~~(9)~~ *Manager* means the manager of licensing and consumer protection.

Sec. 32-5. - Application requirements.

(a) ~~*Application requirements—generally.*~~ The application for every license required by and issued under the authority of this [chapter 32](#) shall be made to the department in the manner provided by the ~~director~~manager. Applications shall be deemed incomplete and will not be acted upon if the department does not receive the requisite application fee and the application does not contain:

(1) The information required by this Code;

(2) Any other information required pursuant to an applicable statutory authority; or

(3) Any other information required by the ~~director~~manager.

(b) ~~*Administrative closure of applications—Failure to complete application within one (1) year.*~~ Pending applications shall be administratively closed, without a hearing, one (1) year after the date of application. Once an application is administratively closed the applicant must begin the licensing process anew. At the ~~director~~manager's discretion, the ~~director~~manager may reopen an application that has been administratively closed if the applicant can produce, no later than thirty (30) days after administrative closure, documentary, or other empirical evidence to establish good cause for

the failure to complete the application process.

(c) *Application withdrawal.* An applicant may request that their application be withdrawn in a form or manner provided by the directormanager. The directormanager, in the directormanager's discretion, may approve or deny the withdrawal request. Upon approval of the request, the application shall be administratively closed and the applicant must begin the licensing process anew.

(d) *Refund of application fees.* The directormanager may refund application fees for administratively closed or withdrawn applications upon a showing of good cause.

Sec. 32-6. - Fees and bond requirements

(b) *Waiver of license fees.* The directormanager may waive the local licensing fees for licenses granted by the department as provided in rules promulgated by the department.

(c) *Proration of fees.* The directormanager may prorate the license fee if a license is issued...

(g) *Rebate of fees—Uncontrollable circumstances.* If the directormanager, in the directormanager's discretion, determines that the licensee's business has been involuntarily terminated due to circumstances occurring outside of the licensee's control, the licensee may surrender the license and receive a rebate in the amount set forth in this section.

(i) *Rebate of fees prohibited for suspended and revoked licenses.* Licenses shall not be eligible for a rebate of the license fee if the license has pending disciplinary action, is currently subject to license suspension, or if the directormanager determines that the license should be revoked or otherwise subject to disciplinary action.

(j) *Bond requirements.* When the terms of this Code or any other applicable statutory authority set out bond requirements, no license shall be issued until the licensee or applicant furnishes the requisite and required bond with a surety to be approved by the directormanager. The following conditions shall be attached to the bond:

Sec. 32-7. - Approval by other officials.

Upon receipt of any application, the directormanager may give notice of the application to any other city agency or department. The applicant shall obtain any and all necessary permits, licenses, and other regulatory approvals from the city departments and agencies prior to the issuance, modification, or renewal of the license.

Sec. 32-9. – Transferability

(b) *Administrative changes to addresses.* The department may amend license addresses so

long as the physical location of the premises is not changing, and the ~~director~~manager determines such change is necessary for implementation of this Code.

Sec. 32-10. - Term of licenses; renewals.

(c) *Late renewal.* A licensee whose license has been expired for not more than ninety (90) days may file a late renewal application upon the payment of the requisite license fee and a penalty fee of twenty (20) percent of the amount of the license fee if the application for renewal is filed less than thirty (30) days after the date upon which the license expires, or the requisite license fee and a penalty fee of fifty (50) percent of the amount of the license fee if the application for renewal is filed more than thirty (30) days after the date upon which the license expired. The ~~director~~manager may waive or adjust any and all of such penalty and additional fee whenever, in the ~~director~~manager's judgment, the delinquency in the prompt receipt of such application and fee is not the fault of the licensee and to collect or require the payment thereof would be an injustice.

(e) *Cease of operations after expiration.* A licensee shall cease operations upon the expiration date of the license. Upon filing a complete application and paying the requisite fee, the licensee may continue operating in compliance with all applicable provisions of this Code and any other applicable statutory authority until final agency action on the renewal. However, the ~~director~~manager may require that operations cease if the license is subject to disciplinary action, pending final agency action on the renewal application, or the licensee has not received any required approvals, inspections, or permits from another agency.

(f) *Renewal hearing.* The ~~director~~manager may, upon the ~~director~~manager's own motion or upon complaint, hold a hearing concerning any application for license renewal if there are grounds for denial or suspension of the license.

