TO: Neighbors of 401 N Delaware St. in Baker

SUBJECT: Proposed Rezoning

Dear Baker Neighbors,

I am contacting you to share information with you about a proposed rezoning of the old photo processing commercial building at the northwest corner of Delaware St and W. 4<sup>th</sup> Ave. The address is 401 N. Delaware St. in Baker. This building currently houses three residential units and is zoned U-RH-2.5, a residential zone district. I represent the property owner who wishes to rezone the property to U-MX-2x. The purpose of the rezoning is to allow for the existing building, which will remain, to accommodate limited neighborhood scale commercial uses.

401 N. Delaware is under common ownership with the neighboring Fortune Cookie Factory Building at 421 W. 4<sup>th</sup> Ave. The Fortune Cookie Building plans to open an art gallery on the first floor.

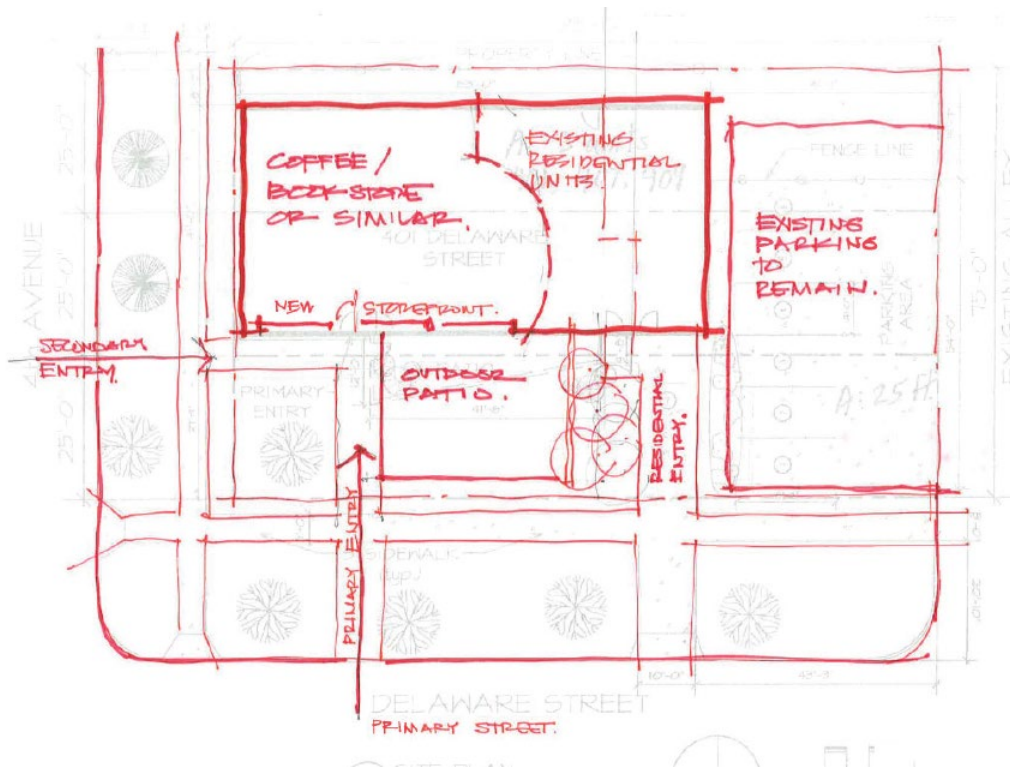

The purpose of the rezoning of 401 N. Delaware is to open a coffee shop and bookstore affiliated with, owned and operated by the Fortune Cookie Art Gallery. The 401 N Delaware building will remain. The planned new use of the building will be mixed – use, to include keeping residential units and introduce the new Fortune Cookie Art Gallery Bookstore and Coffee Shop.

The development plan keeps the building height to two stories and retains the existing onsite parking served by the alley.
