21 **NOW THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF**
22 **DENVER:**

23 **Section 1.** That it be and is hereby found and determined, based upon the evidence
24 presented at the Public Hearing, in the related Conditions Study, and testimony at the Public Hearing,
25 that the 27th and Larimer Urban Redevelopment Area consists of a "blighted area," which is
26 appropriate for one or more urban redevelopment projects according to the Act, and which, by reason
27 of the following factors, constitutes "blight" (as defined in the Act), constitutes an economic and social
28 liability, and is a menace to the public health, safety, morals and welfare: (i) slum, deteriorated, or
29 deteriorating structures; (ii) deterioration of site or other improvements; (iii) environmental
30 contamination of buildings or property; and (iv) the existence of health, safety or welfare factors
31 requiring high levels of municipal services or substantial physical underutilization or vacancy of sites,
32 buildings, or other improvements.

1 **Section 2.** That it be and is hereby found and determined that the A&R Plan conforms to the
2 Denver Comprehensive Plan 2040, as supplemented, and is necessary and appropriate to facilitate
3 the proper growth and development of the community in accordance with sound planning standards
4 and local community objectives.

5 **Section 3.** That it be and is hereby found and determined that the A&R Plan will afford
6 maximum opportunity, consistent with the sound needs of the City as a whole, for the rehabilitation
7 and redevelopment of the 27th and Larimer Urban Redevelopment Area by private enterprise.

8 **Section 4.** That it be and is hereby found and determined that the conditions of blight in the
9 27th and Larimer Urban Redevelopment Area constitute an economic and social liability and a
10 menace to the public health, safety, morals, or welfare.

11 **Section 5.** That if any individuals or families are displaced from dwelling units as a result of
12 adoption or implementation of the A&R Plan, a feasible method exists for the relocation of those
13 individuals or families in accordance with the Act.

14 **Section 6.** That if business concerns are displaced by the adoption or implementation of the
15 A&R Plan, a feasible method exists for the relocation of those business concerns in accordance with
16 the Act.

17 **Section 7.** That it be and is hereby found and determined that reasonable efforts have been
18 taken by the Authority and the City to provide written notice of the Public Hearing to all property
19 owners, residents and owners of business concerns in the 27th and Larimer Urban Redevelopment
20 Area at least thirty (30) days prior to the date hereof.

21 **Section 8.** That it be and is hereby found and determined that no more than one hundred
22 twenty (120) days have passed since the commencement of the Public Hearing for the A&R Plan.

23 **Section 9.** That it be and is hereby found and determined that the A&R Plan contains no
24 property that was included in a previously submitted urban renewal plan that was not approved by
25 the City Council.

26 **Section 10.** That it be and hereby is found that the requirements of § 31-25-107(7) of the Act
27 have been satisfied concerning the provision of notice to DPS, the BID and MFHD of the A&R Plan
28 and the Public Hearing.

29 **Section 11.** That the City and County of Denver can adequately finance any additional City
30 and County of Denver infrastructure and services required to serve development within the 27th and
31 Larimer Urban Redevelopment Area for the period during which City and County of Denver property
32 taxes are paid to the Authority.

1 **Section 12.** That the A&R Plan, having been duly reviewed and considered, be and hereby
2 is approved. Upon the effective date of this Ordinance, the A&R Plan shall be considered to amend