(g) *Standards for denial of renewal application.* In addition to any other grounds specified in this Code, the ~~director~~manager may deny a renewal application if:

(3) Any fact or condition exists which, if it had existed or had been known to exist at the time of the application for such license, would have warranted the ~~director~~manager in refusing originally to issue such license; or

Sec. 32-11. - Causes for denial; hearings; and license conditions.

(a) *Causes for denial.* No license authorized under this Code shall be issued or renewed if:

(6) The applicant is not of good moral character, has previously operated a similar establishment in an unlawful manner, or has a license history that does not warrant the confidence of the ~~director~~manager that the license will be lawfully operated.

(b) *Denial appeal procedure.* If it shall come to the attention of the directormanager that one (1) or more of the above grounds exists, the application shall be denied. In the event that the application is denied, the directormanager shall furnish the applicant a copy of the order and the reasons supporting the denial upon the written request of the applicant. Any applicant whose application has been denied without a hearing shall be entitled to a hearing on his application upon written request to the directormanager, except as provided in section 32-5. Except as otherwise provided by the specific terms or provisions pertaining to a license, a written request for a hearing must be submitted within ten (10) days of the mailing date of the order of denial. The directormanager may require the payment of a filing fee which shall accompany the request for an appeal hearing. A request for an appeal hearing without the accompanying fee shall not be accepted.

(c) *License conditions.* The directormanager may place conditions on a license to ensure that the licensee will operate lawfully or to incorporate the specific and enforceable provisions of a good neighbor agreement. Where possible, the directormanager may alter specific provisions requested to be placed as conditions on the license, while keeping the intent of the parties to the agreement, to make those provisions legal and enforceable by the department. All such conditions attached to the license shall continue to apply to renewed or transferred licenses until the conditions are removed or modified by the directormanager.

Sec. 32-12. - Unlawful acts.

(g) Failure to comply with subpoena. It shall be unlawful for any person, except for government officials acting in the course of their duties, to refuse to obey a subpoena issued by the directormanager.

(c) *Administrative subpoenas.* The directormanager shall have the authority to issue subpoenas to compel the attendance and testimony of witnesses, with or without documentary evidence, at a hearing and compel the production of books and documents necessary for the parties'

preparation for a hearing, or to delegate said authority. The department may petition the county court to enforce the subpoena upon non-compliance by the responsive party in the manner identified in the City Charter § 4.2.9.

(d) *Service of administrative subpoenas.* The ~~director~~manager may serve the subpoena by personal service as provided in C.R.C.P.4(e) or by certified mail to the subpoenaed party at the last known address provided to the department.

Sec. 32-14. - Summary suspension.

Where the ~~director~~manager has objective and reasonable grounds to believe and finds, upon a reasonable ascertainment of the underlying facts, that the licensee has been guilty of deliberate and willful violation or that the public health, safety, or welfare imperatively requires emergency action and incorporates the findings in its order, the ~~director~~manager may summarily suspend the license pending proceedings for suspension or revocation which shall be promptly instituted and determined as provided in section 32-15.

Sec. 32-15. - Disciplinary actions; sanctions, penalties.

(a) *Disciplinary action—generally.* The ~~director~~manager may, on the ~~director~~manager's own motion or upon complaint, and after investigation and a show-cause hearing at which the licensee shall be afforded an opportunity to be heard, impose penalties on any license for any of the following circumstances:

(2) The licensee has failed either to file the required reports or to furnish such information as may be reasonably required by the ~~director~~manager under the authority vested in the ~~director~~manager by the terms of the provisions relating to the specific license;

(b) *Notice.* Notice of suspension or revocation, as well as any required notice of a show-cause hearing, shall be given by mailing the same in writing to the licensee at the licensee's last address of record with the ~~director~~manager.

(e) *Penalties.* In addition to any other penalties prescribed by this Code or other applicable statutory authority, the ~~director~~manager may impose any of the following penalties or combination of such penalties on the license: suspension, revocation, fine, fine in lieu of suspension, or placement of conditions on the license. The ~~director~~manager may also hold penalties in abeyance upon compliance with terms and conditions identified by the ~~director~~manager.

(f) *Fines and fines in lieu of suspension.* Unless provided for otherwise, the ~~director~~manager may assess an administrative fine or fine in lieu of suspension against the licensee not to exceed five thousand dollars (\$5,000.00) per violation. If the fine is not paid by that date set by the

1 ~~director~~manager, the ~~director~~manager may suspend the license or permit until the fine is paid without a
2 hearing.

