**6. General description of proposed ordinance including contract scope of work if applicable:** This Third Amendment to existing Concession Agreement with Dos Amigos Joint Venture, LLC d/b/a Tamales by La Casita changes the Premium Value Concessions (“PVC”) Minor Merchandise Category from Food Court to Quick Serve with Alcohol.

The Concession Agreement amendments change the Premium Value Concessions program provision regarding Merchandise Categories. The categories are being changed due to expanded permitted uses; cessation of category; or to correct error in original categorization. The Merchandise Categories set up peer groups such that competition(s) exist within similar types of businesses.

The Premium Value Concessions (PVC) program is designed to provide an objective method of evaluating Concessions to determine which Concessions are top performers in their merchandise category and therefore eligible to receive the Program benefit. Three criteria categories are delineated in the PVC program: (i) Operations (ii) Financial (iii) Customer Service. The Program Benefit provides the successful concessionaire the opportunity to enter into direct negotiations with the Airport for a new concession agreement.
