16 of Way):

17 (a) Permittee shall obtain a street occupancy permit, street cut permit, and/or ROW

20 (b) Permittee shall be responsible for obtaining all necessary permits and shall pay all
21 costs for installation and construction of items permitted herein.

22 (c) If the Permittee intends to install any underground facilities in or near a Public road,

Permittee agrees to defend, indemnify and hold the City harmless and to repair or pay for the repair of any and all damages to said water, storm, sanitary sewer facilities or other Utility Company facilities, or those damages resulting from the failure of the water, storm, sanitary sewer facilities or other Utility Company facilities to properly function because of the Encroachment(s).

(e) Permittee shall comply with all requirements of affected Utility Companies and pay for all costs of removal, relocation, replacement or rearrangement of Utility Company facilities. Existing utility facilities shall not be utilized, obstructed or disturbed.

(f) All construction in, under, on or over the Encroachment Area shall be accomplished in accordance with the Building Code and City and County of Denver Department of Transportation & Infrastructure Transportation Standards and Details for the Engineering Division.

In the future, Permittee shall also remove, replace or repair any street/alley paving, Sidewalks, and curb and gutter that become broken or damaged when, in the opinion of DOTI, the damage has been caused by the Encroachment(s) or the activity of the Permittee within the Encroachment Area. 6 coverages are to be arranged on an occurrence basis and include coverage for those hazards
7 normally identified as X.C.U. during construction. The insurance coverage required herein
8 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or
9 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All
10 insurance coverage required herein shall be written in a form and by a company or companies
11 approved by the Risk Manager of the City and authorized to do business in the State of Colorado. A
12 certified copy of all such insurance policies shall be filed with the Executive Director, and each such
13 policy shall contain a statement therein or endorsement thereon that it will not be canceled or
14 materially changed without written notice, by registered mail, to the Executive Director at least thirty
15 (30) days prior to the effective date of the cancellation or material change. The City and County of
16 Denver, its Elected and Appointed Officials, Employees and Volunteers shall be included as

19 with the provisions of Article IV (Prohibition of Discrimination in Employment, Housing and
20 Commercial Space, Public Accommodations, Educational Institutions and Health and Welfare
21 Services) of Chapter 28 (Human Rights) of the DRMC. The failure to comply with any such provision
22 shall be a proper basis for revocation of the Encroachment(s).

23 (n) The right to revoke the Permit at any time for any reason and require the removal of
24 the Encroachment(s) is expressly reserved to the City.

25 (o) By Permittee's use of this Permit and the Encroachment Area, Permittee agrees to the
26 following:

27 i. Permittee agrees to defend, indemnify, reimburse and hold harmless City, its
28 appointed and elected officials, agents and employees for, from and against all liabilities, claims,
29 judgments, suits or demands for damages to persons or property arising out of, resulting from, or
30 relating to this Permit and the Encroachment(s) ("Claims"). This indemnity shall be interpreted in the
31 broadest possible manner to indemnify City for any acts or omissions of Permittee or its agents either
32 passive or active, irrespective of fault, including City's negligence whether active or passive.

33 ii. Permittee's duty to defend and indemnify City shall arise at the time written notice

1 of the Claim is first provided to City regardless of whether claimant has filed suit on the Claim.
 2 Permittee's duty to defend and indemnify City shall arise even if City is the only party sued by
 3 claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of
 4 claimant's damages.

5 iii. Permittee will defend any and all Claims which may be brought or threatened
 6 against City and will pay on behalf of City any expenses incurred by reason of such Claims including,
 7 but not limited to, court costs and attorney fees incurred in defending and investigating such Claims
 8 or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition
 9 to any other legal remedies available to City and shall not be considered City's exclusive remedy.

10 iv. Insurance coverage requirements specified in this Encroachment Permit shall in no
 11 way lessen or limit the liability of Permittee under the terms of this indemnification obligation.
 12 Permittee shall obtain, at its own expense, any additional insurance that it deems necessary for the
 13 City's protection.

14 v. This defense and indemnification obligation shall survive the expiration or
 15 termination of this Permit.

16 (p) Pursuant to Chapter 49 of the DRMC, DOTI is authorized to remove or to order the
 17 removal of any article, vehicle, object or thing whatsoever encroaching into any street, alley,
 18 Sidewalk, or other public way or place.

19 (q) No third party, person or agency, except for an authorized Special District, may place
 20 the Encroachment(s) in front of a property without written permission of the adjacent property owner.

21 (r) Permittee's use of the ROW for placement of the Encroachment(s) does not create a
 22 property right or ownership interest of any kind in the Encroachment Area to the Permittee.

23 (s) All Encroachment(s) in Amenity Zones containing existing Public Trees and/or with the
 24 potential to impact tree roots or tree canopy must be pre-approved by the Office of the City Forester
 25 (OCF), by contacting them at forestry@denvergov.org or 720-913-0651. Encroachment(s) cannot
 26 be attached to or damage any Public Tree, and any damage shall be reported to the OCF
 27 immediately for mitigation. All trenching, excavation and grading activities within the Dripline of any
 28 Public Tree must be pre-approved by the OCF. City permits are required for the planting or removal
 29 of any Public Trees and can be obtained by emailing forestry@denvergov.org.

30 (t) All disturbances associated with construction of the Encroachment(s) shall be
 31 managed as required by City standards for erosion control which may require standard notes or
 32 CASDP permitting depending on location and scope of project.

33 (u) Encroachment(s) proposed adjacent to a designated park or within a dedicated

parkway shall require the City's Department of Parks and Recreation approval prior to installation.

(v) Encroachment(s) attached to a building may require building and/or zoning permits from the City's Department of Community Planning and Development.

(w) Encroachment(s) in the regulatory floodplain shall require a SUDP and comply with Chapter 4 Floodplain Regulations of the "Storm Drainage Design and Technical Criteria", Chapter 12 Floodplain Management of the "DOTI Rules and Regulations Governing Sewerage Charges and Fees and Management of Wastewater" and the City Floodplain Ordinance in DRMC Section 56-200 through 56-206. Above ground Encroachment(s) in a Floodway require a No-Rise Certification sealed and signed by a Professional Engineer licensed in the State of Colorado. If there is any rise in Base Flood Elevations, a Conditional Letter of Map Revision (CLOMR) and LOMR will be required.

(x) Only clean soil may be brought onto an Encroachment Area. Verification of soil quality must be provided if requested. Material removed from an Encroachment Area must be properly disposed and is the responsibility of the Permittee.

Section 3. That the Permit hereby granted shall be revocable at any time that the Council of the City and County of Denver shall determine that the public convenience and necessity or the public health, safety or general welfare require such revocation, and the right to revoke the same is hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its successors and assigns, to be present at a hearing to be conducted by the City Council upon such matters and thereat to present its views and opinions thereof and to present for consideration action or actions alternative to the revocation of such Permit.