3 (g) *License conditions as a result of disciplinary action.* In addition to, or in the alternative to,
4 any suspension, revocation, or administrative fine imposed for any violation, the ~~director~~manager may
5 impose new or additional terms, requirements, conditions, or limitations on any license or permit
6 issued or under this Code.

7 (h) *Restrictions on applications for new license(s).* No application for the issuance of any
8 license issued by the department shall be received or acted upon if, within two (2) years preceding the
9 date of the application, the applicant has had a similar license revoked by the ~~director~~manager may
10 impose new or additional terms, requirements, conditions, or limitations on any license or permit
11 issued or under this Code.

12
13 **Sec. 32-16. - Termination and surrender of license; effect of termination, surrender, or**
14 **suspension.**

15 (a) *License surrender.* Any licensee may request that their license be surrendered. The
16 ~~director~~manager, in the ~~director~~manager's discretion may approve or deny the surrender request.
17 However, any surrender shall not affect the civil or criminal liability for acts committed prior thereto, nor
18 entitle the licensee to a refund of the license fee for any remaining portion of the license term.

19
20 **Sec. 32-19. - Rules and regulations.**

21 The ~~director~~manager may make such reasonable rules and regulations as may be necessary for the
22 purpose of administering and enforcing the provisions of this article and any other ordinances or laws
23 relating to and affecting the licensing of businesses and individuals that operate in the city.

24
25 **Sec. 32-54. - Boarding homes.**

Section 19. That chapter 33 of the Code shall be amended by deleting the language stricken and adding the language underlined, to read as follows:

Sec. 33-26. - Required.

It shall be unlawful to conduct any hotel, rooming house or lodging house without obtaining a license therefor from the ~~director of excise and licenses~~manager of licensing and consumer protection.

Sec. 33-27. - Application.

Before any license shall be granted under this division, an application shall be filed with the ~~director of excise and licenses~~manager of licensing and consumer protection, by the applicant for such license, stating the location, giving the street number in the city, the number of rooms contained in the hotel, rooming house or lodging house, and giving two (2) or more references as to the integrity and good moral character of the applicant.

Sec. 33-29. - Causes for denial or revocation of license.

(a) In addition to the grounds stated in chapter 32 of this Code for denial of a license, no lodging license shall be issued when:

(1) The applicant, or any person with a financial interest of twenty-five (25) percent or greater in the facility stated in the application, has been convicted of a felony, a misdemeanor, or a nontraffic city ordinance violation for which jail is a possible penalty, within the five (5) years immediately preceding the date of the application. If an applicant is entitled to a hearing pursuant to chapter 32 of this Code, upon proof by the applicant of rehabilitation and a finding by the ~~director of excise and licenses~~manager of licensing and consumer protection that the applicant, at the time of the hearing, has been rehabilitated and is ready to accept the responsibilities of a law-abiding and productive member of society, the ~~director~~manager may issue a license.

If an applicant is entitled to a hearing pursuant to chapter 32 of this Code, upon proof by the applicant of rehabilitation and a finding by the ~~director of excise and~~

1 ~~licenses~~manager of licensing and consumer protection that the applicant, at the time of the hearing,
2 has been rehabilitated and is ready to accept the responsibilities of a law-abiding and productive
3 member of society, the ~~director~~manager may issue a license.

4 (3) Within the five (5) years previous to the date of application, the applicant, or any person
5 with a financial interest of twenty-five (25) percent or greater in the facility stated in the application,
6 committed or allowed acts to occur while operating any hotel, rooming house, lodging house, or similar
7 facility, which would justify suspension or revocation of a license pursuant to paragraph (b) of this
8 section. If an applicant is entitled to a hearing pursuant to chapter 32 of this Code, upon proof by the
9 applicant of rehabilitation and a finding by the ~~director of excise and licenses~~manager of licensing and
10 consumer protection that the applicant, at the time of the hearing, has been rehabilitated and is ready
11 to accept the responsibilities of a law-abiding and productive member of society, the ~~director~~manager

13 (b) In addition to the grounds for revocation or suspension of a license stated in chapter 32
14 of this Code, the ~~director of excise and licenses~~manager of licensing and consumer protection may
15 suspend or revoke a lodging license when the ~~director~~manager finds, after a show cause order has
16 been issued and the licensee has had the opportunity to be heard, that the licensed facility is a place
17 where prostitution or other violations of state criminal statutes or nontraffic city ordinances have
18 occurred. Whenever any license issued pursuant to this chapter has been revoked pursuant to this
19 section, the ~~director of excise and licenses~~manager of licensing and consumer protection shall not
20 grant another license for that location for a period of one (1) year following the effective date of the
21 revocation.
22

