5. General description or background of proposed request: Airport Infrastructure Management (AIM) seeks to establish a task-based Integrated Project Management and Support Services (IPMSS) Facilities SBE contract at Denver International Airport (DEN). The mission of the Airport Infrastructure Management Development (AIM DEV) division is to Define, Design and Build infrastructure and facilities development and rehabilitation projects at DEN. To achieve that objective, AIM DEV augments its staffing needs through the integrated engagement of multi-disciplined Consultants. AIM DEV has overall responsibility for managing projects to produce the best quality, schedule and budget framework possible to support DEN's strategic plan - Vision 100.

Under this contract, these duties shall include, but are not limited to, IPMSS such as project management including planning, design, construction management, budget and schedule management; ensure compliance with design and applicable requirements; determining and establish construction standards and materials; work with consulting architects/engineers, contractors, and other agencies to explain and interpret DEN's design requirements, applicable codes, and specifications; provide professional/technical assistance and project updates to stakeholders; assure that projects meet established quality standards; work with DEN's Business Management Division in publishing requests for proposals and in selecting consultants and contractors for capital projects; make presentations; negotiate contracts; and perform additional duties as assigned.

6. City Attorney assigned to this request (if applicable): Stephanie Minutillo
