Dear Sir or Madam:

This is in response to your request of September 21, 2006, regarding your organization's tax-exempt status.

In August 1988 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records indicate that your organization is also classified as a public charity under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code.

Our records indicate that contributions to your organization are deductible under section 170 of the Code, and that you are qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Internal Revenue Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janna K. Skufca, Director, TE/GE

Application for City and County of Denver Surplus Property

Request Date February 10, 2012

Return to: Purchasing Division
201 W. Colfax Dept. 304
Denver, CO 80202
Attn: Kris Deutmeyer
Ph. 720-913-8247
FAX 720-913-8101

Name of Organization: Community College of Aurora Foundation
Address: 16000 E. CentreTech Parkway; Suite A200; Aurora, CO 80011
Phone: 303.360.4833 FAX: 303.361.7364
E-mail: diana.why@ccaaurora.edu
Requestor's Name and Title: Diana Whye, Executive Director
Contact Person and Phone # (if different from requestor): _____

Provide a brief history of your organization (attach any documentation): Founded in 1985, the CCA Foundation is the institutionally related fundraising arm of the Community College of Aurora whose primary mission is to raise funds and friends for the College.

What are your organization's efforts in the community? Since its founding in 1985, the CCA Foundation has raised millions of dollars in support of CCA initiatives including scholarships, programs and other initiatives, and capital support. The Foundation's most recent effort is to raise \$5 million in five years to renovate and remodel the College's Lowry Campus.

Describe the item(s) you are requesting (please indicate number of items; e.g., 3 desks, 2 coat racks, 10 stackable chairs, etc.): The item is a MPRI-L3 Driving simulator. It is currently housed at the Rocky Mountain Fire Academy. The simulator has the capability to have the driver's seat changed out to allow for training on how to operate passenger vehicles as well as fire apparatus.

Explain who will use requested items and describe how items will be used (e.g., number of users, where equipment/items will be housed, etc.):

The simulator would be moved to the Community College of Aurora, where it would become an integral part of the Center for Simulation. It would be utilized by emergency medical services, firefighting and law enforcement students. Additionally, it would be available to surrounding agencies and departments to train their current working professionals to prevent accidents and provide for the safety of the responders as well as the community.

Please submit proof of your organization's charitable or non-profit status with your application (e.g., provide appropriate documents indicating tax exempt status under 501(a) of the Internal Revenue Code or as applicable). Attached.

NOTE: The transfer of City and County of Denver surplus property to any charitable or non-profit organization, School District No. 1 or other governmental jurisdiction is subject to prior approval of the Mayor and City Council in accordance with Section 2.9.3(C) of the Denver Charter, **and** to the availability of specific merchandise requested. Multiple requests for identical items will be donated based upon needs of agency/organization. The needs of the agency/organization will be assessed by the General Services Purchasing Division and forwarded with recommendations and application data to the Mayor and City Council for approval. The Purchasing Division will contact your organization following the location of appropriate merchandise and Mayor/Council approval. Be advised that the condition of surplus may range from "good" to "poor," and that surplus electronic and/or mechanical items are frequently in need of repair. The City will retain each application for two (2) years following the request date. Thereafter, a new application will be necessary in order to maintain the request if suitable surplus has not been located in that two-year period.

NOTE: The City currently utilizes the services of a computer manufacturer to recycle all computers and components, and these items will no longer be available for acquisition by non-profits. We therefore suggest that non-profits contact the "private sector" (e.g., banks, technology companies, hospitals, etc.), or other entities in locating quality, used surplus computer items.