24 In approving a lodging facility license, the ~~director of excise and license~~manager of licensing
25 and consumer protection may impose reasonable restrictions on the license, including, but not limited
26 to, requirements for security, lighting, fencing, and prohibiting violations of law by guests. Prior to
27 imposing such restrictions, the ~~director of excise and licenses~~manager of licensing and consumer

29 ~~director~~manager shall issue a written report enumerating the conditions that make such restrictions
30 necessary, and a copy of this report shall be given to the applicant. All such restrictions shall be in
31 writing, shall be attached to the license, and shall continue to apply to renewed or transferred licenses
32 until the restrictions are canceled by the ~~director of excise and licenses~~manager of licensing and
33 consumer protection. In addition to the grounds stated in chapter 32 of this Code, violations of
34 restrictions on the license shall be grounds to suspend or revoke any license issued under this

1 chapter.

3 **Sec. 33-31. - Objection to restrictions; posting; hearing.**

4 An applicant may object to any restrictions imposed pursuant to section 33-30. All such
5 objections must be in writing and delivered to the ~~director of excise and licenses~~manager of licensing
6 and consumer protection no more than ten (10) days after delivery of the written report which
7 enumerated the conditions that make restrictions on a license necessary. Failure to make written
8 objections within the ten (10) days shall be deemed acceptance of the restrictions. Upon receipt of
9 written objections to the restrictions the ~~director of excise and licenses~~manager of licensing and
10 consumer protection shall:

11 (a) Schedule a public hearing concerning the restrictions. This hearing shall be not less than
12 forty (40) days from the date of receipt of the written objections to restrictions. The ~~director~~manager

22 neighborhood, (iii) that the hearing concerns restrictions to the lodging license, (iv) that the applicant
23 objects to some or all of the restrictions, and (v) the time and place of the public hearing on the
24 application. Such posted notice of the public hearing shall be displayed on a sign or signs, in number,
25 size and location as prescribed by the ~~director~~manager.

28 petitions and hear such information and evidence as may be offered by the applicant and residents of
29 the designated neighborhood concerning the conditions in the neighborhood that promote violations of

31 restrictions would have on the health or welfare or morals of the designated neighborhood. For
32 purposes of this section, the word resident shall mean residents of the designated neighborhood and
33 all owners or managers of businesses located in the designated neighborhood. Admissibility of
34 evidence, exhibits and petitions shall conform with the general rules of evidence.

Sec. 42-104. - Alarm user permits required.

(a) It shall be unlawful for any person to own, use, lease, operate, or maintain an alarm system within the city unless such person shall have first obtained a permit from the ~~director of excise and licenses~~manager of licensing and consumer protection. There will be no guaranteed police department response to unpermitted systems. If, in a permit year, a permitted system generates five (5) avoidable alarms, which are recorded and upheld following any appeal as described in section 42-112, the alarm call status for police assistance for that permitted system will change from "emergency" to "general broadcast," as described in section 42-111. This status will remain in effect until a new permit year begins.

1 **Sec. 42-105. - Alarm user permit application**

2 (a) In order to obtain an alarm user permit, any person who operates an alarm system shall
3 submit an application for such permit in the form designated by the city, which application shall contain
4 the following:

5 (6) Any other information as the ~~director of excise and licenses~~manager of licensing and
6 consumer protection may require.

7 (c) The manager of safety and the ~~director of excise and licenses~~manager of licensing and
8 consumer protection shall issue such rules, regulations and procedures governing use of permit
9 applications as are necessary to protect their confidentiality and provide for the efficient management
10 of information.

11
12 **Sec. 42-106. - Issuance.**

13 Upon receipt of a properly executed application, the ~~director of excise and licenses~~manager of
14 licensing and consumer protection shall issue an alarm user permit to the applicant. Alarm user
15 permits shall not be transferable and shall be maintained on the premises where the alarm system is
16 located and made available for inspection by police, fire, ~~excise and licenses~~licensing and consumer
17 protection, and building department personnel. Issuance of an alarm user permit, however, does not
18 guarantee emergency response to the alarm.

