5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

The Scope of Work is for Professional Engineering Services necessary to complete final design activities, the development of construction bid documents, opinions of probable construction costs and processing of right-of-way clearances, environmental clearances, and utility clearances / agreements for three sets of improvements within the overall Broadway, Arizona to Exposition and I-25 Interchange Project. Specifically, the improvements are focused on the following project segments:

1) Broadway Kentucky to South of Tennessee Final Design

2) Broadway Mississippi to Arizona Project Final Design

3) NB I-25 Loop On-Ramp & Water Quality Pond Final Design

Final design activities include survey and right-of-way, geotechnical and pavement design, streetscape and landscape design, roadway design, utility coordination and design, traffic engineering, structural engineering, water quality analysis and design, environmental services, electrical and lighting design, construction phasing and traffic control, and public outreach.

b. Duration

4/01/2010 to 12/31/2015

c. Location

South Broadway and Interstate 25

d. Affected Council District

7

e. Benefits

: Continuation of the reconstruction of Broadway from the City limits. This will make the area more attractive for redevelopment of the Gates and Lionstone sites

f. Costs

Original contract (\$2,649,933.78) plus this amendment (\$1,568,753.23) - total contract amount of \$4,218,687.01

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

No
