such Claims  
15 or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition  
16 to any other legal remedies available to City and shall not be considered City’s exclusive remedy.

17 iv. Insurance coverage requirements specified in this Encroachment Permit shall in no  
18 way lessen or limit the liability of Permittee under the terms of this indemnification obligation.  
19 Permittee shall obtain, at its own expense, any additional insurance that it deems necessary for the  
20 City’s protection.

21 v. This defense and indemnification obligation shall survive the expiration or  
22 termination of this Permit.

23 (p) Pursuant to Chapter 49 of the DRMC, DOTI is authorized to remove or to order the  
24 removal of any article, vehicle, object or thing whatsoever encroaching into any street, alley,  
25 Sidewalk, or other public way or place.

26 (q) No third party, person or agency, except for an authorized Special District, may place  
27 the Encroachment(s) in front of a property without written permission of the adjacent property owner.

28 (r) Permittee’s use of the ROW for placement of the Encroachment(s) does not create a  
29 property right or ownership interest of any kind in the Encroachment Area to the Permittee.

30 (s) All Encroachment(s) in Amenity Zones containing existing Public Trees and/or with the  
31 potential to impact tree roots or tree canopy must be pre-approved by the Office of the City Forester  
32 (OCF), by contacting them at [forestry@denvergov.org](mailto:forestry@denvergov.org) or 720-913-0651. Encroachment(s) cannot  
33 be attached to or damage any Public Tree, and any damage shall be reported to the OCF

1 immediately for mitigation. All trenching, excavation and grading activities within the Dripline of any  
2 Public Tree must be pre-approved by the OCF. City permits are required for the planting or removal  
3 of any Public Trees and can be obtained by emailing [forestry@denvergov.org](mailto:forestry@denvergov.org).

4 (t) All disturbances associated with construction of the Encroachment(s) shall be  
5 managed as required by City standards for erosion control which may require standard notes or  
6 CASDP permitting depending on location and scope of project.

7 (u) Encroachment(s) proposed adjacent to a designated park or within a dedicated  
8 parkway shall require the City’s Department of Parks and Recreation approval prior to installation.

9 (v) Encroachment(s) attached to a building may require building and/or zoning permits  
10 from the City’s Department of Community Planning and Development.

11 (w) Encroachment(s) in the regulatory floodplain shall require a SUDP and comply with  
12 Chapter 4 Floodplain Regulations of the “Storm Drainage Design and Technical Criteria”, Chapter  
13 12 Floodplain Management of the “DOTI Rules and Regulations Governing Sewerage Charges and  
14 Fees and Management of Wastewater” and the City Floodplain Ordinance in DRMC Section 56-200  
15 through 56-206. Above ground Encroachment(s) in a Floodway require a No-Rise Certification  
16 sealed and signed by a Professional Engineer licensed in the State of Colorado. If there is any rise  
17 in Base Flood Elevations, a Conditional Letter of Map Revision (CLOMR) and LOMR will be required.

18 (x) Only clean soil may be brought onto an Encroachment Area. Verification of soil quality  
19 must be provided if requested. Material removed from an Encroachment Area must be properly  
20 disposed and is the responsibility of the Permittee.

21 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council  
22 of the City and County of Denver shall determine that the public convenience and necessity or the  
23 public health, safety or general welfare require such revocation, and the right to revoke the same is  
24 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council  
25 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its  
26 successors and assigns, to be present at a hearing to be conducted by the City Council upon such  
27 matters and thereat to present its views and opinions thereof and to present for consideration action  
28 or actions alternative to the revocation of such Permit.