19
20 **Sec. 42-112. - Challenge to avoidable alarm classification.**

21 The ~~director of excise and licenses~~manager of licensing and consumer protection shall establish
22 procedures for administrative review of avoidable alarms to provide an opportunity for an alarm user to
23 challenge each avoidable alarm during a permit year to present evidence as to why any such alarm
24 should not be classified as an avoidable alarm. In order to present such evidence for administrative
25 review, an alarm user must so notify the ~~director of excise and licenses~~manager of licensing and
26 consumer protection in writing within thirty (30) days after the date of mailing of any notification of an
27 avoidable alarm. The failure to give timely notice shall be deemed a waiver of the right to challenge the
28 classification of avoidable alarm. If, within thirty (30) days after notification of avoidable alarm number
29 five (5), an alarm user does not request an administrative review, or if the classification is upheld after
30 administrative review, additional calls for service generated from the user's system will receive the
31 police department's "general broadcast" classification. Alarm users eligible for and awaiting an
32 administrative review will continue to receive emergency service, pending the ~~director of excise and~~
33 ~~licenses~~manager of licensing and consumer protection' determination.

1 **Sec. 42-115. - Permit for police alert alarms; charges for false alarms.**

2 (a) *Permit for police alert alarms.* No person shall own, use, lease, operate or maintain a

5 contain such information as the ~~director of excise and licenses~~manager of licensing and consumer
6 protection, with the advice of the manager of safety, shall require.

7
8 **Sec. 42-116. - Required.**

9 (a) It shall be unlawful for any business, firm, corporation or other commercial entity to
10 operate, monitor, maintain, install or sell an alarm system without a license from the ~~director of excise~~
11 ~~and licenses~~manager of licensing and consumer protection.

12 (b) It shall be unlawful for any alarm business to operate, maintain or monitor an alarm
13 system within the city unless such alarm system has a permit, granted by the ~~director of excise and~~
14 ~~licenses~~manager of licensing and consumer protection, in full force and effect.

15 (c) When an alarm business required to be licensed under this division requests a response
16 by an emergency agency to the location of an alarm system, they shall provide to the emergency
17 agency the permit number assigned by the department of ~~excise and licenses~~licensing and consumer
18 protection to the alarm system. The alarm business shall be charged a penalty of twenty-five dollars
19 (\$25.00) for providing an incorrect alarm system permit number or no permit number. Any alarm
20 business required to be licensed under this division shall be charged a penalty of twenty-five dollars
21 (\$25.00) each and every time they request an emergency response to an alarm or alarm system that
22 has not been issued a permit granted by the ~~director of excise and licenses~~manager of licensing and
23 consumer protection pursuant to this article. No alarm business shall be allowed to renew its license if
24 any penalties due and owing under this subsection are unpaid. Any agency receiving a request for an
25 emergency response to an alarm or alarm system shall notify the department of ~~excise and~~
26 ~~licenses~~licensing and consumer protection when a request for emergency response to an alarm or
27 alarm system that has not been issued a permit pursuant to this article is received, or when either an
28 incorrect or no alarm system permit number has been provided. This notification shall include the
29 name of the alarm business making the request, date and time of the request, and the location to
30 which the response was requested and, if either an incorrect or no alarm system permit number was
31 provided by the alarm business, the correct and incorrect alarm system permit number, or the fact no
32 alarm permit number was provided. The department of ~~excise and licenses~~licensing and consumer
33 protection shall notify the alarm business requesting the response that the location was not permitted
34 or that either an incorrect or no alarm system permit number was provided, and assess the penalty.

1 The penalty shall be considered due, owing, and payable to the city thirty (30) days after the
2 department of ~~excise and licenses~~licensing and consumer protection has sent notice to the alarm
3 business of a request for an emergency response to an unpermitted alarm or that either an incorrect or
4 no alarm system permit number was provided. If prior to the expiration of the thirty-day period, the
5 alarm business provides proof satisfactory to the ~~director of excise and licenses~~manager of licensing
6 and consumer protection that the alarm or alarm system for which the emergency response was
7 required was issued a permit by the department of ~~excise and licenses~~licensing and consumer
8 protection prior to the request for an emergency response and that the correct alarm system permit
9 number was provided, or, that the request for an emergency response to the unpermitted location was
10 not made by the alarm business, the ~~director of excise and licenses~~manager of licensing and
11 consumer protection shall vacate the penalty.
